3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Credit Union Small
5 Business Jobs Creation Act”.

6 **SEC. 2. LIMITS ON MEMBER BUSINESS LOANS.**

7 (a) REVISED LIMITATION AND CRITERIA.—Effective
8 6 months after the date of enactment of this Act, section

1 107A(a) of the Federal Credit Union Act (12 U.S.C.
2 1757a(a)) is amended to read as follows:

3 “(a) LIMITATION.—

4 “(1) IN GENERAL.—Except as provided in para-
5 graph (2), an insured credit union may not make
6 any member business loan that would result in the
7 total amount of such loans outstanding at that cred-
8 it union at any one time to be equal to more than
9 the lesser of—

10 “(A) 1.75 times the actual net worth of
11 the credit union; or

12 “(B) 12.25 percent of the total assets of
13 the credit union.

14 “(2) ADDITIONAL AUTHORITY.—The Board
15 may approve an application by an insured credit
16 union upon a finding that the credit union meets the
17 criteria under this paragraph to make 1 or more
18 member business loans that would result in a total
19 amount of such loans outstanding at any one time
20 of not more than 27.5 percent of the total assets of
21 the credit union, if the credit union—

22 “(A) had member business loans out-
23 standing at the end of each of the 4 consecutive
24 quarters immediately preceding the date of the
25 application, in a total amount of not less than

1 80 percent of the applicable limitation under
2 paragraph (1);

3 “(B) is well capitalized, as defined in sec-
4 tion 216(c)(1)(A);

5 “(C) can demonstrate at least 5 years of
6 experience of sound underwriting and servicing
7 of member business loans;

8 “(D) has the requisite policies and experi-
9 ence in managing member business loans; and

10 “(E) has satisfied other standards that the
11 Board determines are necessary to maintain the
12 safety and soundness of the insured credit
13 union.

14 “(3) EFFECT OF NOT BEING WELL CAPITAL-
15 IZED.—An insured credit union that has made mem-
16 ber business loans under an authorization under
17 paragraph (2) and that is not, as of its most recent
18 quarterly call report, well capitalized, may not make
19 any member business loans until such time as the
20 credit union becomes well capitalized, as reflected in
21 a subsequent quarterly call report, and obtains the
22 approval of the Board.”.

23 (b) IMPLEMENTATION.—

24 (1) TIERED APPROVAL PROCESS.—The Board
25 shall develop a tiered approval process, under which

1 an insured credit union gradually increases the
2 amount of member business lending in a manner
3 that is consistent with safe and sound operations,
4 subject to the limits established under section
5 107A(a)(2) of the Federal Credit Union Act (as
6 amended by this Act). The rate of increase under

8 not exceed 30 percent per year.

9 (2) RULEMAKING REQUIRED.—The Board shall
10 issue proposed rules, not later than 6 months after
11 the date of enactment of this Act, to establish the
12 tiered approval process required under paragraph
13 (1). The tiered approval process shall establish
14 standards designed to ensure that the new business
15 lending capacity authorized under the amendment
16 made by subsection (a) is being used only by insured
17 credit unions that are well managed and well capital-
18 ized, as required by the amendments made under
19 subsection (a) and as defined by the rules issued by
20 the Board under this paragraph.
