114TH CONGRESS
1ST SESSION

H. R. 1012

To amend title XVIII of the Social Security Act to improve the provision of items and services provided to Medicare beneficiaries residing in rural areas, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

Mr. SMITH of Washington introduced the following bill; which was referred to the Committee on

A BILL

To amend title XVIII of the Social Security Act to improve the provision of items and services provided to Medicare beneficiaries residing in rural areas, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “MediFair Act of
5 2015”.

6 **SEC. 2. FINDINGS.**

7 Congress makes the following findings:

1 (1) Regional inequities in Medicare reimburse-
2 ment have created barriers to care for seniors and
3 the disabled.

4 (2) The regional inequities in Medicare reim-
5 bursement penalize States that have cost-effective
6 health care delivery systems and reward those States
7 with high utilization rates and that provide ineffi-
8 cient care.

9 (3) Comparatively, in 2007, the average per
10 capita spending under traditional Medicare was
11 \$8,682 for beneficiaries in the United States, \$7,320
12 for beneficiaries in Seattle, \$11,303 for those in Los
13 Angeles, and \$17,274 for those in Miami.

14 (4) Over a lifetime, regional inequities can
15 mean as much as a \$125,000 difference in the cost
16 of care provided per beneficiary.

17 (5) Regional inequities have resulted in creating
18 very different Medicare programs and amount of
19 care received for seniors and the disabled based on
20 where they live.

21 (6) Because the Medicare Advantage rate is
22 based on the fee-for-service reimbursement rate, re-
23 gional inequities have allowed some Medicare bene-
24 ficiaries access to Medicare Advantage plans with
25 significantly more benefits and reduced cost sharing.

1 Beneficiaries in States with lower Medicare Advan-
 2 tage reimbursement rates have not benefitted to the
 3 same degree as beneficiaries in other parts of the
 4 country.

5 (7) Regional inequities in Medicare reimburse-
 6 ment have created an unfair competitive advantage
 7 for hospitals and other health care providers in
 8 States that receive above average payments. Higher
 9 payments mean that those providers can pay higher
 10 salaries in a tight, competitive market.

11 (8) Regional inequities in Medicare reimburse-
 12 ment, if left unchecked, will reduce access to Medi-
 13 care services and impact healthy outcomes for bene-
 14 ficiaries.

15 **SEC. 3. IMPROVING FAIRNESS OF PAYMENTS TO PRO-**
 16 **VIDERS UNDER THE MEDICARE FEE-FOR-**
 17 **SERVICE PROGRAM.**

18 Title XVIII of the Social Security Act (42 U.S.C.
 19 1395 et seq.) is amended by adding at the end the fol-
 20 lowing new section:

21 "IMPROVING PAYMENT EQUITY UNDER THE ORIGINAL
 22 MEDICARE FEE-FOR-SERVICE PROGRAM

23 "SEC. 1899C. (a) IN GENERAL.—Notwithstanding
 24 any other provision of law, the Secretary shall establish
 25 a system for making adjustments to the amount of pay-
 26 ment made to entities and individuals for items and serv-

1 ices provided under the original Medicare fee-for-service
2 program under parts A and B.

3 “(b) SYSTEM REQUIREMENTS.—

4 “(1) INCREASE FOR STATES BELOW THE NA-
5 TIONAL AVERAGE.—Under the system established
6 under subsection (a), if a State average per bene-
7 ficiary amount for a year is less than the national
8 average per beneficiary amount for such year, then
9 the Secretary (beginning in 2017) shall increase the
10 amount of applicable payments in such a manner as
11 will result (as estimated by the Secretary) in the
12 State average per beneficiary amount for the subse-
13 quent year being equal to the national average per
14 beneficiary amount for such subsequent year.

