Such intermediate holding company shall be subject to the supervision of the Board of Governors and to prudential standards under this title as if the intermediate holding company were a nonbank financial company supervised by the Board of Governors.

(B) ACTION OF THE BOARD OF GOVERNORS.—To facilitate the supervision of the financial activities subject to the determination in paragraph (1), the Board of Governors may require a company to establish an intermediate holding company, as provided for in section 167, which would be subject to the supervision of the Board of Governors and to prudential standards under this title, as if the intermediate holding company were a nonbank financial company supervised by the Board of Governors.

(f) EMERGENCY EXCEPTION.—

threats posed by the nonbank financial company to the financial stability of the United States.

(2) NOTICE.—The Council shall provide notice of a waiver or modification under this subsection to the nonbank financial company concerned as soon as practicable, but not later than 24 hours after the waiver or modification is granted.

(5) NOTICE OF FINAL DETERMINATION.—Not later than 30 days after the date of any hearing under paragraph (4), the Council shall notify the subject nonbank financial company of the final determination of the Council under this subsection, which shall contain a statement of the basis for the decision of the Council.

(g) CONSULTATION.—The Council shall consult with the primary financial regulatory agency, if any, for each nonbank financial company or subsidiary of a nonbank financial company that is being considered for supervision by the Board of Governors under this section before the Council makes any final determination with respect to such nonbank financial company under subsection (a), (b), or (c).

(3) CONSIDERATIONS.—In making recommendations concerning prudential standards under paragraph (1), the Council shall—

(A) take into account differences among nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a), based on—

(ii) whether the company owns an insured depository institution;

(iii) nonfinancial activities and affiliations of the company; and

(iv) any other factors that the Council determines appropriate;

(C) adapt its recommendations as appropriate in light of any predominant line of business of such company, including assets under management or other activities for which particular standards may not be appropriate.

(c) CONTINGENT CAPITAL.—

(1) STUDY REQUIRED.—The Council shall conduct a study of the feasibility, benefits, costs, and structure of a contingent capital requirement for nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a), which study shall include—

(E) an evaluation of the effects of such requirement on the international competitiveness of companies subject to the requirement and the prospects for international coordination in establishing such requirement; and

(3) RECOMMENDATIONS.—

(A) IN GENERAL.—Subsequent to submitting a report to Congress under paragraph (2), the Council may make recommendations to the Board of Governors to require any nonbank financial company supervised by the Board of Governors and any bank holding company described in subsection (a) to maintain a minimum amount of contingent capital that is convertible to equity in times of financial stress.

(B) FACTORS TO CONSIDER.—In making recommendations under this subsection, the Council shall consider—

(i) an appropriate transition period for implementation of a conversion under this subsection;

(ii) the factors described in subsection (b)(3);

(e) CONCENTRATION LIMITS.—In order to limit the risks that the failure of any individual company could pose to nonbank financial companies supervised by the Board of Governors or bank holding companies described in subsection (a), the Council may make recommendations to the Board of Governors to prescribe standards to limit such risks, as set forth in section 165.

(f) **ENHANCED PUBLIC DISCLOSURES.**—The Council may make recommendations to the Board of Governors to require periodic public disclosures by bank holding companies described in subsection (a) and by nonbank financial companies supervised by the Board of Governors, in order to support market evaluation of the risk profile, capital adequacy, and risk management capabilities thereof.

(2) EXEMPTIONS.—The prior notice requirement in paragraph (1) shall not apply with regard to the acquisition of shares that would qualify for the exemptions in section 4(c) or section 4(k)(4)(E) of the Bank Holding Company Act of 1956 (12 U.S.C. 1843(c) and (k)(4)(E)).

(3) NOTICE PROCEDURES.—The notice procedures set forth in section 4(j)(1) of the Bank Holding Company Act of 1956 (12 U.S.C. 1843(j)(1)), without regard to section 4(j)(3) of that Act, shall apply to an acquisition of any company (other than an insured depository institution) by a bank holding company with total consolidated assets equal to or greater than

\$50,000,000,000 or a nonbank financial company supervised by the Board of Governors, as described in paragraph (1), including any such company engaged in activities described in section 4(k) of that Act.

(4) **STANDARDS FOR REVIEW.**—In addition to the standards provided in section 4(j)(2) of the Bank Holding Company Act of 1956 (12 U.S.C. 1843(j)(2)), the Board of Governors shall consider the extent to which the proposed acquisition would result in greater or more concentrated risks to global or United States financial stability or the United States economy.

(5) **HART-SCOTT-RODINO FILING REQUIREMENT.**—Solely for purposes of section 7A(c)(8) of the Clayton Act (15 U.S.C. 18a(c)(8)), the transactions subject to the requirements of paragraph (1) shall be treated as if Board of Governors approval is not required.

SEC. 164. PROHIBITION AGAINST MANAGEMENT INTERLOCKS BETWEEN CERTAIN FINANCIAL COMPANIES.

A nonbank financial company supervised by the Board of Governors shall be treated as a bank holding company for purposes of the Depository Institutions Management Interlocks Act (12 U.S.C. 3201 et seq.), except that the Board of Governors shall not exercise the authority provided in section 7 of that Act (12 U.S.C. 3207) to permit service by a management official of a nonbank financial company supervised by the Board of Governors as a management official of any bank holding company with total consolidated assets equal to or greater than \$50,000,000,000, or other nonaffiliated nonbank financial company supervised by the Board of Governors (other than to provide a temporary exemption for interlocks resulting from a merger, acquisition, or consolidation).

SEC. 165. ENHANCED SUPERVISION AND PRUDENTIAL STANDARDS FOR NONBANK FINANCIAL COMPANIES SUPERVISED BY THE BOARD OF GOVERNORS AND CERTAIN BANK HOLDING COMPANIES.

(a) **IN GENERAL.**—

(1) **PURPOSE.**—In order to prevent or mitigate risks to the financial stability of the United States that could arise from the material financial distress or failure, or ongoing activities, of large, interconnected financial institutions, the Board of Governors shall, on its own or pursuant to recommendations by the Council under section 115, establish prudential standards for nonbank financial companies supervised by the Board of Governors and bank holding companies with total consolidated assets equal to or greater than \$50,000,000,000 that—

(A) are more stringent than the standards and requirements applicable to nonbank financial companies and bank holding companies that do not present similar risks to the financial stability of the United States; and

(B) increase in stringency, based on the considerations identified in subsection (b)(3).

(2) **TAILORED APPLICATION.**—

(A) **IN GENERAL.**—In prescribing more stringent prudential standards under this section, the Board of Governors may, on its own or pursuant to a recommendation by the Council in accordance with section 115, differentiate among companies on an individual basis or by category, taking into consideration their capital structure, riskiness,

complexity, financial activities (including the financial activities of their subsidiaries), size, and any other risk-related factors that the Board of Governors deems appropriate.

(B) ADJUSTMENT OF THRESHOLD FOR APPLICATION OF CERTAIN STANDARDS.—The Board of Governors may, pursuant to a recommendation by the Council in accordance with section 115, establish an asset threshold above \$50,000,000,000 for the application of any standard established under subsections (c) through (g).

(b) DEVELOPMENT OF PRUDENTIAL STANDARDS.—

(1) IN GENERAL.—

(A) REQUIRED STANDARDS.—The Board of Governors shall establish prudential standards for nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a), that shall include—

(i) risk-based capital requirements and leverage limits, unless the Board of Governors, in consultation with the Council, determines that such requirements are not appropriate for a company subject to more stringent prudential standards because of the activities of such company (such as investment company activities or assets under management) or structure, in which case, the Board of Governors shall apply other standards that result in similarly stringent risk controls;

(ii) liquidity requirements;

(iii) overall risk management requirements;

(iv) resolution plan and credit exposure report requirements; and

(v) concentration limits.

(B) ADDITIONAL STANDARDS AUTHORIZED.—The Board of Governors may establish additional prudential standards for nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a), that include—

(i) a contingent capital requirement;

(ii) enhanced public disclosures;

(iii) short-term debt limits; and

(iv) such other prudential standards as the Board or Governors, on its own or pursuant to a recommendation made by the Council in accordance with section 115, determines are appropriate.

(2) STANDARDS FOR FOREIGN FINANCIAL COMPANIES.—In applying the standards set forth in paragraph (1) to any foreign nonbank financial company supervised by the Board of Governors or foreign-based bank holding company, the Board of Governors shall—

(A) give due regard to the principle of national treatment and equality of competitive opportunity; and

(B) take into account the extent to which the foreign financial company is subject on a consolidated basis to home country standards that are comparable to those applied to financial companies in the United States.

(3) CONSIDERATIONS.—In prescribing prudential standards under paragraph (1), the Board of Governors shall—

(A) take into account differences among nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a), based on—

(i) the factors described in subsections (a) and (b) of section 113;

(ii) whether the company owns an insured depository institution;

(iii) nonfinancial activities and affiliations of the company; and

(iv) any other risk-related factors that the Board of Governors determines appropriate;

(B) to the extent possible, ensure that small changes in the factors listed in subsections (a) and (b) of section 113 would not result in sharp, discontinuous changes in the prudential standards established under paragraph (1) of this subsection;

(C) take into account any recommendations of the Council under section 115; and

(D) adapt the required standards as appropriate in light of any predominant line of business of such company, including assets under management or other activities for which particular standards may not be appropriate.

(4) CONSULTATION.—Before imposing prudential standards or any other requirements pursuant to this section, including notices of deficiencies in resolution plans and more stringent requirements or divestiture orders resulting from such notices, that are likely to have a significant impact on a functionally regulated subsidiary or depository institution subsidiary of a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a), the Board of Governors shall consult with each Council member that primarily supervises any such subsidiary with respect to any such standard or requirement.

(5) REPORT.—The Board of Governors shall submit an annual report to Congress regarding the implementation of the prudential standards required pursuant to paragraph (1), including the use of such standards to mitigate risks to the financial stability of the United States.

(c) CONTINGENT CAPITAL.—

(1) IN GENERAL.—Subsequent to submission by the Council of a report to Congress under section 115(c), the Board of Governors may issue regulations that require each nonbank financial company supervised by the Board of Governors and bank holding companies described in subsection (a) to maintain a minimum amount of contingent capital that is convertible to equity in times of financial stress.

(2) FACTORS TO CONSIDER.—In issuing regulations under this subsection, the Board of Governors shall consider—

(A) the results of the study undertaken by the Council, and any recommendations of the Council, under section 115(c);

(B) an appropriate transition period for implementation of contingent capital under this subsection;

(C) the factors described in subsection (b)(3)(A);

(D) capital requirements applicable to the nonbank financial company supervised by the Board of Governors

or a bank holding company described in subsection (a), and subsidiaries thereof; and

(E) any other factor that the Board of Governors deems appropriate.

(d) RESOLUTION PLAN AND CREDIT EXPOSURE REPORTS.—

(1) RESOLUTION PLAN.—The Board of Governors shall require each nonbank financial company supervised by the Board of Governors and bank holding companies described in subsection (a) to report periodically to the Board of Governors, the Council, and the Corporation the plan of such company for rapid and orderly resolution in the event of material financial distress or failure, which shall include—

(A) information regarding the manner and extent to which any insured depository institution affiliated with the company is adequately protected from risks arising from the activities of any nonbank subsidiaries of the company;

(B) full descriptions of the ownership structure, assets, liabilities, and contractual obligations of the company;

(C) identification of the cross-guarantees tied to different securities, identification of major counterparties, and a process for determining to whom the collateral of the company is pledged; and

(D) any other information that the Board of Governors and the Corporation jointly require by rule or order.

(2) CREDIT EXPOSURE REPORT.—The Board of Governors shall require each nonbank financial company supervised by the Board of Governors and bank holding companies described in subsection (a) to report periodically to the Board of Governors, the Council, and the Corporation on—

(A) the nature and extent to which the company has credit exposure to other significant nonbank financial companies and significant bank holding companies; and

(B) the nature and extent to which other significant nonbank financial companies and significant bank holding companies have credit exposure to that company.

(3) REVIEW.—The Board of Governors and the Corporation shall review the information provided in accordance with this subsection by each nonbank financial company supervised by the Board of Governors and bank holding company described in subsection (a).

(4) NOTICE OF DEFICIENCIES.—If the Board of Governors and the Corporation jointly determine, based on their review under paragraph (3), that the resolution plan of a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a) is not credible or would not facilitate an orderly resolution of the company under title 11, United States Code—

(A) the Board of Governors and the Corporation shall notify the company of the deficiencies in the resolution plan; and

(B) the company shall resubmit the resolution plan within a timeframe determined by the Board of Governors and the Corporation, with revisions demonstrating that the plan is credible and would result in an orderly resolution under title 11, United States Code, including any

proposed changes in business operations and corporate structure to facilitate implementation of the plan.

(5) FAILURE TO RESUBMIT CREDIBLE PLAN.—

(A) IN GENERAL.—If a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a) fails to timely resubmit the resolution plan as required under paragraph (4), with such revisions as are required under subparagraph (B), the Board of Governors and the Corporation may jointly impose more stringent capital, leverage, or liquidity requirements, or restrictions on the growth, activities, or operations of the company, or any subsidiary thereof, until such time as the company resubmits a plan that remedies the deficiencies.

(B) DIVESTITURE.—The Board of Governors and the Corporation, in consultation with the Council, may jointly direct a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a), by order, to divest certain assets or operations identified by the Board of Governors and the Corporation, to facilitate an orderly resolution of such company under title 11, United States Code, in the event of the failure of such company, in any case in which—

(i) the Board of Governors and the Corporation have jointly imposed more stringent requirements on the company pursuant to subparagraph (A); and

(ii) the company has failed, within the 2-year period beginning on the date of the imposition of such requirements under subparagraph (A), to resubmit the resolution plan with such revisions as were required under paragraph (4)(B).

(6) NO LIMITING EFFECT.—A resolution plan submitted in accordance with this subsection shall not be binding on a bankruptcy court, a receiver appointed under title II, or any other authority that is authorized or required to resolve the nonbank financial company supervised by the Board, any bank holding company, or any subsidiary or affiliate of the foregoing.

(7) NO PRIVATE RIGHT OF ACTION.—No private right of action may be based on any resolution plan submitted in accordance with this subsection.

(8) RULES.—Not later than 18 months after the date of enactment of this Act, the Board of Governors and the Corporation shall jointly issue final rules implementing this subsection.

(e) CONCENTRATION LIMITS.—

(1) STANDARDS.—In order to limit the risks that the failure of any individual company could pose to a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a), the Board of Governors, by regulation, shall prescribe standards that limit such risks.

(2) LIMITATION ON CREDIT EXPOSURE.—The regulations prescribed by the Board of Governors under paragraph (1) shall prohibit each nonbank financial company supervised by the Board of Governors and bank holding company described in subsection (a) from having credit exposure to any unaffiliated company that exceeds 25 percent of the capital stock and surplus (or such lower amount as the Board of Governors may

determine by regulation to be necessary to mitigate risks to the financial stability of the United States) of the company.

(3) CREDIT EXPOSURE.—For purposes of paragraph (2), “credit exposure” to a company means—

(A) all extensions of credit to the company, including loans, deposits, and lines of credit;

(B) all repurchase agreements and reverse repurchase agreements with the company, and all securities borrowing and lending transactions with the company, to the extent that such transactions create credit exposure for the nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a);

(C) all guarantees, acceptances, or letters of credit (including endorsement or standby letters of credit) issued on behalf of the company;

(D) all purchases of or investment in securities issued by the company;

(E) counterparty credit exposure to the company in connection with a derivative transaction between the nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a) and the company; and

(F) any other similar transactions that the Board of Governors, by regulation, determines to be a credit exposure for purposes of this section.

(4) CONTRIBUTION RULE.—For purposes of this subsection, any transaction by a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a) with any person is a transaction with a company, to the extent that the proceeds of the transaction are used for the benefit of, or transferred to, that company.

(5) RULEMAKING.—The Board of Governors may issue such regulations and orders, including definitions consistent with this section, as may be necessary to administer and carry out this subsection.

