As far as I can tell, there is no support for this in this building. Understand that there will be a Deputies on Tue at which this and other issues will be addressed. Properly de-linked from MOU signing.

I need to see a negotiating strategy from SRAP and State before agreeing to a sixth individual. This is moving the goal posts at the last minute. We have seen no indication whatsoever, as far as I can tell, that the TB is serious about anything other than a swap.