15 “(2) REDUCTION FOR CERTAIN STATES ABOVE
16 THE NATIONAL AVERAGE TO ENHANCE QUALITY
17 CARE AND MAINTAIN BUDGET NEUTRALITY.—

18 “(A) IN GENERAL.—The Secretary shall
19 ensure that the increase in payments under
20 paragraph (1) does not cause the estimated
21 amount of expenditures under this title for a
22 year to increase or decrease from the estimated
23 amount of expenditures under this title that
24 would have been made in such year if this sec-
25 tion had not been enacted by reducing the

1 amount of applicable payments in each State
2 that the Secretary determines has—

3 “(i) a State average per beneficiary
4 amount for a year that is greater than the
5 national average per beneficiary amount
6 for such year; and

7 “(ii) healthy outcome measurements
8 or quality care measurements that indicate
9 that a reduction in applicable payments
10 would encourage more efficient use of, and
11 reduce overuse of, items and services for
12 which payment is made under this title.

13 “(B) LIMITATION.—The Secretary shall
14 not reduce applicable payments under subpara-
15 graph (A) to a State that—

16 “(i) has a State average per bene-
17 ficiary amount for a year that is greater
18 than the national average per beneficiary
19 amount for such year; and

20 “(ii) has healthy outcome measure-
21 ments or quality care measurements that
22 indicate that the applicable payments are
23 being used to improve the access of bene-
24 ficiaries to quality care.

25 “(3) DETERMINATION OF AVERAGES.—

1 “(A) STATE AVERAGE PER BENEFICIARY
2 AMOUNT.—Each year (beginning in 2017), the
3 Secretary shall determine a State average per
4 beneficiary amount for each State which shall
5 be equal to the Secretary’s estimate of the aver-
6 age amount of expenditures under the original
7 Medicare fee-for-service program under parts A
8 and B for the year for a beneficiary enrolled
9 under such parts that resides in the State.

10 “(B) NATIONAL AVERAGE PER BENE-
11 FICIARY AMOUNT.—Each year (beginning in
12 2017), the Secretary shall determine the na-
13 tional average per beneficiary amount which
14 shall be equal to the average of the State aver-
15 age per beneficiary amount determined under
16 subparagraph (A) for the year.

17 “(4) DEFINITIONS.—In this section:

18 “(A) APPLICABLE PAYMENTS.—The term
19 ‘applicable payments’ means payments made to
20 entities and individuals for items and services
21 provided under the original Medicare fee-for-
22 service program under parts A and B to bene-
23 ficiaries enrolled under such parts that reside in
24 the State.

1 “(B) STATE.—The term ‘State’ has the
2 meaning given such term in section 210(h).

3 “(c) BENEFICIARIES HELD HARMLESS.—The provi-
4 sions of this section shall not affect—

5 “(1) the entitlement to items and services of a
6 beneficiary under this title, including the scope of
7 such items and services; or

8 “(2) any liability of the beneficiary with respect
9 to such items and services.

10 “(d) REGULATIONS.—

11 “(1) IN GENERAL.—The Secretary, in consulta-
12 tion with the Medicare Payment Advisory Commis-
13 sion, shall promulgate regulations to carry out this
14 section.

15 “(2) PROTECTING RURAL COMMUNITIES.—In
16 promulgating the regulations pursuant to paragraph
17 (1), the Secretary shall give special consideration to
18 rural areas.”.

19 **SEC. 4. MEDPAC RECOMMENDATIONS ON HEALTHY OUT-**
20 **COMES AND QUALITY CARE.**

21 (a) RECOMMENDATIONS.—The Medicare Payment
22 Advisory Commission established under section 1805 of
23 the Social Security Act (42 U.S.C. 1395b-6) shall develop
24 recommendations on policies and practices that, if imple-
25 mented, would encourage—

1 (1) healthy outcomes and quality care under the
2 Medicare program in States with respect to which
3 payments are reduced under section 1899B(b)(2) of
4 such Act (as added by section 3); and

5 (2) the efficient use of payments made under
6 the Medicare program in such States.

7 (b) SUBMISSION.—Not later than the date that is 9
8 months after the date of the enactment of this Act, the
9 Commission shall submit to Congress the recommenda-
10 tions developed under subsection (a).