(6) EXEMPTIONS.—This subsection shall not apply to any Federal home loan bank. The Board of Governors may, by regulation or order, exempt transactions, in whole or in part, from the definition of the term “credit exposure” for purposes of this subsection, if the Board of Governors finds that the exemption is in the public interest and is consistent with the purpose of this subsection.

(7) TRANSITION PERIOD.—

(A) IN GENERAL.—This subsection and any regulations and orders of the Board of Governors under this subsection shall not be effective until 3 years after the date of enactment of this Act.

(B) EXTENSION AUTHORIZED.—The Board of Governors may extend the period specified in subparagraph (A) for not longer than an additional 2 years.

(f) ENHANCED PUBLIC DISCLOSURES.—The Board of Governors may prescribe, by regulation, periodic public disclosures by nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a) in order to support market evaluation of the risk profile, capital adequacy, and risk management capabilities thereof.

(g) SHORT-TERM DEBT LIMITS.—

(1) IN GENERAL.—In order to mitigate the risks that an over-accumulation of short-term debt could pose to financial companies and to the stability of the United States financial system, the Board of Governors may, by regulation, prescribe a limit on the amount of short-term debt, including off-balance sheet exposures, that may be accumulated by any bank holding company described in subsection (a) and any nonbank financial company supervised by the Board of Governors.

(2) BASIS OF LIMIT.—Any limit prescribed under paragraph (1) shall be based on the short-term debt of the company described in paragraph (1) as a percentage of capital stock and surplus of the company or on such other measure as the Board of Governors considers appropriate.

(3) SHORT-TERM DEBT DEFINED.—For purposes of this subsection, the term “short-term debt” means such liabilities with short-dated maturity that the Board of Governors identifies, by regulation, except that such term does not include insured deposits.

(4) RULEMAKING AUTHORITY.—In addition to prescribing regulations under paragraphs (1) and (3), the Board of Governors may prescribe such regulations, including definitions consistent with this subsection, and issue such orders, as may be necessary to carry out this subsection.

(5) AUTHORITY TO ISSUE EXEMPTIONS AND ADJUSTMENTS.—Notwithstanding the Bank Holding Company Act of 1956 (12 U.S.C. 1841 et seq.), the Board of Governors may, if it determines such action is necessary to ensure appropriate heightened prudential supervision, with respect to a company described in paragraph (1) that does not control an insured depository institution, issue to such company an exemption from or adjustment to the limit prescribed under paragraph (1).

(h) RISK COMMITTEE.—

(1) NONBANK FINANCIAL COMPANIES SUPERVISED BY THE BOARD OF GOVERNORS.—The Board of Governors shall require each nonbank financial company supervised by the Board of Governors that is a publicly traded company to establish a risk committee, as set forth in paragraph (3), not later than 1 year after the date of receipt of a notice of final determination under section 113(e)(3) with respect to such nonbank financial company supervised by the Board of Governors.

(2) CERTAIN BANK HOLDING COMPANIES.—

(A) MANDATORY REGULATIONS.—The Board of Governors shall issue regulations requiring each bank holding company that is a publicly traded company and that has total consolidated assets of not less than \$10,000,000,000 to establish a risk committee, as set forth in paragraph (3).

(B) PERMISSIVE REGULATIONS.—The Board of Governors may require each bank holding company that is a publicly traded company and that has total consolidated assets of less than \$10,000,000,000 to establish a risk committee, as set forth in paragraph (3), as determined necessary or appropriate by the Board of Governors to promote sound risk management practices.

(3) RISK COMMITTEE.—A risk committee required by this subsection shall—

(A) be responsible for the oversight of the enterprise-wide risk management practices of the nonbank financial company supervised by the Board of Governors or bank holding company described in subsection (a), as applicable;

(B) include such number of independent directors as the Board of Governors may determine appropriate, based on the nature of operations, size of assets, and other appropriate criteria related to the nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a), as applicable; and

(C) include at least 1 risk management expert having experience in identifying, assessing, and managing risk exposures of large, complex firms.

(4) RULEMAKING.—The Board of Governors shall issue final rules to carry out this subsection, not later than 1 year after the transfer date, to take effect not later than 15 months after the transfer date.

(i) STRESS TESTS.—

(1) BY THE BOARD OF GOVERNORS.—

(A) ANNUAL TESTS REQUIRED.—The Board of Governors, in coordination with the appropriate primary financial regulatory agencies and the Federal Insurance Office, shall conduct annual analyses in which nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a) are subject to evaluation of whether such companies have the capital, on a total consolidated basis, necessary to absorb losses as a result of adverse economic conditions.

(B) TEST PARAMETERS AND CONSEQUENCES.—The Board of Governors—

(i) shall provide for at least 3 different sets of conditions under which the evaluation required by this subsection shall be conducted, including baseline, adverse, and severely adverse;

(ii) may require the tests described in subparagraph (A) at bank holding companies and nonbank financial companies, in addition to those for which annual tests are required under subparagraph (A);

(iii) may develop and apply such other analytic techniques as are necessary to identify, measure, and monitor risks to the financial stability of the United States;

(iv) shall require the companies described in subparagraph (A) to update their resolution plans required under subsection (d)(1), as the Board of Governors determines appropriate, based on the results of the analyses; and

(v) shall publish a summary of the results of the tests required under subparagraph (A) or clause (ii) of this subparagraph.

(2) BY THE COMPANY.—

(A) REQUIREMENT.—A nonbank financial company supervised by the Board of Governors and a bank holding company described in subsection (a) shall conduct semi-annual stress tests. All other financial companies that have total consolidated assets of more than \$10,000,000,000 and are regulated by a primary Federal financial regulatory

agency shall conduct annual stress tests. The tests required under this subparagraph shall be conducted in accordance with the regulations prescribed under subparagraph (C).

(B) REPORT.—A company required to conduct stress tests under subparagraph (A) shall submit a report to the Board of Governors and to its primary financial regulatory agency at such time, in such form, and containing such information as the primary financial regulatory agency shall require.

(C) REGULATIONS.—Each Federal primary financial regulatory agency, in coordination with the Board of Governors and the Federal Insurance Office, shall issue consistent and comparable regulations to implement this paragraph that shall—

(i) define the term “stress test” for purposes of this paragraph;

(ii) establish methodologies for the conduct of stress tests required by this paragraph that shall provide for at least 3 different sets of conditions, including baseline, adverse, and severely adverse;

(iii) establish the form and content of the report required by subparagraph (B); and

(iv) require companies subject to this paragraph to publish a summary of the results of the required stress tests.

(j) LEVERAGE LIMITATION.—

(1) REQUIREMENT.—The Board of Governors shall require a bank holding company with total consolidated assets equal to or greater than \$50,000,000,000 or a nonbank financial company supervised by the Board of Governors to maintain a debt to equity ratio of no more than 15 to 1, upon a determination by the Council that such company poses a grave threat to the financial stability of the United States and that the imposition of such requirement is necessary to mitigate the risk that such company poses to the financial stability of the United States. Nothing in this paragraph shall apply to a Federal home loan bank.

(2) CONSIDERATIONS.—In making a determination under this subsection, the Council shall consider the factors described in subsections (a) and (b) of section 113 and any other risk-related factors that the Council deems appropriate.

(3) REGULATIONS.—The Board of Governors shall promulgate regulations to establish procedures and timelines for complying with the requirements of this subsection.

(k) INCLUSION OF OFF-BALANCE-SHEET ACTIVITIES IN COMPUTING CAPITAL REQUIREMENTS.—

(1) IN GENERAL.—In the case of any bank holding company described in subsection (a) or nonbank financial company supervised by the Board of Governors, the computation of capital for purposes of meeting capital requirements shall take into account any off-balance-sheet activities of the company.

(2) EXEMPTIONS.—If the Board of Governors determines that an exemption from the requirement under paragraph (1) is appropriate, the Board of Governors may exempt a company, or any transaction or transactions engaged in by such company, from the requirements of paragraph (1).

(3) OFF-BALANCE-SHEET ACTIVITIES DEFINED.—For purposes of this subsection, the term “off-balance-sheet activities” means an existing liability of a company that is not currently a balance sheet liability, but may become one upon the happening of some future event, including the following transactions, to the extent that they may create a liability:

(A) Direct credit substitutes in which a bank substitutes its own credit for a third party, including standby letters of credit.

(B) Irrevocable letters of credit that guarantee repayment of commercial paper or tax-exempt securities.

(C) Risk participations in bankers’ acceptances.

SEC. 166. EARLY REMEDIATION REQUIREMENTS.

(a) IN GENERAL.—The Board of Governors, in consultation with the Council and the Corporation, shall prescribe regulations establishing requirements to provide for the early remediation of financial distress of a nonbank financial company supervised by the Board of Governors or a bank holding company described in section 165(a), except that nothing in this subsection authorizes the provision of financial assistance from the Federal Government.

(b) PURPOSE OF THE EARLY REMEDIATION REQUIREMENTS.—The purpose of the early remediation requirements under subsection (a) shall be to establish a series of specific remedial actions to be taken by a nonbank financial company supervised by the Board of Governors or a bank holding company described in section 165(a) that is experiencing increasing financial distress, in order to minimize the probability that the company will become insolvent and the potential harm of such insolvency to the financial stability of the United States.

(c) REMEDIATION REQUIREMENTS.—The regulations prescribed by the Board of Governors under subsection (a) shall—

(1) define measures of the financial condition of the company, including regulatory capital, liquidity measures, and other forward-looking indicators; and

(2) establish requirements that increase in stringency as the financial condition of the company declines, including—

(A) requirements in the initial stages of financial decline, including limits on capital distributions, acquisitions, and asset growth; and

(B) requirements at later stages of financial decline, including a capital restoration plan and capital-raising requirements, limits on transactions with affiliates, management changes, and asset sales.

SEC. 167. AFFILIATIONS.

(a) AFFILIATIONS.—Nothing in this subtitle shall be construed to require a nonbank financial company supervised by the Board

of Governors, or a company that controls a nonbank financial company supervised by the Board of Governors, to conform the activities thereof to the requirements of section 4 of the Bank Holding Company Act of 1956 (12 U.S.C. 1843).

(b) REQUIREMENT.—

(1) IN GENERAL.—

(A) BOARD AUTHORITY.—If a nonbank financial company supervised by the Board of Governors conducts activities other than those that are determined to be financial in nature or incidental thereto under section 4(k) of the Bank Holding Company Act of 1956, the Board of Governors may require such company to establish and conduct all or a portion of such activities that are determined to be financial in nature or incidental thereto in or through an intermediate holding company established pursuant to regulation of the Board of Governors, not later than 90 days (or such longer period as the Board of Governors may deem appropriate) after the date on which the nonbank financial company supervised by the Board of Governors is notified of the determination of the Board of Governors under this section.

(B) NECESSARY ACTIONS.—Notwithstanding subparagraph (A), the Board of Governors shall require a nonbank financial company supervised by the Board of Governors to establish an intermediate holding company if the Board of Governors makes a determination that the establishment of such intermediate holding company is necessary to—

(i) appropriately supervise activities that are determined to be financial in nature or incidental thereto; or

(ii) to ensure that supervision by the Board of Governors does not extend to the commercial activities of such nonbank financial company.

(2) INTERNAL FINANCIAL ACTIVITIES.—For purposes of this subsection, activities that are determined to be financial in nature or incidental thereto under section 4(k) of the Bank Holding Company Act of 1956, as described in paragraph (1), shall not include internal financial activities, including internal treasury, investment, and employee benefit functions. With respect to any internal financial activity engaged in for the company or an affiliate and a non-affiliate of such company during the year prior to the date of enactment of this Act, such company (or an affiliate that is not an intermediate holding company or subsidiary of an intermediate holding company) may continue to engage in such activity, as long as not less than 2/3 of the assets or 2/3 of the revenues generated from the activity are from or attributable to such company or an affiliate, subject to review by the Board of Governors, to determine whether engaging in such activity presents undue risk to such company or to the financial stability of the United States.

(3) SOURCE OF STRENGTH.—A company that directly or indirectly controls an intermediate holding company established under this section shall serve as a source of strength to its subsidiary intermediate holding company.

(4) PARENT COMPANY REPORTS.—The Board of Governors may, from time to time, require reports under oath from a

company that controls an intermediate holding company, and from the appropriate officers or directors of such company, solely for purposes of ensuring compliance with the provisions of this section, including assessing the ability of the company to serve as a source of strength to its subsidiary intermediate holding company pursuant to paragraph (3) and enforcing such compliance.

(5) LIMITED PARENT COMPANY ENFORCEMENT.—

(A) IN GENERAL.—In addition to any other authority of the Board of Governors, the Board of Governors may enforce compliance with the provisions of this subsection that are applicable to any company described in paragraph (1) that controls an intermediate holding company under section 8 of the Federal Deposit Insurance Act, and such company shall be subject to such section (solely for such purposes) in the same manner and to the same extent as if such company were a bank holding company.

(B) APPLICATION OF OTHER ACT.—Any violation of this subsection by any company that controls an intermediate holding company may also be treated as a violation of the Federal Deposit Insurance Act for purposes of subparagraph (A).

(C) NO EFFECT ON OTHER AUTHORITY.—No provision of this paragraph shall be construed as limiting any authority of the Board of Governors or any other Federal agency under any other provision of law.

(c) REGULATIONS.—The Board of Governors—

(1) shall promulgate regulations to establish the criteria for determining whether to require a nonbank financial company supervised by the Board of Governors to establish an intermediate holding company under subsection (b); and

(2) may promulgate regulations to establish any restrictions or limitations on transactions between an intermediate holding company or a nonbank financial company supervised by the Board of Governors and its affiliates, as necessary to prevent unsafe and unsound practices in connection with transactions between such company, or any subsidiary thereof, and its parent company or affiliates that are not subsidiaries of such company, except that such regulations shall not restrict or limit any transaction in connection with the bona fide acquisition or lease by an unaffiliated person of assets, goods, or services.

SEC. 168. REGULATIONS.

The Board of Governors shall have authority to issue regulations to implement subtitles A and C and the amendments made thereunder. Except as otherwise specified in subtitle A or C, not later than 18 months after the effective date of this Act, the Board of Governors shall issue final regulations to implement subtitles A and C, and the amendments made thereunder.

SEC. 169. AVOIDING DUPLICATION.

The Board of Governors shall take any action that the Board of Governors deems appropriate to avoid imposing requirements under this subtitle that are duplicative of requirements applicable to bank holding companies and nonbank financial companies under other provisions of law.

SEC. 170. SAFE HARBOR.

(a) **REGULATIONS.**—The Board of Governors shall promulgate regulations on behalf of, and in consultation with, the Council setting forth the criteria for exempting certain types or classes of U.S. nonbank financial companies or foreign nonbank financial companies from supervision by the Board of Governors.

(b) **CONSIDERATIONS.**—In developing the criteria under subsection (a), the Board of Governors shall take into account the factors for consideration described in subsections (a) and (b) of section 113 in determining whether a U.S. nonbank financial company or foreign nonbank financial company shall be supervised by the Board of Governors.

(c) **RULE OF CONSTRUCTION.**—Nothing in this section shall be construed to require supervision by the Board of Governors of a U.S. nonbank financial company or foreign nonbank financial company, if such company does not meet the criteria for exemption established under subsection (a).

(d) **REVISIONS.**—

(1) **IN GENERAL.**—The Board of Governors shall, in consultation with the Council, review the regulations promulgated under subsection (a), not less frequently than every 5 years, and based upon the review, the Board of Governors may revise such regulations on behalf of, and in consultation with, the Council to update as necessary the criteria set forth in such regulations.

(2) **TRANSITION PERIOD.**—No revisions under paragraph (1) shall take effect before the end of the 2-year period after the date of publication of such revisions in final form.

(e) **REPORT.**—The Chairman of the Board of Governors and the Chairperson of the Council shall submit a joint report to the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Financial Services of the House of Representatives not later than 30 days after the date of the issuance in final form of regulations under subsection (a), or any subsequent revision to such regulations under subsection (d), as applicable. Such report shall include, at a minimum, the rationale for exemption and empirical evidence to support the criteria for exemption.

