H. R. 5015

To require a plan for the safe, orderly, and expeditious redeployment of
United States Armed Forces from Afghanistan.

IN THE HOUSE OF REPRESENTATIVES

APRIL 14, 2010

Mr. MCGOVERN (for himself, Mr. JONES, Ms. LEE of California, Mr. JOHNSON of Illinois, Ms. PINGREE of Maine, Mr. CAPUANO, Mr. CONYERS, Mr. LUJÁN, Ms. SLAUGHTER, Mr. KUCINICH, Mr. NADLER of New York, Mr. SCHRADER, and Ms. HARMAN) introduced the following bill; which was referred to the Committee on Foreign Affairs, and in addition to the Committee on Armed Services, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To require a plan for the safe, orderly, and expeditious
redployment of United States Armed Forces from Af-
ghanistan.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. FINDINGS.**

4 Congress makes the following findings:

5 (1) Military operations in Afghanistan have cost
6 American taxpayers more than \$200,000,000,000 in
7 deficit spending since 2001.

1 (2) Particularly given current record deficits,
2 high unemployment, and proposed reductions in do-
3 mestic spending, the United States should ensure fu-
4 ture war expenditures in Afghanistan do not add to
5 the deficit and ensure that resources are not squan-
6 dered on waste, fraud, abuse, or corruption in Af-
7 ghanistan.

8 (3) United States military and nonmilitary op-
9 erations in Afghanistan, including those conducted
10 by contractors, must be subject to the highest stand-
11 ards of transparency and accountability, and subject
12 to the review of appropriate inspectors general.

13 (4) According to the most recent Army Mental
14 Health Advisory Team Assessment, one in five sol-
15 diers surveyed in Afghanistan reports having psycho-
16 logical problems.

17 (5) The United States needs a comprehensive
18 strategy to counter the global threat posed by al
19 Qaeda and its affiliates in Pakistan, Somalia,
20 Yemen, North Africa, and elsewhere around the
21 world.

22 (6) A massive, open-ended United States mili-
23 tary presence in Afghanistan is unlikely to advance,
24 and may undermine, United States efforts to elimi-

1 nate the safe haven for al Qaeda in Pakistan and
2 combat al Qaeda globally.

3 (7) Rather than engaging in a nation-building
4 effort in Afghanistan, the United States should
5 begin reducing troop levels in Afghanistan and tran-
6 sition to a sustainable counterterrorism policy.

7 (8) President Obama announced on December
8 1, 2009, that United States troops would begin to
9 be withdrawn from Afghanistan in July 2011.

10 (9) The United States remains committed to
11 providing long-term economic, diplomatic, and polit-
12 ical support to the people of Afghanistan, and to
13 supporting the emergence of a legitimate, effective
14 government in Afghanistan.

15 (10) The United States will continue to provide
16 economic, development, and political support for
17 women's rights, education, and leadership in Af-
18 ghanistan.

19 (11) The August 20, 2009, presidential election
20 in Afghanistan was characterized by widespread
21 fraud, and there are credible reports of widespread
22 corruption.

23 (12) The Chairman of the Joint Chiefs of Staff,
24 Admiral Michael Mullen, has acknowledged that the
25 greatest threat in Afghanistan today is the "lack of

1 legitimacy in the government—at all levels” and that
2 the United States Armed Forces cannot solve the le-
3 gitimacy problem.

4 (13) General McChrystal has acknowledged that
5 United States partnerships with “polarizing and
6 predatory” powerbrokers, including in the Afghan
7 National Security Forces, compromise the ability of
8 the United States to address the lack of legitimacy
9 in the Afghanistan Government.

10 **SEC. 2. PLAN FOR THE SAFE, ORDERLY, AND EXPEDITIOUS**
11 **REDEPLOYMENT OF UNITED STATES ARMED**
12 **FORCES FROM AFGHANISTAN.**

13 (a) **PLAN WITH TIMETABLE REQUIRED.**—Not later
14 than January 1, 2011, or 90 days after the date of enact-
15 ment of this Act, whichever is earlier, the President shall
16 submit to Congress a plan for the safe, orderly, and expe-
17 ditious redeployment of United States Armed Forces from
18 Afghanistan, including military and security-related con-
19 tractors, together with a timetable for the completion of
20 that redeployment and information regarding variables
21 that could alter that timetable.

22 (b) **STATUS UPDATES.**—Not later than 90 days after
23 the date of the submittal of the plan required by sub-
24 section (a), and every 90 days thereafter, the President
25 shall submit to the Congress a report setting forth the

1 current status of the plan for redeploying United States
2 Armed Forces from Afghanistan.

3 (c) RECOMMENDATIONS ON CONTRACTOR OVER-
4 SIGHT.—

5 (1) RECOMMENDATIONS REQUIRED.—Not later
6 than 90 days after the date of the enactment of this
7 Act, the Special Inspector General for Afghanistan
8 Reconstruction shall, in consultation with the In-
9 spector General of the Department of Defense and
10 the Inspector General of the Department of State—

11 (A) issue recommendations on measures to
12 increase oversight of contractors engaged in ac-
13 tivities relating to Afghanistan that have a
14 record of engaging in waste, fraud, or abuse;
15 and

16 (B) report on the status of efforts of the
17 Department of Defense and the Department of
18 State to implement existing recommendations
19 regarding oversight of such contractors.

20 (2) ELEMENTS OF RECOMMENDATIONS.—The
21 recommendations issued under paragraph (1)(A)
22 shall include recommendations for reducing the reli-
23 ance of the United States on security contractors or
24 subcontractors responsible for the deaths of Afghan
25 civilians and on Afghan militias, contractors, sub-

1 contractors, or other armed groups that are not part
2 of the Afghan National Security Forces.
