SUMMARY OF THE AMENDMENT CONSIDERED AS ADOPTED

1. Brady, Kevin (TX): MANAGER'S clarifies that the Carr and Hill fires are included within the Mendocino fire area and the Camp and Woolsey fire area, respectively. For purposes of defining a qualified Yutu distribution, clarifies the designation of the disaster area and typhoon to reference "Typhoon Yutu disaster area" and "Typhoon Yutu", respectively. It aligns the start date for determining whether an employer is eligible for the Mendocino wildfire employee retention credit with the start date of the designated incident period in the Federal disaster declaration. The amendment provides for automatic extension of IRS filing dates for taxpayers in a federally declared disaster area, clarifies the applicability period for modifications with respect to section 403(b) plans, clarifies the language regarding refunds of overpayments and installments of deemed repatriation net tax liability. It also eliminates the increase in unrelated business taxable income related to certain transportation fringe benefits and modifies the rules related to business holdings of private foundations.