SEC. 171. LEVERAGE AND RISK-BASED CAPITAL REQUIREMENTS.

(a) **DEFINITIONS.**—For purposes of this section, the following definitions shall apply:

(1) **GENERALLY APPLICABLE LEVERAGE CAPITAL REQUIREMENTS.**—The term “generally applicable leverage capital requirements” means—

(A) the minimum ratios of tier 1 capital to average total assets, as established by the appropriate Federal banking agencies to apply to insured depository institutions under the prompt corrective action regulations implementing section 38 of the Federal Deposit Insurance Act, regardless of total consolidated asset size or foreign financial exposure; and

(E) MEASURE OF DAMAGES FOR REPUDIATION OR DISAFFIRMANCE OF CONTINGENT OBLIGATION.—In the case of any contingent obligation of a covered financial company consisting of any obligation under a guarantee, letter of credit, loan commitment, or similar credit obligation, the Corporation may, by rule or regulation, prescribe that actual direct compensatory damages shall be no less than the estimated value of the claim as of the date the Corporation was appointed receiver of the covered financial company, as such value is measured based on the likelihood

that such contingent claim would become fixed and the probable magnitude thereof.

(4) LEASES UNDER WHICH THE COVERED FINANCIAL COMPANY IS THE LESSEE.—

(D) BURDEN OF PROOF.—In any hearing under this paragraph, the Corporation has the burden of proof on the issue of adequate protection.

(E) QUALIFIED FINANCIAL CONTRACTS.—No credit or debt obtained or issued by a bridge financial company may contain terms that impair the rights of a counterparty to a qualified financial contract upon a default by the bridge financial company, other than the priority of such counterparty's unsecured claim (after the exercise of rights) relative to the priority of the bridge financial company's obligations in respect of such credit or debt, unless such counterparty consents in writing to any such impairment.

(17) EFFECT ON DEBTS AND LIENS.—The reversal or modification on appeal of an authorization under this subsection to obtain credit or issue debt, or of a grant under this section of a priority or a lien, does not affect the validity of any debt so issued, or any priority or lien so granted, to an entity that extended such credit in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and the issuance of such debt, or the granting of such priority or lien, were stayed pending appeal.

As far as practicable, the court shall give such case priority on its docket.

(3) JUDICIAL DISCRETION.—The court may modify the schedule and limitations stated in paragraphs (1) and (2) in a particular case, based on a specific finding that the ends of justice that would be served by making such a modification would outweigh the best interest of the public in having the case resolved expeditiously.

(k) FOREIGN INVESTIGATIONS.—The Corporation, as receiver for any covered financial company, and for purposes of carrying out any power, authority, or duty with respect to a covered financial company—

(1) may request the assistance of any foreign financial authority and provide assistance to any foreign financial authority in accordance with section 8(v) of the Federal Deposit Insurance Act, as if the covered financial company were an insured depository institution, the Corporation were the appropriate Federal banking agency for the company, and any foreign financial authority were the foreign banking authority; and

(l) PROHIBITION ON ENTERING SECRECY AGREEMENTS AND PROTECTIVE ORDERS.—The Corporation may not enter into any agreement or approve any protective order which prohibits the Corporation from disclosing the terms of any settlement of an administrative or other action for damages or restitution brought by the Corporation in its capacity as receiver for a covered financial company.

The interest on and the proceeds from the sale or redemption of such obligations shall be credited to the Fund.

(C) INTEREST RATE.—Each purchase of obligations by the Secretary under this paragraph shall be upon such terms and conditions as to yield a return at a rate determined by the Secretary, taking into consideration the current average yield on outstanding marketable obligations of the United States of comparable maturity, plus an

interest rate surcharge to be determined by the Secretary, which shall be greater than the difference between—

The orderly liquidation plan shall take into account actions to avoid or mitigate potential adverse effects on low income, minority, or underserved communities affected by the failure of the covered financial company, and shall provide for coordination with the primary financial regulatory agencies, as appropriate, to ensure that such actions are taken. The Corporation may, at any time, amend any orderly liquidation plan approved by the Secretary with the concurrence of the Secretary.

(B) MANDATORY REPAYMENT PLAN.—

(i) IN GENERAL.—No amount authorized under paragraph (6)(B) may be provided by the Secretary to the Corporation under paragraph (5), unless an agreement is in effect between the Secretary and the Corporation that—

(I) provides a specific plan and schedule to achieve the repayment of the outstanding amount of any borrowing under paragraph (5); and

(II) demonstrates that income to the Corporation from the liquidated assets of the covered financial company and assessments under subsection (o) will be sufficient to amortize the outstanding balance within the period established in the repayment schedule and pay the interest accruing on such balance within the time provided in subsection (o)(1)(B).

(I) consult with the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Financial Services of the House of Representatives on the terms of any repayment schedule agreement; and

“(b) STUDY AND RULEMAKING.—

“(1) STUDY.—Not later than 6 months after the date of enactment of this section, the Financial Stability Oversight Council shall study and make recommendations on implementing the provisions of this section so as to—

“(C) limit the inappropriate transfer of Federal subsidies from institutions that benefit from deposit insurance and liquidity facilities of the Federal Government to unregulated entities;

to this section or 2 years after the date on which the entity or company becomes a nonbank financial company supervised by the Board. The Board may, by rule or order, extend this two-year period for not more than one year at a time, if, in the judgment of the Board, such an extension is consistent with the purposes of this section and would not be detrimental to the public interest. The extensions made by the Board under the preceding sentence may not exceed an aggregate of 3 years.

“(3) EXTENDED TRANSITION FOR ILLIQUID FUNDS.—

“(A) APPLICATION.—The Board may, upon the application of a banking entity, extend the period during which the banking entity, to the extent necessary to fulfill a contractual obligation that was in effect on May 1, 2010, may take or retain its equity, partnership, or other ownership interest in, or otherwise provide additional capital to, an illiquid fund.

“(6) SPECIAL RULEMAKING.—Not later than 6 months after the date of enactment of this section, the Board shall issue rules to implement paragraphs (2) and (3).

“(d) PERMITTED ACTIVITIES.—

“(1) IN GENERAL.—Notwithstanding the restrictions under subsection (a), to the extent permitted by any other provision of Federal or State law, and subject to the limitations under paragraph (2) and any restrictions or limitations that the appropriate Federal banking agencies, the Securities and Exchange Commission, and the Commodity Futures Trading Commission, may determine, the following activities (in this section referred to as ‘permitted activities’) are permitted:

“(B) The purchase, sale, acquisition, or disposition of securities and other instruments described in subsection (h)(4) in connection with underwriting or market-making-related activities, to the extent that any such activities permitted by this subparagraph are designed not to exceed the reasonably expected near term demands of clients, customers, or counterparties.

“(C) Risk-mitigating hedging activities in connection with and related to individual or aggregated positions, contracts, or other holdings of a banking entity that are designed to reduce the specific risks to the banking entity in connection with and related to such positions, contracts, or other holdings.

“(F) The purchase, sale, acquisition, or disposition of securities and other instruments described in subsection (h)(4) by a regulated insurance company directly engaged in the business of insurance for the general account of the company and by any affiliate of such regulated insurance company, provided that such activities by any affiliate are solely for the general account of the regulated insurance company, if—

“(i) the purchase, sale, acquisition, or disposition is conducted in compliance with, and subject to, the insurance company investment laws, regulations, and written guidance of the State or jurisdiction in which each such insurance company is domiciled; and

“(ii) the appropriate Federal banking agencies, after consultation with the Financial Stability Oversight Council and the relevant insurance commissioners of the States and territories of the United States, have not jointly determined, after notice and comment, that a particular law, regulation, or written guidance described in clause (i) is insufficient to protect the safety and soundness of the banking entity, or of the financial stability of the United States.

“(G) Organizing and offering a private equity or hedge fund, including serving as a general partner, managing member, or trustee of the fund and in any manner selecting or controlling (or having employees, officers, directors, or agents who constitute) a majority of the directors, trustees,

“(viii) the banking entity discloses to prospective and actual investors in the fund, in writing, that any losses in such hedge fund or private equity fund are borne solely by investors in the fund and not by the banking entity, and otherwise complies with any additional rules of the appropriate Federal banking agencies, the Securities and Exchange Commission, or the Commodity Futures Trading Commission, as provided in subsection (b)(2), designed to ensure that losses in such hedge fund or private equity fund are borne solely by investors in the fund and not by the banking entity.

“(H) Proprietary trading conducted by a banking entity pursuant to paragraph (9) or (13) of section 4(c), provided that the trading occurs solely outside of the United States and that the banking entity is not directly or indirectly controlled by a banking entity that is organized under the laws of the United States or of one or more States.

“(I) The acquisition or retention of any equity, partnership, or other ownership interest in, or the sponsorship of, a hedge fund or a private equity fund by a banking entity pursuant to paragraph (9) or (13) of section 4(c)

“(J) Such other activity as the appropriate Federal banking agencies, the Securities and Exchange Commission, and the Commodity Futures Trading Commission determine, by rule, as provided in subsection (b)(2), would promote and protect the safety and soundness of the banking entity and the financial stability of the United States.

“(2) LIMITATION ON PERMITTED ACTIVITIES.—

“(A) IN GENERAL.—No transaction, class of transactions, or activity may be deemed a permitted activity under paragraph (1) if the transaction, class of transactions, or activity—

“(i) would involve or result in a material conflict of interest (as such term shall be defined by rule as provided in subsection (b)(2)) between the banking entity and its clients, customers, or counterparties;

“(ii) would result, directly or indirectly, in a material exposure by the banking entity to high-risk assets or high-risk trading strategies (as such terms shall be defined by rule as provided in subsection (b)(2));

“(iii) would pose a threat to the safety and soundness of such banking entity; or

“(iv) would pose a threat to the financial stability of the United States.

“(B) RULEMAKING.—The appropriate Federal banking agencies, the Securities and Exchange Commission, and the Commodity Futures Trading Commission shall issue regulations to implement subparagraph (A), as part of the regulations issued under subsection (b)(2).

“(3) CAPITAL AND QUANTITATIVE LIMITATIONS.—The appropriate Federal banking agencies, the Securities and Exchange Commission, and the Commodity Futures Trading Commission shall, as provided in subsection (b)(2), adopt rules imposing additional capital requirements and quantitative limitations, including diversification requirements, regarding the activities permitted under this section if the appropriate Federal banking agencies, the Securities and Exchange Commission, and the Commodity Futures Trading Commission determine that additional capital and quantitative limitations are appropriate to protect the safety and soundness of banking entities engaged in such activities.

“(4) DE MINIMIS INVESTMENT.—

“(A) IN GENERAL.—A banking entity may make and retain an investment in a hedge fund or private equity fund that the banking entity organizes and offers, subject to the limitations and restrictions in subparagraph (B) for the purposes of—

“(i) establishing the fund and providing the fund with sufficient initial equity for investment to permit the fund to attract unaffiliated investors; or

“(ii) making a de minimis investment.

“(B) LIMITATIONS AND RESTRICTIONS ON INVESTMENTS.—

“(i) REQUIREMENT TO SEEK OTHER INVESTORS.—
A banking entity shall actively seek unaffiliated investors to reduce or dilute the investment of the banking entity to the amount permitted under clause (ii).

“(ii) LIMITATIONS ON SIZE OF INVESTMENTS.—Notwithstanding any other provision of law, investments by a banking entity in a hedge fund or private equity fund shall—

“(II) be immaterial to the banking entity, as defined, by rule, pursuant to subsection (b)(2), but in no case may the aggregate of all of the interests of the banking entity in all such funds exceed 3 percent of the Tier 1 capital of the banking entity.

“(iii) CAPITAL.—For purposes of determining compliance with applicable capital standards under paragraph (3), the aggregate amount of the outstanding investments by a banking entity under this paragraph, including retained earnings, shall be deducted from the assets and tangible equity of the banking entity, and the amount of the deduction shall increase commensurate with the leverage of the hedge fund or private equity fund.

“(C) EXTENSION.—Upon an application by a banking entity, the Board may extend the period of time to meet the requirements under subparagraph (B)(ii)(I) for 2 additional years, if the Board finds that an extension would be consistent with safety and soundness and in the public interest.

“(e) ANTI-EVASION.—

“(1) RULEMAKING.—The appropriate Federal banking agencies, the Securities and Exchange Commission, and the Commodity Futures Trading Commission shall issue regulations, as part of the rulemaking provided for in subsection (b)(2), regarding internal controls and recordkeeping, in order to insure compliance with this section.

“(2) TERMINATION OF ACTIVITIES OR INVESTMENT.—Notwithstanding any other provision of law, whenever an appropriate Federal banking agency, the Securities and Exchange Commission, or the Commodity Futures Trading Commission, as appropriate, has reasonable cause to believe that a banking entity or nonbank financial company supervised by the Board under the respective agency’s jurisdiction has made an investment or engaged in an activity in a manner that functions as an evasion of the requirements of this section (including through an abuse of any permitted activity) or otherwise violates the restrictions under this section, the appropriate Federal banking agency, the Securities and Exchange Commission, or the Commodity Futures Trading Commission, as appropriate, shall

order, after due notice and opportunity for hearing, the banking entity or nonbank financial company supervised by the Board to terminate the activity and, as relevant, dispose of the investment. Nothing in this paragraph shall be construed to limit the inherent authority of any Federal agency or State regulatory authority to further restrict any investments or activities under otherwise applicable provisions of law.

“(f) LIMITATIONS ON RELATIONSHIPS WITH HEDGE FUNDS AND PRIVATE EQUITY FUNDS.—

“(1) IN GENERAL.—No banking entity that serves, directly or indirectly, as the investment manager, investment adviser, or sponsor to a hedge fund or private equity fund, or that organizes and offers a hedge fund or private equity fund pursuant to paragraph (d)(1)(G), and no affiliate of such entity, may enter into a transaction with the fund, or with any other hedge fund or private equity fund that is controlled by such fund, that would be a covered transaction, as defined in section 23A of the Federal Reserve Act (12 U.S.C. 371c), with the hedge fund or private equity fund, as if such banking entity and the affiliate thereof were a member bank and the hedge fund or private equity fund were an affiliate thereof.

“(2) TREATMENT AS MEMBER BANK.—A banking entity that serves, directly or indirectly, as the investment manager, investment adviser, or sponsor to a hedge fund or private equity fund, or that organizes and offers a hedge fund or private equity fund pursuant to paragraph (d)(1)(G), shall be subject to section 23B of the Federal Reserve Act (12 U.S.C. 371c-1), as if such banking entity were a member bank and such hedge fund or private equity fund were an affiliate thereof.

“(3) PERMITTED SERVICES.—

“(A) IN GENERAL.—Notwithstanding paragraph (1), the Board may permit a banking entity to enter into any prime brokerage transaction with any hedge fund or private equity fund in which a hedge fund or private equity fund managed, sponsored, or advised by such banking entity has taken an equity, partnership, or other ownership interest, if—

“(ii) the chief executive officer (or equivalent officer) of the banking entity certifies in writing annually (with a duty to update the certification if the information in the certification materially changes) that the conditions specified in subsection (d)(1)(g)(v) are satisfied; and

“(iii) the Board has determined that such transaction is consistent with the safe and sound operation and condition of the banking entity.

“(B) TREATMENT OF PRIME BROKERAGE TRANSACTIONS.—

For purposes of subparagraph (A), a prime brokerage transaction described in subparagraph (A) shall be subject to section 23B of the Federal Reserve Act (12 U.S.C. 371c-1) as if the counterparty were an affiliate of the banking entity.

“(4) APPLICATION TO NONBANK FINANCIAL COMPANIES SUPERVISED BY THE BOARD.—The appropriate Federal banking agencies, the Securities and Exchange Commission, and the Commodity Futures Trading Commission shall adopt rules, as provided in subsection (b)(2), imposing additional capital charges or other restrictions for nonbank financial companies supervised by the Board to address the risks to and conflicts of interest of banking entities described in paragraphs (1), (2), and (3) of this subsection.

