

BIOGRAPHY

UNITED STATES AIR FORCE

LIEUTENANT GENERAL DONALD E. "GENE" KIRKLAND

Lt. Gen. Donald E. "Gene" Kirkland is the Commander, Air Force Sustainment Center, Air Force Materiel Command, headquartered at Tinker Air Force Base, Oklahoma. As the AFSC Commander, he leads 43,000 Total Force U.S. and U.K. Airmen across three air logistics complexes, three air base wings, and two supply chain wings, operating from a global network of 26 locations.

The AFSC is responsible for \$26 billion in assets generating \$16 billion in annual revenue. The command provides global logistics and sustainment planning, operations, and command and control including agile software development and sustainment, supply chain management and execution, weapons systems maintenance, modification, repair and overhaul, as well as critical sustainment for the Air Force and Navy nuclear enterprise. The AFSC also provides mission essential support to joint and interagency operations, allies, coalition partners, and foreign military sales partners.

General Kirkland entered the Air Force in 1988 through Officer Training School. He is a career aircraft and munitions maintenance officer, and has served on the logistics staffs at U.S. Central Command and the Joint Staff. He also served as Executive Officer to the Chief of Staff of the Air Force and Commander of the Oklahoma City Air Logistics Complex. Prior to his current assignment, he was the Director of Logistics at Headquarters U.S. Air Force.
