6 EVALUATING AFGHAN AND PAKISTANI CONDUCT AND  
7 COMMITMENT

8 SEC. 21008. (a) FINDINGS REGARDING PROGRESS IN  
9 AFGHANISTAN AND PAKISTAN.—Congress makes the fol-  
10 lowing findings:

11 (1) Over 40,000 American military personnel  
12 are currently serving in Afghanistan, with the brav-  
13 ery and professionalism consistent with the finest  
14 traditions of the United States Armed Forces, and  
15 are deserving of the strong support of all Americans.

16 (2) Many American service personnel have lost  
17 their lives, and many more have been wounded in  
18 Afghanistan. The American people will always honor  
19 their sacrifice and honor their families.

20 (3) Afghanistan and Pakistan are experiencing  
21 a deterioration of their internal security resulting  
22 from a growing insurgency fueled by Al Qaeda, the  
23 Taliban and other extremist networks that continue  
24 to operate along the western border of Pakistan, in-  
25 cluding in the Federally Administered Tribal Areas

1 (FATA), as well as in areas under central govern-  
2 ment authority such as Quetta in Baluchistan and  
3 Muridke in Punjab.

4 (4) The United States and the international  
5 community have welcomed and supported Pakistan's  
6 return to civilian rule after almost nine years with  
7 the free and fair elections of February 18, 2008,  
8 and have supported the development of a democratic  
9 government in Afghanistan.

10 (5) Since 2001, the United States has contrib-  
11 uted more than \$33,000,000,000 to Afghanistan and  
12 \$12,000,000,000 to Pakistan to strengthen each  
13 country's governance, economy, education system,  
14 healthcare services, and military.

15 (6) The governments of Afghanistan and Paki-  
16 stan must expand the writ of the national govern-  
17 ment across all provinces to secure their borders,  
18 protect their population, enforce the rule of law, and  
19 tackle the pervasive problem of corruption in order  
20 to bring security and stability to their people.

21 (b) REPORT.—Because the stability and security of  
22 the region is tied more to the capacity and conduct of the  
23 Afghan and Pakistani governments and to the resolve of  
24 both societies than it is to the policies of the United  
25 States, the President shall submit a report to the Con-

1 gress, not later than the date of submission of the fiscal  
2 year 2011 budget request, assessing whether the Govern-  
3 ments of Afghanistan and Pakistan are, or are not, dem-  
4 onstrating the necessary commitment, capability, conduct  
5 and unity of purpose to warrant the continuation of the  
6 President's policy announced on March 27, 2009. The  
7 President, on the basis of information gathered and co-  
8 ordinated by the National Security Council, shall advise  
9 the Congress on how that assessment requires, or does not  
10 require, changes to that policy. The measures used to  
11 evaluate the Afghan and Pakistani governments' record  
12 of concrete performance shall include the following stand-  
13 ards of performance:

14           (1) Level of political consensus and unity of  
15           purpose across ethnic, tribal, religious and party af-  
16           filiations to confront the political and security chal-  
17           lenges facing the region.

18           (2) Level of government corruption and actions  
19           taken to eliminate it.

20           (3) Performance of the respective security  
21           forces in developing a counterinsurgency capability,  
22           conducting counterinsurgency operations and estab-  
23           lishing population security.

24           (4) Performance of the respective intelligence  
25           agencies in cooperating with the United States on

1 counterinsurgency and counterterrorism operations  
2 and in purging themselves of policies, programs and  
3 personnel that provide material support to extremist  
4 networks that target United States troops or under-  
5 mine United States objectives in the region.

6 (5) Ability of the Afghan and Pakistani govern-  
7 ments to effectively control the territory within their  
8 respective borders.

9 PROHIBITION ON ASSISTANCE TO HAMAS

10 SEC. 21009. (a) None of the funds made available  
11 in this chapter may be made available for assistance to  
12 Hamas, or any entity effectively controlled by Hamas or  
13 any power-sharing government of which Hamas is a mem-  
14 ber.

15 (b) Notwithstanding the limitation of subsection (a),  
16 assistance may be provided to a power-sharing government  
17 if the President certifies in writing and reports to the  
18 Committees on Appropriations of the House of Represent-  
19 atives and the Senate that such government, including all  
20 of its ministers or such equivalent, has publicly accepted  
21 and is complying with the principles contained in subpara-  
22 graphs (A) and (B) of section 620K(b)(1) of the Foreign  
23 Assistance Act of 1961 (22 U.S.C. 2378b(b)(1)).

24 (c) The President may exercise the authority in sec-  
25 tion 620K(e) of the Foreign Assistance Act of 1961 (22

1 U.S.C. 2378b(e)) with respect to the limitations of this  
2 section.

3 (d) REPORT.—Whenever the certification pursuant to  
4 subsection (b) is exercised, the Secretary of State shall  
5 submit a report to the Committees on Appropriations of  
6 the House of Representatives and the Senate within 120  
7 days of the certification and every quarter thereafter on  
8 whether such government, including all of its ministers or  
9 such equivalent are continuing to publically accept and  
10 comply with the principles contained in section 620K(b)(1)  
11 (A) and (B) of the Foreign Assistance Act of 1961 (22  
12 U.S.C. 2378b(b)(1)). The report shall also detail the  
13 amount, purposes and delivery mechanisms for any assist-  
14 ance provided pursuant to the abovementioned certifi-  
15 cation and a full accounting of any direct support of such  
16 government.

21 conditions provided in the Department of State, Foreign  
22 Operations, and Related Programs Appropriations Act,  
23 2009 (division H of Public Law 111–8), except that sec-  
24 tions 7070(e), with respect to funds made available for  
25 macroeconomic growth assistance for Zimbabwe, and 7042

1 (a) and (c) of such Act shall not apply to funds made