“(g) RULES OF CONSTRUCTION.—

“(1) LIMITATION ON CONTRARY AUTHORITY.—Except as provided in this section, notwithstanding any other provision of law, the prohibitions and restrictions under this section shall apply to activities of a banking entity or nonbank financial company supervised by the Board, even if such activities are authorized for a banking entity or nonbank financial company supervised by the Board.

“(2) SALE OR SECURITIZATION OF LOANS.—Nothing in this section shall be construed to limit or restrict the ability of a banking entity or nonbank financial company supervised by the Board to sell or securitize loans in a manner otherwise permitted by law.

“(ii) provide for non-discriminatory clearing of a swap (but not a contract of sale of a commodity for future delivery or option on such contract) executed bilaterally or on or through the rules of an unaffiliated designated contract market or swap execution facility.

“(2) COMMISSION REVIEW.—

“(II) The availability of rule framework, capacity, operational expertise and resources, and credit support infrastructure to clear the contract on terms that are consistent with the material terms and trading conventions on which the contract is then traded.

“(III) The effect on the mitigation of systemic risk, taking into account the size of the market for such contract and the resources of the derivatives clearing organization available to clear the contract.

“(IV) The effect on competition, including appropriate fees and charges applied to clearing.

“(A) IN GENERAL.—After making a determination pursuant to paragraph (2)(B), the Commission, on application of a counterparty to a swap or on its own initiative, may stay the clearing requirement of paragraph (1) until the Commission completes a review of the terms of the swap (or the group, category, type, or class of swaps) and the clearing arrangement.

“(B) DEADLINE.—The Commission shall complete a review undertaken pursuant to subparagraph (A) not later than 90 days after issuance of the stay, unless the derivatives clearing organization that clears the swap, or group,

“(C) DETERMINATION.—Upon completion of the review undertaken pursuant to subparagraph (A), the Commission may—

“(i) determine, unconditionally or subject to such terms and conditions as the Commission determines to be appropriate, that the swap, or group, category, type, or class of swaps must be cleared pursuant to this subsection if it finds that such clearing is consistent with paragraph (2)(D); or

“(i) investigate the relevant facts and circumstances;

“(ii) within 30 days issue a public report containing the results of the investigation; and

“(C) EFFECT ON AUTHORITY.—Nothing in this paragraph—

“(ii) affects the authority of the Commission to enforce the open access provisions of paragraph (1)(B) with respect to a swap, group, category, type, or class of swaps that is listed for clearing by a derivatives clearing organization.

“(B) ARBITRAGE.—The extent to which the price for the swap is sufficiently related to the price of another contract traded on a regulated market based upon the same underlying commodity so as to permit market participants to effectively arbitrage between the markets by simultaneously maintaining positions or executing trades in the swaps on a frequent and recurring basis.

“(C) MATERIAL PRICE REFERENCE.—The extent to which, on a frequent and recurring basis, bids, offers, or transactions in a contract traded on a regulated market are directly based on, or are determined by referencing, the price generated by the swap.

“(D) MATERIAL LIQUIDITY.—The extent to which the volume of swaps being traded in the commodity is sufficient to have a material effect on another contract traded on a regulated market.

“(E) OTHER MATERIAL FACTORS.—Such other material factors as the Commission specifies by rule or regulation as relevant to determine whether a swap serves a significant price discovery function with respect to a regulated market.

“(5) ECONOMICALLY EQUIVALENT CONTRACTS.—

“(A) Notwithstanding any other provision of this section, the Commission shall establish limits on the amount of positions, including aggregate position limits, as appropriate, other than bona fide hedge positions, that may be held by any person with respect to swaps that are economically equivalent to contracts of sale for future delivery or to options on the contracts or commodities traded on or subject to the rules of a designated contract market subject to paragraph (2).

“(B) In establishing limits pursuant to subparagraph (A), the Commission shall—

“(C) swap contracts that perform or affect a significant price discovery function with respect to regulated entities.

“(7) EXEMPTIONS.—The Commission, by rule, regulation, or order, may exempt, conditionally or unconditionally, any person or class of persons, any swap or class of swaps, any contract of sale of a commodity for future delivery or class of such contracts, any option or class of options, or any transaction or class of transactions from any requirement it may establish under this section with respect to position limits.”.

“(i) who is not a security-based swap dealer; and

“(ii)(I) who maintains a substantial position in security-based swaps for any of the major security-based swap categories, as such categories are determined by the Commission, excluding both positions held for hedging or mitigating commercial risk and positions maintained by any employee benefit plan (or any contract held by such a plan) as defined in paragraphs (3) and (32) of section 3 of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1002) for the primary purpose of hedging or mitigating any risk directly associated with the operation of the plan;

clearing requirement under subsection (a)(1) shall apply to the submission.

“(4) DETERMINATION.—

“(A) In reviewing a submission made under paragraph (2), the Commission shall review whether the submission is consistent with section 17A.

“(B) In reviewing a security-based swap, group of security-based swaps or class of security-based swaps pursuant to paragraph (1) or a submission made under paragraph (2), the Commission shall take into account the following factors:

“(i) The existence of significant outstanding notional exposures, trading liquidity and adequate pricing data.

“(ii) The availability of rule framework, capacity, operational expertise and resources, and credit support infrastructure to clear the contract on terms that are consistent with the material terms and trading conventions on which the contract is then traded.

“(iii) The effect on the mitigation of systemic risk, taking into account the size of the market for such contract and the resources of the clearing agency available to clear the contract.

“(iv) The effect on competition, including appropriate fees and charges applied to clearing.

“(v) The existence of reasonable legal certainty in the event of the insolvency of the relevant clearing agency or 1 or more of its clearing members with regard to the treatment of customer and security-based swap counterparty positions, funds, and property.

“(C) In making a determination under subsection (b)(1) or paragraph (2)(C) that the clearing requirement shall apply, the Commission may require such terms and conditions to the requirement as the Commission determines to be appropriate.

“(5) RULES.—Not later than 1 year after the date of the enactment of this section, the Commission shall adopt rules for a clearing agency’s submission for review, pursuant to this subsection, of a security-based swap, or a group, category, type, or class of security-based swaps, that it seeks to accept for clearing. Nothing in this paragraph limits the Commission from making a determination under paragraph (2)(C) for security-based swaps described in paragraph (2)(B).

“(c) STAY OF CLEARING REQUIREMENT.—

“(1) IN GENERAL.—After making a determination pursuant to subsection (b)(2), the Commission, on application of a counterparty to a security-based swap or on its own initiative, may stay the clearing requirement of subsection (a)(1) until the Commission completes a review of the terms of the security-based swap (or the group, category, type, or class of security-based swaps) and the clearing arrangement.

“(2) DEADLINE.—The Commission shall complete a review undertaken pursuant to paragraph (1) not later than 90 days after issuance of the stay, unless the clearing agency that clears the security-based swap, or group, category, type, or class of security-based swaps, agrees to an extension of the time limitation established under this paragraph.

“(3) DETERMINATION.—Upon completion of the review undertaken pursuant to paragraph (1), the Commission may—

“(A) determine, unconditionally or subject to such terms and conditions as the Commission determines to be appropriate, that the security-based swap, or group, category, type, or class of security-based swaps, must be cleared pursuant to this subsection if it finds that such clearing is consistent with subsection (b)(4); or

“(B) determine that the clearing requirement of subsection (a)(1) shall not apply to the security-based swap, or group, category, type, or class of security-based swaps.

“(4) RULES.—Not later than 1 year after the date of the enactment of this section, the Commission shall adopt rules for reviewing, pursuant to this subsection, a clearing agency’s clearing of a security-based swap, or a group, category, type, or class of security-based swaps, that it has accepted for clearing.

“(A) investigate the relevant facts and circumstances;

“(B) within 30 days issue a public report containing the results of the investigation; and

“(C) take such actions as the Commission determines to be necessary and in the public interest, which may include requiring the retaining of adequate margin or capital by parties to the security-based swap or the group, category, type, or class of security-based swaps.

“(3) EFFECT ON AUTHORITY.—Nothing in this subsection—

“(A) authorizes the Commission to adopt rules requiring a clearing agency to list for clearing a security-based swap or any group, category, type, or class of security-based swaps if the clearing of the security-based swap or the group, category, type, or class of security-based swaps would threaten the financial integrity of the clearing agency; and

“(B) affects the authority of the Commission to enforce the open access provisions of subsection (a)(2) with respect to a security-based swap or the group, category, type, or class of security-based swaps that is listed for clearing by a clearing agency.

“(e) REPORTING TRANSITION RULES.—Rules adopted by the Commission under this section shall provide for the reporting of data, as follows:

(2) providing the Board of Governors an enhanced role in the supervision of risk management standards for systemically important financial market utilities;

SEC. 804. DESIGNATION OF SYSTEMIC IMPORTANCE.

(a) DESIGNATION.—

(1) FINANCIAL STABILITY OVERSIGHT COUNCIL.—The Council, on a nondelegable basis and by a vote of not fewer than $\frac{2}{3}$ of members then serving, including an affirmative vote by the Chairperson of the Council, shall designate those financial market utilities or payment, clearing, or settlement activities that the Council determines are, or are likely to become, systemically important.

(1) IN GENERAL.—The Council, on a nondelegable basis and by a vote of not fewer than $\frac{2}{3}$ of members then serving, including an affirmative vote by the Chairperson of the Council, shall rescind a designation of systemic importance for a designated financial market utility or designated activity if the Council determines that the utility or activity no longer meets the standards for systemic importance.

(2) EFFECT OF RESCISSION.—Upon rescission, the financial market utility or financial institutions conducting the activity will no longer be subject to the provisions of this title or any rules or orders prescribed under this title.

(A) the operations related to the payment, clearing, and settlement activities of designated financial market utilities; and

(B) the conduct of designated activities by financial institutions.

(2) SPECIAL PROCEDURES FOR DESIGNATED CLEARING ENTITIES AND DESIGNATED ACTIVITIES OF CERTAIN FINANCIAL INSTITUTIONS.—

(A) CFTC AND COMMISSION.—The Commodity Futures Trading Commission and the Commission may each prescribe regulations, in consultation with the Council and the Board of Governors, containing risk management standards, taking into consideration relevant international standards and existing prudential requirements, for those designated clearing entities and financial institutions engaged in designated activities for which each is the Supervisory Agency or the appropriate financial regulator, governing—

operational, or other risks to the financial markets or to the financial stability of the United States.

(C) WRITTEN DETERMINATION.—Any determination by the Board of Governors under subparagraph (B) shall be provided in writing to the Commodity Futures Trading Commission or the Commission, as applicable, and the Council, and shall explain why existing prudential requirements, considered as a whole, are insufficient to ensure that the operations and activities of the designated clearing entities or the activities of financial institutions described in subparagraph (B) will not pose significant liquidity, credit, operational, or other risks to the financial markets or to the financial stability of the United States. The Board of Governors' determination shall contain a detailed analysis supporting its findings and identify the specific prudential requirements that are insufficient.

(D) CFTC AND COMMISSION RESPONSE.—The Commodity Futures Trading Commission or the Commission, as applicable, shall within 60 days either object to the Board of Governors' determination with a detailed analysis as to why existing prudential requirements are sufficient, or submit an explanation to the Council and the Board of Governors describing the actions to be taken in response to the Board of Governors' determination.

(E) AUTHORIZATION.—Upon an affirmative vote by not fewer than 2/3 of members then serving on the Council, the Council shall either find that the response submitted under subparagraph (D) is sufficient, or require the Commodity Futures Trading Commission, or the Commission, as applicable, to prescribe such risk management standards as the Council determines is necessary to address the specific prudential requirements that are determined to be insufficient.”

(b) OBJECTIVES AND PRINCIPLES.—The objectives and principles for the risk management standards prescribed under subsection (a) shall be to—

- (1) promote robust risk management;
- (2) promote safety and soundness;

Act or the Securities and Exchange Commission under section 3C(a) of the Securities Exchange Act of 1934, including—

(b) ADVANCES.—The Board of Governors may authorize a Federal Reserve bank under section 10B of the Federal Reserve Act (12 U.S.C. 347b) to provide to a designated financial market utility discount and borrowing privileges only in unusual or exigent circumstances, upon the affirmative vote of a majority of the Board of Governors then serving (or such other number in accordance with the provisions of section 11(r)(2) of the Federal Reserve Act (12 U.S.C. 248(r)(2)) after consultation with the Secretary, and upon a showing by the designated financial market utility that it is unable to secure adequate credit accommodations from other banking institutions. All such discounts and borrowing privileges shall be subject to such other limitations, restrictions, and regulations as the Board of Governors may prescribe. Access to discount and borrowing privileges under section 10B of the Federal Reserve Act as authorized in this section does not require a designated

financial market utility to be or become a bank or bank holding company.

(c) EARNINGS ON FEDERAL RESERVE BALANCES.—A Federal Reserve Bank may pay earnings on balances maintained by or on behalf of a designated financial market utility in the same manner and to the same extent as the Federal Reserve Bank may pay earnings to a depository institution under the Federal Reserve Act, subject to any applicable rules, orders, standards, or guidelines prescribed by the Board of Governors.

(ii) the date the Supervisory Agency receives any further information it requests for consideration of the notice.

(H) REVIEW EXTENSION FOR NOVEL OR COMPLEX ISSUES.—The Supervisory Agency may, during the 60-day review period, extend the review period for an additional 60 days for proposed changes that raise novel or complex issues, subject to the Supervisory Agency providing the designated financial market utility with prompt written notice of the extension. Any extension under this subparagraph will extend the time periods under subparagraphs (E) and (G).

(I) CHANGE ALLOWED EARLIER IF NOTIFIED OF NO OBJECTION.—A designated financial market utility may implement a change in less than 60 days from the date of receipt of the notice of proposed change by the Supervisory Agency, or the date the Supervisory Agency receives any further information it requested, if the Supervisory Agency notifies the designated financial market utility in writing that it does not object to the proposed change and authorizes the designated financial market utility to implement the change on an earlier date, subject to any conditions imposed by the Supervisory Agency.

(2) EMERGENCY CHANGES.—

(A) IN GENERAL.—A designated financial market utility may implement a change that would otherwise require advance notice under this subsection if it determines that—

(i) an emergency exists; and

(ii) immediate implementation of the change is necessary for the designated financial market utility to continue to provide its services in a safe and sound manner.

(B) NOTICE REQUIRED WITHIN 24 HOURS.—The designated financial market utility shall provide notice of any such emergency change to its Supervisory Agency, as soon as practicable, which shall be no later than 24 hours after implementation of the change.

(B) the rules and orders prescribed under this title.

(b) SERVICE PROVIDERS.—Whenever a service integral to the operation of a designated financial market utility is performed for the designated financial market utility by another entity, whether an affiliate or non-affiliate and whether on or off the premises of the designated financial market utility, the Supervisory Agency may examine whether the provision of that service is in compliance with applicable law, rules, orders, and standards to the same extent as if the designated financial market utility were performing the service on its own premises.

(c) ENFORCEMENT.—For purposes of enforcing the provisions of this title, a designated financial market utility shall be subject to, and the appropriate Supervisory Agency shall have authority under the provisions of subsections (b) through (n) of section 8 of the Federal Deposit Insurance Act (12 U.S.C. 1818) in the same manner and to the same extent as if the designated financial market utility was an insured depository institution and the Supervisory Agency was the appropriate Federal banking agency for such insured depository institution.

(d) BOARD OF GOVERNORS INVOLVEMENT IN EXAMINATIONS.—

(1) BOARD OF GOVERNORS CONSULTATION ON EXAMINATION PLANNING.—The Supervisory Agency shall consult annually with the Board of Governors regarding the scope and methodology of any examination conducted under subsections (a) and (b). Any such recommendation for enforcement action shall provide a detailed analysis supporting the recommendation of the Board of Governors.

(2) CONSIDERATION.—The Supervisory Agency shall consider the recommendation of the Board of Governors and submit a response to the Board of Governors within 60 days.

(4) ENFORCEMENT ACTION.—Upon an affirmative vote by a majority of the Council in favor of the Board of Governors' recommendation under paragraph (3), the Council may require the Supervisory Agency to—

(A) exercise the enforcement authority referenced in subsection (c); and

(B) take enforcement action against the designated financial market utility.

(f) EMERGENCY ENFORCEMENT ACTIONS BY THE BOARD OF GOVERNORS.—

(1) IMMINENT RISK OF SUBSTANTIAL HARM.—The Board of Governors may, after consulting with the Supervisory Agency and upon an affirmative vote by a majority the Council, take enforcement action against a designated financial market utility if the Board of Governors has reasonable cause to conclude that—

(A) either—

(i) an action engaged in, or contemplated by, a designated financial market utility (including any change proposed by the designated financial market utility to its rules, procedures, or operations that would otherwise be subject to section 806(e)) poses an imminent risk of substantial harm to financial institutions, critical markets, or the broader financial system of the United States; or

(ii) the condition of a designated financial market utility poses an imminent risk of substantial harm to financial institutions, critical markets, or the broader financial system; and

(B) the imminent risk of substantial harm precludes the Board of Governors' use of the procedures in subsection (e).

(2) ENFORCEMENT AUTHORITY.—For purposes of taking enforcement action under paragraph (1), a designated financial market utility shall be subject to, and the Board of Governors shall have authority under the provisions of subsections (b) through (n) of section 8 of the Federal Deposit Insurance Act (12 U.S.C. 1818) in the same manner and to the same extent as if the designated financial market utility was an insured depository institution and the Board of Governors was the appropriate Federal banking agency for such insured depository institution.

SEC. 808. EXAMINATION OF AND ENFORCEMENT ACTIONS AGAINST FINANCIAL INSTITUTIONS SUBJECT TO STANDARDS FOR DESIGNATED ACTIVITIES.

(a) **EXAMINATION.**—The appropriate financial regulator is authorized to examine a financial institution subject to the standards prescribed under section 805(a) for a designated activity in order to determine the following:

The receipt of compensation based on commission or other standard compensation for the sale of securities shall not, in and of itself, be considered a violation of such standard applied to a broker or dealer. Nothing in this section shall require a broker or dealer or registered representative to have a continuing duty of care or loyalty to the customer after providing personalized investment advice about securities.

“(2) DISCLOSURE OF RANGE OF PRODUCTS OFFERED.—Where a broker or dealer sells only proprietary or other limited range of products, as determined by the Commission, the Commission may by rule require that such broker or dealer provide notice to each retail customer and obtain the consent or acknowledgment of the customer. Subtitle C—Improvements to the Regulation of Credit Rating Agencies

SEC. 931. FINDINGS.

Congress finds the following:

(1) Because of the systemic importance of credit ratings and the reliance placed on credit ratings by individual and institutional investors and financial regulators, the activities and performances of credit rating agencies, including nationally recognized statistical rating organizations, are matters of national public interest, as credit rating agencies are central to capital formation, investor confidence, and the efficient performance of the United States economy.

(2) Credit rating agencies, including nationally recognized statistical rating organizations, play a critical “gatekeeper” role in the debt market that is functionally similar to that of securities analysts, who evaluate the quality of securities in the equity market, and auditors, who review the financial statements of firms. Such role justifies a similar level of public oversight and accountability.

(3) Because credit rating agencies perform evaluative and analytical services on behalf of clients, much as other financial “gatekeepers” do, the activities of credit rating agencies are fundamentally commercial in character and should be subject to the same standards of liability and oversight as apply to auditors, securities analysts, and investment bankers.

(4) In certain activities, particularly in advising arrangers of structured financial products on potential ratings of such products, credit rating agencies face conflicts of interest that need to be carefully monitored and that therefore should be addressed explicitly in legislation in order to give clearer authority to the Securities and Exchange Commission.

(5) In the recent financial crisis, the ratings on structured financial products have proven to be inaccurate. This inaccuracy contributed significantly to the mismanagement of risks by financial institutions and investors, which in turn adversely impacted the health of the economy in the United States and around the world. Such inaccuracy necessitates increased accountability on the part of credit rating agencies.

SEC. 1027. LIMITATIONS ON AUTHORITIES OF THE BUREAU; PRESERVATION OF AUTHORITIES.

(a) **EXCLUSION FOR MERCHANTS, RETAILERS, AND OTHER SELLERS OF NONFINANCIAL GOODS OR SERVICES.—**

(1) **SALE OR BROKERAGE OF NONFINANCIAL GOOD OR SERVICE.—**The Bureau may not exercise any rulemaking, supervisory, enforcement or other authority under this title with respect to a person who is a merchant, retailer, or seller of any nonfinancial good or service and is engaged in the sale or brokerage of such nonfinancial good or service, except to the extent that such person is engaged in offering or providing any consumer financial product or service, or is otherwise subject to any enumerated consumer law or any law for which authorities are transferred under subtitle F or H.

(2) **OFFERING OR PROVISION OF CERTAIN CONSUMER FINANCIAL PRODUCTS OR SERVICES IN CONNECTION WITH THE SALE OR BROKERAGE OF NONFINANCIAL GOOD OR SERVICE.—**

(A) **IN GENERAL.—**Except as provided in subparagraph (B), and subject to subparagraph (C), the Bureau may not exercise any rulemaking, supervisory, enforcement, or other authority under this title with respect to a merchant, retailer, or seller of nonfinancial goods or services, but only to the extent that such person—

(i) extends credit directly to a consumer, in a case in which the good or service being provided is not itself a consumer financial product or service (other than credit described in this subparagraph), exclusively for the purpose of enabling that consumer to purchase such nonfinancial good or service directly from the merchant, retailer, or seller;

(ii) directly, or through an agreement with another person, collects debt arising from credit extended as described in clause (i); or

(iii) sells or conveys debt described in clause (i) that is delinquent or otherwise in default.

(B) **APPLICABILITY.—**Subparagraph (A) does not apply to any credit transaction or collection of debt, other than as described in subparagraph (C)(i), arising from a transaction described in subparagraph (A)—

(i) in which the merchant, retailer, or seller of nonfinancial goods or services assigns, sells or otherwise conveys to another person such debt owed by the consumer (except for a sale of debt that is delinquent or otherwise in default, as described in subparagraph (A)(iii));

(ii) in which the credit extended significantly exceeds the market value of the nonfinancial good or service provided, or the Bureau otherwise finds that the sale of the nonfinancial good or service is done as a subterfuge, so as to evade or circumvent the provisions of this title; or

(iii) in which the merchant, retailer, or seller of nonfinancial goods or services regularly extends credit and the credit is subject to a finance charge.

(C) LIMITATIONS.—

(i) IN GENERAL.—Notwithstanding subparagraph (B), subparagraph (A) shall apply with respect to a merchant, retailer, or seller of nonfinancial goods or services that is not engaged significantly in offering or providing consumer financial products or services.

(ii) EXCEPTION.—Subparagraph (A) and clause (i) of this subparagraph do not apply to any merchant, retailer, or seller of nonfinancial goods or services—

(I) if such merchant, retailer, or seller of nonfinancial goods or services is engaged in a transaction described in subparagraph (B)(i) or (B)(ii); or

(II) to the extent that such merchant, retailer, or seller is subject to any enumerated consumer law or any law for which authorities are transferred under subtitle F or H, but the Bureau may exercise such authority only with respect to that law.

(D) RULES.—

(i) AUTHORITY OF OTHER AGENCIES.—No provision of this title shall be construed as modifying, limiting, or superseding the supervisory or enforcement authority of the Federal Trade Commission or any other agency (other than the Bureau) with respect to credit extended, or the collection of debt arising from such extension, directly by a merchant or retailer to a consumer exclusively for the purpose of enabling that consumer to purchase nonfinancial goods or services directly from the merchant or retailer.

(ii) SMALL BUSINESSES.—A merchant, retailer, or seller of nonfinancial goods or services that would otherwise be subject to the authority of the Bureau solely by virtue of the application of subparagraph (B)(iii) shall be deemed not to be engaged significantly in offering or providing consumer financial products or services under subparagraph (C)(i), if such person—

(I) only extends credit for the sale of nonfinancial goods or services, as described in subparagraph (A)(i);

(II) retains such credit on its own accounts (except to sell or convey such debt that is delinquent or otherwise in default); and

(III) meets the relevant industry size threshold to be a small business concern, based on annual receipts, pursuant to section 3 of the Small Business Act (15 U.S.C. 632) and the implementing rules thereunder.

(iii) INITIAL YEAR.—A merchant, retailer, or seller of nonfinancial goods or services shall be deemed to meet the relevant industry size threshold described in clause (ii)(III) during the first year of operations of that business concern if, during that year, the

receipts of that business concern reasonably are expected to meet that size threshold.

(iv) OTHER STANDARDS FOR SMALL BUSINESS.—With respect to a merchant, retailer, or seller of nonfinancial goods or services that is classified on a basis other than annual receipts for the purposes of section 3 of the Small Business Act (15 U.S.C. 632) and the implementing rules thereunder, such merchant, retailer, or seller shall be deemed to meet the relevant industry size threshold described in clause (ii)(III) if such merchant, retailer, or seller meets the relevant industry size threshold to be a small business concern based on the number of employees, or other such applicable measure, established under that Act.

(E) EXCEPTION FROM STATE ENFORCEMENT.—To the extent that the Bureau may not exercise authority under this subsection with respect to a merchant, retailer, or seller of nonfinancial goods or services, no action by a State attorney general or State regulator with respect to a claim made under this title may be brought under subsection 1042(a), with respect to an activity described in any of clauses (i) through (iii) of subparagraph (A) by such merchant, retailer, or seller of nonfinancial goods or services.

(C) a Federal banking agency has advised that the proposed regulation is likely to present an unacceptable safety and soundness risk to insured depository institutions.

(3) EXPLANATION OF CONSIDERATIONS.—The Bureau—

(A) shall include a discussion of the considerations required in paragraph (2) in the Federal Register notice of a final regulation prescribed pursuant to this subsection; and

(B) whenever the Bureau determines not to prescribe a final regulation, shall publish an explanation of such determination in the Federal Register, and provide a copy of such explanation to each State that enacted a resolution in support of the proposed regulation, the Committee on Banking, Housing, and Urban Affairs of the Senate, and the Committee on Financial Services of the House of Representatives.

“SEC. 5136C. STATE LAW PREEMPTION STANDARDS FOR NATIONAL BANKS AND SUBSIDIARIES CLARIFIED.

“(a) DEFINITIONS.—For purposes of this section, the following definitions shall apply:

“(1) NATIONAL BANK.—The term ‘national bank’ includes—
“(A) any bank organized under the laws of the United States; and

“(B) any Federal branch established in accordance with the International Banking Act of 1978.

“(2) STATE CONSUMER FINANCIAL LAWS.—The term ‘State consumer financial law’ means a State law that does not directly or indirectly discriminate against national banks and that

directly and specifically regulates the manner, content, or terms and conditions of any financial transaction (as may be authorized for national banks to engage in), or any account related thereto, with respect to a consumer.

“(3) OTHER DEFINITIONS.—The terms ‘affiliate’, ‘subsidiary’, ‘includes’, and ‘including’ have the same meanings as in section 3 of the Federal Deposit Insurance Act.

“(b) PREEMPTION STANDARD.—

“(1) IN GENERAL.—State consumer financial laws are preempted, only if—

“(A) application of a State consumer financial law would have a discriminatory effect on national banks, in comparison with the effect of the law on a bank chartered by that State;

“(B) in accordance with the legal standard for preemption in the decision of the Supreme Court of the United States in *Barnett Bank of Marion County, N. A. v. Nelson, Florida Insurance Commissioner, et al.*, 517 U.S. 25 (1996), the State consumer financial law prevents or significantly interferes with the exercise by the national bank of its powers; and any preemption determination under this subparagraph may be made by a court, or by regulation or order of the Comptroller of the Currency on a case-by-case basis, in accordance with applicable law; or

“(C) the State consumer financial law is preempted by a provision of Federal law other than this title.

“(2) SAVINGS CLAUSE.—This title and section 24 of the Federal Reserve Act (12 U.S.C. 371) do not preempt, annul, or affect the applicability of any State law to any subsidiary or affiliate of a national bank (other than a subsidiary or affiliate that is chartered as a national bank).

“(3) CASE-BY-CASE BASIS.—

“(A) DEFINITION.—As used in this section the term ‘case-by-case basis’ refers to a determination pursuant to this section made by the Comptroller concerning the impact of a particular State consumer financial law on any national bank that is subject to that law, or the law of any other State with substantively equivalent terms.

“(B) CONSULTATION.—When making a determination on a case-by-case basis that a State consumer financial law of another State has substantively equivalent terms as one that the Comptroller is preempting, the Comptroller shall first consult with the Bureau of Consumer Financial Protection and shall take the views of the Bureau into account when making the determination.

“(4) RULE OF CONSTRUCTION.—This title does not occupy the field in any area of State law.

“(5) STANDARDS OF REVIEW.—

“(A) PREEMPTION.—A court reviewing any determinations made by the Comptroller regarding preemption of a State law by this title or section 24 of the Federal Reserve Act (12 U.S.C. 371) shall assess the validity of such determinations, depending upon the thoroughness evident in the consideration of the agency, the validity of the reasoning of the agency, the consistency with other valid determinations made by the agency, and other factors

which the court finds persuasive and relevant to its decision.

“(B) SAVINGS CLAUSE.—Except as provided in subparagraph (A), nothing in this section shall affect the deference that a court may afford to the Comptroller in making determinations regarding the meaning or interpretation of title LXII of the Revised Statutes of the United States or other Federal laws.

“(6) COMPTROLLER DETERMINATION NOT DELEGABLE.—Any regulation, order, or determination made by the Comptroller of the Currency under paragraph (1)(B) shall be made by the Comptroller, and shall not be delegable to another officer or employee of the Comptroller of the Currency.

“(c) SUBSTANTIAL EVIDENCE.—No regulation or order of the Comptroller of the Currency prescribed under subsection (b)(1)(B), shall be interpreted or applied so as to invalidate, or otherwise declare inapplicable to a national bank, the provision of the State consumer financial law, unless substantial evidence, made on the record of the proceeding, supports the specific finding regarding the preemption of such provision in accordance with the legal standard of the decision of the Supreme Court of the United States in *Barnett Bank of Marion County, N.A. v. Nelson, Florida Insurance Commissioner, et al.*, 517 U.S. 25 (1996).

“(d) PERIODIC REVIEW OF PREEMPTION DETERMINATIONS.—

“(1) IN GENERAL.—The Comptroller of the Currency shall periodically conduct a review, through notice and public comment, of each determination that a provision of Federal law preempts a State consumer financial law. The agency shall conduct such review within the 5-year period after prescribing or otherwise issuing such determination, and at least once during each 5-year period thereafter. After conducting the review of, and inspecting the comments made on, the determination, the agency shall publish a notice in the Federal Register announcing the decision to continue or rescind the determination or a proposal to amend the determination. Any such notice of a proposal to amend a determination and the subsequent resolution of such proposal shall comply with the procedures set forth in subsections (a) and (b) of section 5244 of the Revised Statutes of the United States (12 U.S.C. 43 (a), (b)).

The report submitted to the respective committees shall address whether the agency intends to continue, rescind, or propose to amend any determination that a provision of Federal law preempts a State consumer financial law, and the reasons therefor.

“(e) APPLICATION OF STATE CONSUMER FINANCIAL LAW TO SUBSIDIARIES AND AFFILIATES.—Notwithstanding any provision of this title or section 24 of Federal Reserve Act (12 U.S.C. 371), a State consumer financial law shall apply to a subsidiary or affiliate of a national bank (other than a subsidiary or affiliate that is chartered as a national bank) to the same extent that

the State consumer financial law applies to any person, corporation, or other entity subject to such State law.

“(f) **PRESERVATION OF POWERS RELATED TO CHARGING INTEREST.**—No provision of this title shall be construed as altering or otherwise affecting the authority conferred by section 5197 of the Revised Statutes of the United States (12 U.S.C. 85) for the charging of interest by a national bank at the rate allowed by the laws of the State, territory, or district where the bank is located, including with respect to the meaning of ‘interest’ under such provision.

“(g) **TRANSPARENCY OF OCC PREEMPTION DETERMINATIONS.**—The Comptroller of the Currency shall publish and update no less frequently than quarterly, a list of preemption determinations by the Comptroller of the Currency then in effect that identifies the activities and practices covered by each determination and the requirements and constraints determined to be preempted.”

(2) COMPLIANCE DURING PENDENCY.—The time permitted for compliance with the demand in whole or in part, as determined proper and ordered by the Bureau, shall not run during the pendency of a petition under paragraph (1) at the Bureau, except that such person shall comply with any portions of the demand not sought to be modified or set aside.

(3) SPECIFIC GROUNDS.—A petition under paragraph (1) shall specify each ground upon which the petitioner relies in seeking relief, and may be based upon any failure of the demand to comply with the provisions of this section, or upon any constitutional or other legal right or privilege of such person.

(g) CUSTODIAL CONTROL.—At any time during which any custodian is in custody or control of any documentary material, tangible things, reports, answers to questions, or transcripts of oral testimony given by any person in compliance with any civil investigative demand, such person may file, in the district court of the United States for the judicial district within which the office of such custodian is situated, and serve upon such custodian, a petition for an order of such court requiring the performance by such custodian of any duty imposed upon him by this section or rule promulgated by the Bureau.

SEC. 1053. HEARINGS AND ADJUDICATION PROCEEDINGS.

(a) IN GENERAL.—The Bureau is authorized to conduct hearings and adjudication proceedings with respect to any person in the manner prescribed by chapter 5 of title 5, United States Code in order to ensure or enforce compliance with—

(1) the provisions of this title, including any rules prescribed by the Bureau under this title; and

(2) any other Federal law that the Bureau is authorized to enforce, including an enumerated consumer law, and any regulations or order prescribed thereunder, unless such Federal law specifically limits the Bureau from conducting a hearing or adjudication proceeding and only to the extent of such limitation.

(b) SPECIAL RULES FOR CEASE-AND-DESIST PROCEEDINGS.—

(1) ORDERS AUTHORIZED.—

(A) IN GENERAL.—If, in the opinion of the Bureau, any covered person or service provider is engaging or has engaged in an activity that violates a law, rule, or any condition imposed in writing on the person by the Bureau, the Bureau may, subject to sections 1024, 1025, and 1026, issue and serve upon the covered person or service provider a notice of charges in respect thereof.

(B) CONTENT OF NOTICE.—The notice under subparagraph (A) shall contain a statement of the facts constituting the alleged violation or violations, and shall fix a time and place at which a hearing will be held to determine whether an order to cease and desist should issue against the covered person or service provider, such hearing to be held not earlier than 30 days nor later than 60 days after the date of service of such notice, unless an earlier or a later date is set by the Bureau, at the request of any party so served.

(C) CONSENT.—Unless the party or parties served under subparagraph (B) appear at the hearing personally or by a duly authorized representative, such person shall be deemed to have consented to the issuance of the cease-and-desist order.

(D) PROCEDURE.—In the event of consent under subparagraph (C), or if, upon the record, made at any such hearing, the Bureau finds that any violation specified in the notice of charges has been established, the Bureau may issue and serve upon the covered person or service provider an order to cease and desist from the violation or practice. Such order may, by provisions which may be mandatory or otherwise, require the covered person or service provider to cease and desist from the subject activity, and to take affirmative action to correct the conditions resulting from any such violation.

(2) EFFECTIVENESS OF ORDER.—A cease-and-desist order shall become effective at the expiration of 30 days after the date of service of an order under paragraph (1) upon the covered person or service provider concerned (except in the case of a cease-and-desist order issued upon consent, which shall become effective at the time specified therein), and shall remain effective and enforceable as provided therein, except to such extent as the order is stayed, modified, terminated, or set aside by action of the Bureau or a reviewing court.

(3) DECISION AND APPEAL.—Any hearing provided for in this subsection shall be held in the Federal judicial district or in the territory in which the residence or principal office or place of business of the person is located unless the person consents to another place, and shall be conducted in accordance with the provisions of chapter 5 of title 5 of the United States Code. After such hearing, and within 90 days after the Bureau has notified the parties that the case has been submitted to the Bureau for final decision, the Bureau shall render its decision (which shall include findings of fact upon which its decision is predicated) and shall issue and serve upon each party to the proceeding an order or orders consistent with the provisions of this section. Judicial review of any such order shall be exclusively as provided in this subsection. Unless a petition for review is timely filed in a court of appeals of the United States, as provided in paragraph (4), and thereafter until the record in the proceeding has been filed as provided in paragraph (4), the Bureau may at any time, upon such notice and in such manner as the Bureau shall determine proper, modify, terminate, or set aside any such order. Upon filing of the record as provided, the Bureau may modify, terminate, or set aside any such order with permission of the court.

(4) APPEAL TO COURT OF APPEALS.—Any party to any proceeding under this subsection may obtain a review of any order served pursuant to this subsection (other than an order issued with the consent of the person concerned) by the filing in the court of appeals of the United States for the circuit in which the principal office of the covered person is located, or in the United States Court of Appeals for the District of Columbia Circuit, within 30 days after the date of service of such order, a written petition praying that the order of the Bureau be modified, terminated, or set aside. A copy of such petition shall be forthwith transmitted by the clerk of the court to the Bureau, and thereupon the Bureau shall file in the court the record in the proceeding, as provided in section 2112 of title 28 of the United States Code. Upon the filing of such petition, such court shall have jurisdiction, which upon

the filing of the record shall except as provided in the last sentence of paragraph (3) be exclusive, to affirm, modify, terminate, or set aside, in whole or in part, the order of the Bureau. Review of such proceedings shall be had as provided in chapter 7 of title 5 of the United States Code. The judgment and decree of the court shall be final, except that the same shall be subject to review by the Supreme Court of the United States, upon certiorari, as provided in section 1254 of title 28 of the United States Code.

(5) NO STAY.—The commencement of proceedings for judicial review under paragraph (4) shall not, unless specifically ordered by the court, operate as a stay of any order issued by the Bureau.

(c) SPECIAL RULES FOR TEMPORARY CEASE-AND-DESIST PROCEEDINGS.—

(1) IN GENERAL.—Whenever the Bureau determines that the violation specified in the notice of charges served upon a person, including a service provider, pursuant to subsection (b), or the continuation thereof, is likely to cause the person to be insolvent or otherwise prejudice the interests of consumers before the completion of the proceedings conducted pursuant to subsection (b), the Bureau may issue a temporary order requiring the person to cease and desist from any such violation or practice and to take affirmative action to prevent or remedy such insolvency or other condition pending completion of such proceedings. Such order may include any requirement authorized under this subtitle. Such order shall become effective upon service upon the person and, unless set aside, limited, or suspended by a court in proceedings authorized by paragraph (2), shall remain effective and enforceable pending the completion of the administrative proceedings pursuant to such notice and until such time as the Bureau shall dismiss the charges specified in such notice, or if a cease-and-desist order is issued against the person, until the effective date of such order.

(2) APPEAL.—Not later than 10 days after the covered person or service provider concerned has been served with a temporary cease-and-desist order, the person may apply to the United States district court for the judicial district in which the residence or principal office or place of business of the person is located, or the United States District Court for the District of Columbia, for an injunction setting aside, limiting, or suspending the enforcement, operation, or effectiveness of such order pending the completion of the administrative proceedings pursuant to the notice of charges served upon the person under subsection (b), and such court shall have jurisdiction to issue such injunction.

(3) INCOMPLETE OR INACCURATE RECORDS.—

(A) TEMPORARY ORDER.—If a notice of charges served under subsection (b) specifies, on the basis of particular facts and circumstances, that the books and records of a covered person or service provider are so incomplete or inaccurate that the Bureau is unable to determine the financial condition of that person or the details or purpose of any transaction or transactions that may have a material effect on the financial condition of that person, the Bureau may issue a temporary order requiring—

(i) the cessation of any activity or practice which gave rise, whether in whole or in part, to the incomplete or inaccurate state of the books or records; or
(ii) affirmative action to restore such books or records to a complete and accurate state, until the completion of the proceedings under subsection (b)(1).

(B) EFFECTIVE PERIOD.—Any temporary order issued under subparagraph (A)—

(i) shall become effective upon service; and
(ii) unless set aside, limited, or suspended by a court in proceedings under paragraph (2), shall remain in effect and enforceable until the earlier of—

(I) the completion of the proceeding initiated under subsection (b) in connection with the notice of charges; or

(II) the date the Bureau determines, by examination or otherwise, that the books and records of the covered person or service provider are accurate and reflect the financial condition thereof.

(d) SPECIAL RULES FOR ENFORCEMENT OF ORDERS.—

(1) IN GENERAL.—The Bureau may in its discretion apply to the United States district court within the jurisdiction of which the principal office or place of business of the person is located, for the enforcement of any effective and outstanding notice or order issued under this section, and such court shall have jurisdiction and power to order and require compliance herewith.

(2) EXCEPTION.—Except as otherwise provided in this subsection, no court shall have jurisdiction to affect by injunction or otherwise the issuance or enforcement of any notice or order or to review, modify, suspend, terminate, or set aside any such notice or order.

(B) COORDINATION.—In order to avoid conflicts and promote consistency regarding litigation of matters under Federal law, the Attorney General and the Bureau shall consult regarding the coordination of investigations and proceedings, including by negotiating an agreement for coordination by not later than 180 days after the designated transfer date. The agreement under this subparagraph shall include provisions to ensure that parallel investigations and proceedings involving the Federal consumer financial laws are conducted in a manner that avoids conflicts and does not impede the ability of the Attorney General to prosecute violations of Federal criminal laws.

(C) RULE OF CONSTRUCTION.—Nothing in this paragraph shall be construed to limit the authority of the Bureau under this title, including the authority to interpret Federal consumer financial law.

(e) APPEARANCE BEFORE THE SUPREME COURT.—The Bureau may represent itself in its own name before the Supreme Court of the United States, provided that the Bureau makes a written request to the Attorney General within the 10-day period which begins on the date of entry of the judgment which would permit any party to file a petition for writ of certiorari, and the Attorney General concurs with such request or fails to take action within 60 days of the request of the Bureau.

(f) FORUM.—Any civil action brought under this title may be brought in a United States district court or in any court of competent jurisdiction of a state in a district in which the defendant is located or resides or is doing business, and such court shall have jurisdiction to enjoin such person and to require compliance with any Federal consumer financial law.

(g) TIME FOR BRINGING ACTION.—

(1) IN GENERAL.—Except as otherwise permitted by law or equity, no action may be brought under this title more than 3 years after the date of discovery of the violation to which an action relates.

(2) LIMITATIONS UNDER OTHER FEDERAL LAWS.—

(A) IN GENERAL.—An action arising under this title does not include claims arising solely under enumerated consumer laws.

(B) BUREAU AUTHORITY.—In any action arising solely under an enumerated consumer law, the Bureau may commence, defend, or intervene in the action in accordance with the requirements of that provision of law, as applicable.

(C) TRANSFERRED AUTHORITY.—In any action arising solely under laws for which authorities were transferred under subtitles F and H, the Bureau may commence, defend, or intervene in the action in accordance with the requirements of that provision of law, as applicable.

(b) RECOVERY OF COSTS.—In any action brought by the Bureau, a State attorney general, or any State regulator to enforce any Federal consumer financial law, the Bureau, the State attorney general, or the State regulator may recover its costs in connection with prosecuting such action if the Bureau, the State attorney general, or the State regulator is the prevailing party in the action.

(c) CIVIL MONEY PENALTY IN COURT AND ADMINISTRATIVE ACTIONS.—

(2) PENALTY AMOUNTS.—

(A) FIRST TIER.—For any violation of a law, rule, or final order or condition imposed in writing by the Bureau, a civil penalty may not exceed \$5,000 for each day during which such violation or failure to pay continues.

(B) SECOND TIER.—Notwithstanding paragraph (A), for any person that recklessly engages in a violation of a Federal consumer financial law, a civil penalty may not exceed \$25,000 for each day during which such violation continues.

(C) THIRD TIER.—Notwithstanding subparagraphs (A) and (B), for any person that knowingly violates a Federal consumer financial law, a civil penalty may not exceed \$1,000,000 for each day during which such violation continues.

(3) MITIGATING FACTORS.—In determining the amount of any penalty assessed under paragraph (2), the Bureau or the court shall take into account the appropriateness of the penalty with respect to—

- (A) the size of financial resources and good faith of the person charged;

(4) **AUTHORITY TO MODIFY OR REMIT PENALTY.**—The Bureau may compromise, modify, or remit any penalty which may be assessed or had already been assessed under paragraph (2). SEC. 1056. REFERRALS FOR CRIMINAL PROCEEDINGS.

If the Bureau obtains evidence that any person, domestic or foreign, has engaged in conduct that may constitute a violation of Federal criminal law, the Bureau shall transmit such evidence to the Attorney General of the United States, who may institute criminal proceedings under appropriate law. Nothing in this section affects any other authority of the Bureau to disclose information.

SEC. 1057. EMPLOYEE PROTECTION.

(a) **IN GENERAL.**—No covered person or service provider shall terminate or in any other way discriminate against, or cause to be terminated or discriminated against, any covered employee or any authorized representative of covered employees by reason of the fact that such employee or representative, whether at the initiative of the employee or in the ordinary course of the duties of the employee (or any person acting pursuant to a request of the employee), has—

(1) provided, caused to be provided, or is about to provide or cause to be provided, information to the employer, the Bureau, or any other State, local, or Federal, government authority or law enforcement agency relating to any violation of, or any act or omission that the employee reasonably believes to be a violation of, any provision of this title or any other provision of law that is subject to the jurisdiction of the Bureau, or any rule, order, standard, or prohibition prescribed by the Bureau;

(3) filed, instituted, or caused to be filed or instituted any proceeding under any Federal consumer financial law; or

(4) objected to, or refused to participate in, any activity, policy, practice, or assigned task that the employee (or other such person) reasonably believed to be in violation of any law,

rule, order, standard, or prohibition, subject to the jurisdiction of, or enforceable by, the Bureau.

(b) DEFINITION OF COVERED EMPLOYEE.—For the purposes of this section, the term “covered employee” means any individual performing tasks related to the offering or provision of a consumer financial product or service.

(c) PROCEDURES AND TIMETABLES.—

(1) COMPLAINT.—

(A) IN GENERAL.—A person who believes that he or she has been discharged or otherwise discriminated against by any person in violation of subsection (a) may, not later than 180 days after the date on which such alleged violation occurs, file (or have any person file on his or her behalf) a complaint with the Secretary of Labor alleging such discharge or discrimination and identifying the person responsible for such act.

(B) ACTIONS OF SECRETARY OF LABOR.—Upon receipt of such a complaint, the Secretary of Labor shall notify, in writing, the person named in the complaint who is alleged to have committed the violation, of—

- (i) the filing of the complaint;
- (ii) the allegations contained in the complaint;
- (iii) the substance of evidence supporting the complaint; and
- (iv) opportunities that will be afforded to such person under paragraph (2).

(2) INVESTIGATION BY SECRETARY OF LABOR.—

(A) IN GENERAL.—Not later than 60 days after the date of receipt of a complaint filed under paragraph (1), and after affording the complainant and the person named in the complaint who is alleged to have committed the violation that is the basis for the complaint an opportunity to submit to the Secretary of Labor a written response to the complaint and an opportunity to meet with a representative of the Secretary of Labor to present statements from witnesses, the Secretary of Labor shall—

- (i) initiate an investigation and determine whether there is reasonable cause to believe that the complaint has merit; and
- (ii) notify the complainant and the person alleged to have committed the violation of subsection (a), in writing, of such determination.

(B) NOTICE OF RELIEF AVAILABLE.—If the Secretary of Labor concludes that there is reasonable cause to believe that a violation of subsection (a) has occurred, the Secretary of Labor shall, together with the notice under subparagraph (A)(ii), issue a preliminary order providing the relief prescribed by paragraph (4)(B).

(C) REQUEST FOR HEARING.—Not later than 30 days after the date of receipt of notification of a determination of the Secretary of Labor under this paragraph, either the person alleged to have committed the violation or the complainant may file objections to the findings or preliminary order, or both, and request a hearing on the record. The filing of such objections shall not operate to stay any reinstatement remedy contained in the preliminary order. Any such hearing shall be conducted expeditiously, and

if a hearing is not requested in such 30-day period, the preliminary order shall be deemed a final order that is not subject to judicial review.

(3) GROUNDS FOR DETERMINATION OF COMPLAINTS.—

(A) IN GENERAL.—The Secretary of Labor shall dismiss a complaint filed under this subsection, and shall not conduct an investigation otherwise required under paragraph (2), unless the complainant makes a prima facie showing that any behavior described in paragraphs (1) through (4) of subsection (a) was a contributing factor in the unfavorable personnel action alleged in the complaint.

(B) REBUTTAL EVIDENCE.—Notwithstanding a finding by the Secretary of Labor that the complainant has made the showing required under subparagraph (A), no investigation otherwise required under paragraph (2) shall be conducted, if the employer demonstrates, by clear and convincing evidence, that the employer would have taken the same unfavorable personnel action in the absence of that behavior.

(C) EVIDENTIARY STANDARDS.—The Secretary of Labor may determine that a violation of subsection (a) has occurred only if the complainant demonstrates that any behavior described in paragraphs (1) through (4) of subsection (a) was a contributing factor in the unfavorable personnel action alleged in the complaint. Relief may not be ordered under subparagraph (A) if the employer demonstrates by clear and convincing evidence that the employer would have taken the same unfavorable personnel action in the absence of that behavior.

(4) ISSUANCE OF FINAL ORDERS; REVIEW PROCEDURES.—

(A) TIMING.—Not later than 120 days after the date of conclusion of any hearing under paragraph (2), the Secretary of Labor shall issue a final order providing the relief prescribed by this paragraph or denying the complaint. At any time before issuance of a final order, a proceeding under this subsection may be terminated on the basis of a settlement agreement entered into by the Secretary of Labor, the complainant, and the person alleged to have committed the violation.

(B) PENALTIES.—

(i) ORDER OF SECRETARY OF LABOR.—If, in response to a complaint filed under paragraph (1), the Secretary of Labor determines that a violation of subsection (a) has occurred, the Secretary of Labor shall order the person who committed such violation—

(I) to take affirmative action to abate the violation;

(II) to reinstate the complainant to his or her former position, together with compensation (including back pay) and restore the terms, conditions, and privileges associated with his or her employment; and

(III) to provide compensatory damages to the complainant.

(ii) PENALTY.—If an order is issued under clause (i), the Secretary of Labor, at the request of the complainant, shall assess against the person against

whom the order is issued, a sum equal to the aggregate amount of all costs and expenses (including attorney fees and expert witness fees) reasonably incurred, as determined by the Secretary of Labor, by the complainant for, or in connection with, the bringing of the complaint upon which the order was issued.

(C) PENALTY FOR FRIVOLOUS CLAIMS.—If the Secretary of Labor finds that a complaint under paragraph (1) is frivolous or has been brought in bad faith, the Secretary of Labor may award to the prevailing employer a reasonable attorney fee, not exceeding \$1,000, to be paid by the complainant.

(D) DE NOVO REVIEW.—

(i) FAILURE OF THE SECRETARY TO ACT.—If the Secretary of Labor has not issued a final order within 210 days after the date of filing of a complaint under this subsection, or within 90 days after the date of receipt of a written determination, the complainant may bring an action at law or equity for de novo review in the appropriate district court of the United States having jurisdiction, which shall have jurisdiction over such an action without regard to the amount in controversy, and which action shall, at the request of either party to such action, be tried by the court with a jury.

(ii) PROCEDURES.—A proceeding under clause (i) shall be governed by the same legal burdens of proof specified in paragraph (3). The court shall have jurisdiction to grant all relief necessary to make the employee whole, including injunctive relief and compensatory damages, including—

(I) reinstatement with the same seniority status that the employee would have had, but for the discharge or discrimination;

(II) the amount of back pay, with interest; and

(III) compensation for any special damages sustained as a result of the discharge or discrimination, including litigation costs, expert witness fees, and reasonable attorney fees.

(E) OTHER APPEALS.—Unless the complainant brings an action under subparagraph (D), any person adversely affected or aggrieved by a final order issued under subparagraph (A) may file a petition for review of the order in the United States Court of Appeals for the circuit in which the violation with respect to which the order was issued, allegedly occurred or the circuit in which the complainant resided on the date of such violation, not later than 60 days after the date of the issuance of the final order of the Secretary of Labor under subparagraph (A). Review shall conform to chapter 7 of title 5, United States Code. The commencement of proceedings under this subparagraph shall not, unless ordered by the court, operate as a stay of the order. An order of the Secretary of Labor with respect to which review could have been obtained under this subparagraph shall not be subject to judicial review in any criminal or other civil proceeding.

(5) FAILURE TO COMPLY WITH ORDER.—

(A) ACTIONS BY THE SECRETARY.—If any person has failed to comply with a final order issued under paragraph (4), the Secretary of Labor may file a civil action in the United States district court for the district in which the violation was found to have occurred, or in the United States district court for the District of Columbia, to enforce such order. In actions brought under this paragraph, the district courts shall have jurisdiction to grant all appropriate relief including injunctive relief and compensatory damages.

(B) CIVIL ACTIONS TO COMPEL COMPLIANCE.—A person on whose behalf an order was issued under paragraph (4) may commence a civil action against the person to whom such order was issued to require compliance with such order. The appropriate United States district court shall have jurisdiction, without regard to the amount in controversy or the citizenship of the parties, to enforce such order.

(C) AWARD OF COSTS AUTHORIZED.—The court, in issuing any final order under this paragraph, may award costs of litigation (including reasonable attorney and expert witness fees) to any party, whenever the court determines such award is appropriate.

(D) MANDAMUS PROCEEDINGS.—Any nondiscretionary duty imposed by this section shall be enforceable in a mandamus proceeding brought under section 1361 of title 28, United States Code.

(d) UNENFORCEABILITY OF CERTAIN AGREEMENTS.—

(1) NO WAIVER OF RIGHTS AND REMEDIES.—Except as provided under paragraph (3), and notwithstanding any other provision of law, the rights and remedies provided for in this section may not be waived by any agreement, policy, form, or condition of employment, including by any predispute arbitration agreement.

(2) NO PREDISPUTE ARBITRATION AGREEMENTS.—Except as provided under paragraph (3), and notwithstanding any other provision of law, no predispute arbitration agreement shall be valid or enforceable to the extent that it requires arbitration of a dispute arising under this section.

(3) EXCEPTION.—Notwithstanding paragraphs (1) and (2), an arbitration provision in a collective bargaining agreement shall be enforceable as to disputes arising under subsection (a)(4), unless the Bureau determines, by rule, that such provision is inconsistent with the purposes of this title.

Subtitle B—Minimum Standards For Mortgages

SEC. 1411. ABILITY TO REPAY.

(a) IN GENERAL.—

(1) RULE OF CONSTRUCTION.—No regulation, order, or guidance issued by the Bureau under this title shall be construed as requiring a depository institution to apply mortgage underwriting standards that do not meet the minimum underwriting standards required by the appropriate prudential regulator of the depository institution.

(2) AMENDMENT TO TRUTH IN LENDING ACT.—Chapter 2 of the Truth in Lending Act (15 U.S.C. 1631 et seq.) is amended by inserting after section 129B (as added by section 1402(a)) the following new section:

“§ 129C. Minimum standards for residential mortgage loans

“(a) ABILITY TO REPAY.—

“(1) IN GENERAL.—In accordance with regulations prescribed by the Board, no creditor may make a residential mortgage loan unless the creditor makes a reasonable and good faith determination based on verified and documented information that, at the time the loan is consummated, the consumer has a reasonable ability to repay the loan, according to its terms, and all applicable taxes, insurance (including mortgage guarantee insurance), and assessments.

“(2) MULTIPLE LOANS.—If the creditor knows, or has reason to know, that 1 or more residential mortgage loans secured

by the same dwelling will be made to the same consumer, the creditor shall make a reasonable and good faith determination, based on verified and documented information, that the consumer has a reasonable ability to repay the combined payments of all loans on the same dwelling according to the terms of those loans and all applicable taxes, insurance (including mortgage guarantee insurance), and assessments.

“(3) BASIS FOR DETERMINATION.—A determination under this subsection of a consumer’s ability to repay a residential mortgage loan shall include consideration of the consumer’s credit history, current income, expected income the consumer is reasonably assured of receiving, current obligations, debt-to-income ratio or the residual income the consumer will have after paying non-mortgage debt and mortgage-related obligations, employment status, and other financial resources other than the consumer’s equity in the dwelling or real property that secures repayment of the loan. A creditor shall determine the ability of the consumer to repay using a payment schedule that fully amortizes the loan over the term of the loan.

“(4) INCOME VERIFICATION.—A creditor making a residential mortgage loan shall verify amounts of income or assets that such creditor relies on to determine repayment ability, including expected income or assets, by reviewing the consumer’s Internal Revenue Service Form W-2, tax returns, payroll receipts, financial institution records, or other third-party documents that provide reasonably reliable evidence of the consumer’s income or assets. In order to safeguard against fraudulent reporting, any consideration of a consumer’s income history in making a determination under this subsection shall include the verification of such income by the use of—

“(A) Internal Revenue Service transcripts of tax returns; or

“(B) a method that quickly and effectively verifies income documentation by a third party subject to rules prescribed by the Board.

“(5) EXEMPTION.—With respect to loans made, guaranteed, or insured by Federal departments or agencies identified in subsection (b)(3)(B)(ii), such departments or agencies may exempt refinancings under a streamlined refinancing from this income verification requirement as long as the following conditions are met:

“(A) The consumer is not 30 days or more past due on the prior existing residential mortgage loan.

“(B) The refinancing does not increase the principal balance outstanding on the prior existing residential mortgage loan, except to the extent of fees and charges allowed by the department or agency making, guaranteeing, or insuring the refinancing.

“(C) Total points and fees (as defined in section 103(aa)(4), other than bona fide third party charges not retained by the mortgage originator, creditor, or an affiliate of the creditor or mortgage originator) payable in connection with the refinancing do not exceed 3 percent of the total new loan amount.

“(D) The interest rate on the refinanced loan is lower than the interest rate of the original loan, unless the borrower is refinancing from an adjustable rate to a fixed-

rate loan, under guidelines that the department or agency shall establish for loans they make, guarantee, or issue.

“(E) The refinancing is subject to a payment schedule that will fully amortize the refinancing in accordance with the regulations prescribed by the department or agency making, guaranteeing, or insuring the refinancing.

“(F) The terms of the refinancing do not result in a balloon payment, as defined in subsection (b)(2)(A)(ii).

“(G) Both the residential mortgage loan being refinanced and the refinancing satisfy all requirements of the department or agency making, guaranteeing, or insuring the refinancing.

“(6) NONSTANDARD LOANS.—

“(A) VARIABLE RATE LOANS THAT DEFER REPAYMENT OF ANY PRINCIPAL OR INTEREST.—For purposes of determining, under this subsection, a consumer’s ability to repay a variable rate residential mortgage loan that allows or requires the consumer to defer the repayment of any principal or interest, the creditor shall use a fully amortizing repayment schedule.

“(B) INTEREST-ONLY LOANS.—For purposes of determining, under this subsection, a consumer’s ability to repay a residential mortgage loan that permits or requires the payment of interest only, the creditor shall use the payment amount required to amortize the loan by its final maturity.

“(C) CALCULATION FOR NEGATIVE AMORTIZATION.—In making any determination under this subsection, a creditor shall also take into consideration any balance increase that may accrue from any negative amortization provision.

“(D) CALCULATION PROCESS.—For purposes of making any determination under this subsection, a creditor shall calculate the monthly payment amount for principal and interest on any residential mortgage loan by assuming—

“(i) the loan proceeds are fully disbursed on the date of the consummation of the loan;

“(ii) the loan is to be repaid in substantially equal monthly amortizing payments for principal and interest over the entire term of the loan with no balloon payment, unless the loan contract requires more rapid repayment (including balloon payment), in which case the calculation shall be made (I) in accordance with regulations prescribed by the Board, with respect to any loan which has an annual percentage rate that does not exceed the average prime offer rate for a comparable transaction, as of the date the interest rate is set, by 1.5 or more percentage points for a first lien residential mortgage loan; and by 3.5 or more percentage points for a subordinate lien residential mortgage loan; or (II) using the contract’s repayment schedule, with respect to a loan which has an annual percentage rate, as of the date the interest rate is set, that is at least 1.5 percentage points above the average prime offer rate for a first lien residential mortgage loan; and 3.5 percentage points above the average prime offer rate for a subordinate lien residential mortgage loan; and

“(iii) the interest rate over the entire term of the loan is a fixed rate equal to the fully indexed rate at the time of the loan closing, without considering the introductory rate.

“(E) REFINANCE OF HYBRID LOANS WITH CURRENT LENDER.—In considering any application for refinancing an existing hybrid loan by the creditor into a standard loan to be made by the same creditor in any case in which there would be a reduction in monthly payment and the mortgagor has not been delinquent on any payment on the existing hybrid loan, the creditor may—

“(i) consider the mortgagor’s good standing on the existing mortgage;

“(ii) consider if the extension of new credit would prevent a likely default should the original mortgage reset and give such concerns a higher priority as an acceptable underwriting practice; and

“(iii) offer rate discounts and other favorable terms to such mortgagor that would be available to new customers with high credit ratings based on such underwriting practice.

“(7) FULLY-INDEXED RATE DEFINED.—For purposes of this subsection, the term ‘fully indexed rate’ means the index rate prevailing on a residential mortgage loan at the time the loan is made plus the margin that will apply after the expiration of any introductory interest rates.

“(8) REVERSE MORTGAGES AND BRIDGE LOANS.—This subsection shall not apply with respect to any reverse mortgage or temporary or bridge loan with a term of 12 months or less, including to any loan to purchase a new dwelling where the consumer plans to sell a different dwelling within 12 months.

“(9) SEASONAL INCOME.—If documented income, including income from a small business, is a repayment source for a residential mortgage loan, a creditor may consider the seasonality and irregularity of such income in the underwriting of and scheduling of payments for such credit.”.

(b) CLERICAL AMENDMENT.—The table of sections for chapter 2 of the Truth in Lending Act is amended by inserting after the item relating to section 129B (as added by section 1402(b)) the following new item:

“129C. Minimum standards for residential mortgage loans.”.

SEC. 1412. SAFE HARBOR AND REBUTTABLE PRESUMPTION.

Section 129C of the Truth in Lending Act is amended by inserting after subsection (a) (as added by section 1411) the following new subsection:

“(b) PRESUMPTION OF ABILITY TO REPAY.—

“(1) IN GENERAL.—Any creditor with respect to any residential mortgage loan, and any assignee of such loan subject to liability under this title, may presume that the loan has met the requirements of subsection (a), if the loan is a qualified mortgage.

“(2) DEFINITIONS.—For purposes of this subsection, the following definitions shall apply:

“(A) QUALIFIED MORTGAGE.—The term ‘qualified mortgage’ means any residential mortgage loan—

“(i) for which the regular periodic payments for the loan may not—

“(I) result in an increase of the principal balance; or

“(II) except as provided in subparagraph (E), allow the consumer to defer repayment of principal;

“(ii) except as provided in subparagraph (E), the terms of which do not result in a balloon payment, where a ‘balloon payment’ is a scheduled payment that is more than twice as large as the average of earlier scheduled payments;

“(iii) for which the income and financial resources relied upon to qualify the obligors on the loan are verified and documented;

“(iv) in the case of a fixed rate loan, for which the underwriting process is based on a payment schedule that fully amortizes the loan over the loan term and takes into account all applicable taxes, insurance, and assessments;

“(v) in the case of an adjustable rate loan, for which the underwriting is based on the maximum rate permitted under the loan during the first 5 years, and a payment schedule that fully amortizes the loan over the loan term and takes into account all applicable taxes, insurance, and assessments;

“(vi) that complies with any guidelines or regulations established by the Board relating to ratios of total monthly debt to monthly income or alternative measures of ability to pay regular expenses after payment of total monthly debt, taking into account the income levels of the borrower and such other factors as the Board may determine relevant and consistent with the purposes described in paragraph (3)(B)(i);

“(vii) for which the total points and fees (as defined in subparagraph (C)) payable in connection with the loan do not exceed 3 percent of the total loan amount;

“(viii) for which the term of the loan does not exceed 30 years, except as such term may be extended under paragraph (3), such as in high-cost areas; and

“(ix) in the case of a reverse mortgage (except for the purposes of subsection (a) of section 129C, to the extent that such mortgages are exempt altogether from those requirements), a reverse mortgage which meets the standards for a qualified mortgage, as set by the Board in rules that are consistent with the purposes of this subsection.

“(B) AVERAGE PRIME OFFER RATE.—The term ‘average prime offer rate’ means the average prime offer rate for a comparable transaction as of the date on which the interest rate for the transaction is set, as published by the Board..

“(C) POINTS AND FEES.—

“(i) IN GENERAL.—For purposes of subparagraph (A), the term ‘points and fees’ means points and fees as defined by section 103(aa)(4) (other than bona fide

third party charges not retained by the mortgage originator, creditor, or an affiliate of the creditor or mortgage originator).

“(ii) COMPUTATION.—For purposes of computing the total points and fees under this subparagraph, the total points and fees shall exclude either of the amounts described in the following subclauses, but not both:

“(I) Up to and including 2 bona fide discount points payable by the consumer in connection with the mortgage, but only if the interest rate from which the mortgage’s interest rate will be discounted does not exceed by more than 1 percentage point the average prime offer rate.

“(II) Unless 2 bona fide discount points have been excluded under subclause (I), up to and including 1 bona fide discount point payable by the consumer in connection with the mortgage, but only if the interest rate from which the mortgage’s interest rate will be discounted does not exceed by more than 2 percentage points the average prime offer rate.

“(iii) BONA FIDE DISCOUNT POINTS DEFINED.—For purposes of clause (ii), the term ‘bona fide discount points’ means loan discount points which are knowingly paid by the consumer for the purpose of reducing, and which in fact result in a bona fide reduction of, the interest rate or time-price differential applicable to the mortgage.

“(iv) INTEREST RATE REDUCTION.—Subclauses (I) and (II) of clause (ii) shall not apply to discount points used to purchase an interest rate reduction unless the amount of the interest rate reduction purchased is reasonably consistent with established industry norms and practices for secondary mortgage market transactions.

“(D) SMALLER LOANS.—The Board shall prescribe rules adjusting the criteria under subparagraph (A)(vii) in order to permit lenders that extend smaller loans to meet the requirements of the presumption of compliance under paragraph (1). In prescribing such rules, the Board shall consider the potential impact of such rules on rural areas and other areas where home values are lower.

“(E) BALLOON LOANS.—The Board may, by regulation, provide that the term ‘qualified mortgage’ includes a balloon loan—

“(i) that meets all of the criteria for a qualified mortgage under subparagraph (A) (except clauses (i)(II), (ii), (iv), and (v) of such subparagraph);

“(ii) for which the creditor makes a determination that the consumer is able to make all scheduled payments, except the balloon payment, out of income or assets other than the collateral;

“(iii) for which the underwriting is based on a payment schedule that fully amortizes the loan over a period of not more than 30 years and takes into

account all applicable taxes, insurance, and assessments; and

“(iv) that is extended by a creditor that—

“(I) operates predominantly in rural or underserved areas;

“(II) together with all affiliates, has total annual residential mortgage loan originations that do not exceed a limit set by the Board;

“(III) retains the balloon loans in portfolio; and

“(IV) meets any asset size threshold and any other criteria as the Board may establish, consistent with the purposes of this subtitle.

“(3) REGULATIONS.—

“(A) IN GENERAL.—The Board shall prescribe regulations to carry out the purposes of this subsection.

“(B) REVISION OF SAFE HARBOR CRITERIA.—

“(i) IN GENERAL.—The Board may prescribe regulations that revise, add to, or subtract from the criteria that define a qualified mortgage upon a finding that such regulations are necessary or proper to ensure that responsible, affordable mortgage credit remains available to consumers in a manner consistent with the purposes of this section, necessary and appropriate to effectuate the purposes of this section and section 129B, to prevent circumvention or evasion thereof, or to facilitate compliance with such sections.

“(ii) LOAN DEFINITION.—The following agencies shall, in consultation with the Board, prescribe rules defining the types of loans they insure, guarantee, or administer, as the case may be, that are qualified mortgages for purposes of paragraph (2)(A), and such rules may revise, add to, or subtract from the criteria used to define a qualified mortgage under paragraph (2)(A), upon a finding that such rules are consistent with the purposes of this section and section 129B, to prevent circumvention or evasion thereof, or to facilitate compliance with such sections:

“(I) The Department of Housing and Urban Development, with regard to mortgages insured under the National Housing Act (12 U.S.C. 1707 et seq.).

“(k) DEFENSE TO FORECLOSURE.—

“(1) IN GENERAL.—Notwithstanding any other provision of law, when a creditor, assignee, or other holder of a residential

mortgage loan or anyone acting on behalf of such creditor, assignee, or holder, initiates a judicial or nonjudicial foreclosure of the residential mortgage loan, or any other action to collect the debt in connection with such loan, a consumer may assert a violation by a creditor of paragraph (1) or (2) of section 129B(c), or of section 129C(a), as a matter of defense by recoupment or set off without regard for the time limit on a private action for damages under subsection (e).

“(2) AMOUNT OF RECOUPMENT OR SETOFF.—

“(A) IN GENERAL.—The amount of recoupment or set-off under paragraph (1) shall equal the amount to which the consumer would be entitled under subsection (a) for damages for a valid claim brought in an original action against the creditor, plus the costs to the consumer of the action, including a reasonable attorney’s fee.

“(B) SPECIAL RULE.—Where such judgment is rendered after the expiration of the applicable time limit on a private action for damages under subsection (e), the amount of recoupment or set-off under paragraph (1) derived from damages under subsection (a)(4) shall not exceed the amount to which the consumer would have been entitled under subsection (a)(4) for damages computed up to the day preceding the expiration of the applicable time limit.”.

“(ii) has an annual percentage rate that exceeds the average prime offer rate for a comparable transaction, as of the date the interest rate is set—

“(I) by 1.5 or more percentage points, in the case of a first lien residential mortgage loan having a original principal obligation amount that is equal to or less than the amount of the maximum limitation on the original principal obligation of mortgage in effect for a residence of the applicable size, as of the date of such interest rate set, pursuant to the 6th sentence of section 305(a)(2) the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1454(a)(2));

“(D) After the end of the 3-year period beginning on the date the loan is consummated, no prepayment penalty may be imposed on a qualified mortgage.

“(4) OPTION FOR NO PREPAYMENT PENALTY REQUIRED.—A creditor may not offer a consumer a residential mortgage loan product that has a prepayment penalty for paying all or part of the principal after the loan is consummated as a term of the loan without offering the consumer a residential mortgage loan product that does not have a prepayment penalty as a term of the loan.

“(d) SINGLE PREMIUM CREDIT INSURANCE PROHIBITED.—No creditor may finance, directly or indirectly, in connection with any residential mortgage loan or with any extension of credit under an open end consumer credit plan secured by the principal dwelling of the consumer, any credit life, credit disability, credit unemployment, or credit property insurance, or any other accident, loss-of-income, life, or health insurance, or any payments directly or indirectly for any debt cancellation or suspension agreement or contract, except that—

“(2) POST-CONTROVERSY AGREEMENTS.—Subject to paragraph (3), paragraph (1) shall not be construed as limiting the right of the consumer and the creditor or any assignee to agree to arbitration or any other nonjudicial procedure as the method for resolving any controversy at any time after a dispute or claim under the transaction arises.

“(3) NO WAIVER OF STATUTORY CAUSE OF ACTION.—No provision of any residential mortgage loan or of any extension of credit under an open end consumer credit plan secured by the principal dwelling of the consumer, and no other agreement between the consumer and the creditor relating to the residential mortgage loan or extension of credit referred to in paragraph (1), shall be applied or interpreted so as to bar a consumer from bringing an action in an appropriate district court of the United States, or any other court of competent jurisdiction, pursuant to section 130 or any other provision of law, for damages or other relief in connection with any alleged violation of this section, any other provision of this title, or any other Federal law.

“(f) MORTGAGES WITH NEGATIVE AMORTIZATION.—No creditor may extend credit to a borrower in connection with a consumer credit transaction under an open or closed end consumer credit plan secured by a dwelling or residential real property that includes a dwelling, other than a reverse mortgage, that provides or permits a payment plan that may, at any time over the term of the extension of credit, result in negative amortization unless, before such transaction is consummated—

“(1) the creditor provides the consumer with a statement that—

Subtitle H—Miscellaneous Provisions

SEC. 1491. SENSE OF CONGRESS REGARDING THE IMPORTANCE OF GOVERNMENT-SPONSORED ENTERPRISES REFORM TO ENHANCE THE PROTECTION, LIMITATION, AND REGULATION OF THE TERMS OF RESIDENTIAL MORTGAGE CREDIT.

(a) FINDINGS.—The Congress finds as follows:

(1) The Government-sponsored enterprises, Federal National Mortgage Association (Fannie Mae) and the Federal Home Loan Mortgage Corporation (Freddie Mac), were chartered by Congress to ensure a reliable and affordable supply of mortgage funding, but enjoy a dual legal status as privately owned corporations with Government mandated affordable housing goals.

(2) In 1996, the Department of Housing and Urban Development required that 42 percent of Fannie Mae's and Freddie Mac's mortgage financing should go to borrowers with income levels below the median for a given area.

(3) In 2004, the Department of Housing and Urban Development revised those goals, increasing them to 56 percent of their overall mortgage purchases by 2008, and additionally mandated that 12 percent of all mortgage purchases by Fannie Mae and Freddie Mac be "special affordable" loans made to borrowers with incomes less than 60 percent of an area's median income, a target that ultimately increased to 28 percent for 2008.

(4) To help fulfill those mandated affordable housing goals, in 1995 the Department of Housing and Urban Development authorized Fannie Mae and Freddie Mac to purchase subprime securities that included loans made to low-income borrowers.

(5) After this authorization to purchase subprime securities, subprime and near-prime loans increased from 9 percent of securitized mortgages in 2001 to 40 percent in 2006, while the market share of conventional mortgages dropped from 78.8 percent in 2003 to 50.1 percent by 2007 with a corresponding increase in subprime and Alt-A loans from 10.1 percent to 32.7 percent over the same period.

(6) In 2004 alone, Fannie Mae and Freddie Mac purchased \$175,000,000,000 in subprime mortgage securities, which accounted for 44 percent of the market that year, and from 2005 through 2007, Fannie Mae and Freddie Mac purchased approximately \$1,000,000,000,000 in subprime and Alt-A loans, while Fannie Mae's acquisitions of mortgages with less than 10 percent down payments almost tripled.

(7) According to data from the Federal Housing Finance Agency (FHFA) for the fourth quarter of 2008, Fannie Mae and Freddie Mac own or guarantee 75 percent of all newly originated mortgages, and Fannie Mae and Freddie Mac currently own 13.3 percent of outstanding mortgage debt in the United States and have issued mortgage-backed securities for 31.0 percent of the residential debt market, a combined total of 44.3 percent of outstanding mortgage debt in the United States.

(8) On September 7, 2008, the FHFA placed Fannie Mae and Freddie Mac into conservatorship, with the Treasury

Department subsequently agreeing to purchase at least \$200,000,000,000 of preferred stock from each enterprise in exchange for warrants for the purchase of 79.9 percent of each enterprise's common stock.

(9) The conservatorship for Fannie Mae and Freddie Mac has potentially exposed taxpayers to upwards of \$5,300,000,000,000 worth of risk.

(10) The hybrid public-private status of Fannie Mae and Freddie Mac is untenable and must be resolved to assure that consumers are offered and receive residential mortgage loans on terms that reasonably reflect their ability to repay the loans and that are understandable and not unfair, deceptive, or abusive.

(b) SENSE OF THE CONGRESS.—It is the sense of the Congress that efforts to enhance by the protection, limitation, and regulation of the terms of residential mortgage credit and the practices related to such credit would be incomplete without enactment of meaningful structural reforms of Fannie Mae and Freddie Mac.

SEC. 1492. GAO STUDY REPORT ON GOVERNMENT EFFORTS TO COMBAT MORTGAGE FORECLOSURE RESCUE SCAMS AND LOAN MODIFICATION FRAUD.

(a) STUDY.—The Secretary of Housing and Urban Development, in consultation with the Secretary of the Treasury, shall conduct a study of the effect on residential mortgage loan foreclosures of—

(1) the presence in residential structures subject to such mortgage loans of drywall that was imported from China during the period beginning with 2004 and ending at the end of 2007; and

SEC. 1502. CONFLICT MINERALS.

(a) SENSE OF CONGRESS ON EXPLOITATION AND TRADE OF CONFLICT MINERALS ORIGINATING IN THE DEMOCRATIC REPUBLIC OF THE CONGO.—It is the sense of Congress that the exploitation and trade of conflict minerals originating in the Democratic Republic of the Congo is helping to finance conflict characterized by extreme levels of violence in the eastern Democratic Republic of the Congo, particularly sexual- and gender-based violence, and contributing to an emergency humanitarian situation therein, warranting the provisions of section 13(p) of the Securities Exchange Act of 1934, as added by subsection (b).

(b) DISCLOSURE RELATING TO CONFLICT MINERALS ORIGINATING IN THE DEMOCRATIC REPUBLIC OF THE CONGO.—Section 13 of the Securities Exchange Act of 1934 (15 U.S.C. 78m), as amended by this Act, is amended by adding at the end the following new subsection:

“(i) a description of the measures taken by the person to exercise due diligence on the source and chain of custody of such minerals, which measures shall include an independent private sector audit of such report submitted through the Commission that is conducted in accordance with standards established by the Comptroller General of the United States, in accordance with rules promulgated by the Commission, in consultation with the Secretary of State; and

“(ii) a description of the products manufactured or contracted to be manufactured that are not DRC conflict free (‘DRC conflict free’ is defined to mean the products that do not contain minerals that directly or indirectly finance or benefit armed groups in the Democratic Republic of the Congo or an adjoining country), the entity that conducted the independent private sector audit in accordance with clause (i), the facilities used to process the conflict minerals, the country of origin of the conflict minerals, and the efforts to determine the mine or location of origin with the greatest possible specificity.

“(B) CERTIFICATION.—The person submitting a report under subparagraph (A) shall certify the audit described in clause (i) of such subparagraph that is included in such report. Such a certified audit shall constitute a critical component of due diligence in establishing the source and chain of custody of such minerals.

“(C) UNRELIABLE DETERMINATION.—If a report required to be submitted by a person under subparagraph (A) relies on a determination of an independent private sector audit, as described under subparagraph (A)(i), or other due diligence processes previously determined by the Commission to be unreliable, the report shall not satisfy the requirements of the regulations promulgated under subparagraph (A)(i).

“(D) DRC CONFLICT FREE.—For purposes of this paragraph, a product may be labeled as ‘DRC conflict free’ if the product does not contain conflict minerals that directly or indirectly finance or benefit armed groups in the Democratic Republic of the Congo or an adjoining country.

“(A) such revision or waiver is in the national security interest of the United States and the President includes the reasons therefor; and

“(B) establishes a date, not later than 2 years after the initial publication of such exemption, on which such exemption shall expire.

“(4) TERMINATION OF DISCLOSURE REQUIREMENTS.—The requirements of paragraph (1) shall terminate on the date on which the President determines and certifies to the appropriate congressional committees, but in no case earlier than

the date that is one day after the end of the 5-year period beginning on the date of the enactment of this subsection, that no armed groups continue to be directly involved and benefitting from commercial activity involving conflict minerals.

“(5) DEFINITIONS.—For purposes of this subsection, the terms ‘adjoining country’, ‘appropriate congressional committees’, ‘armed group’, and ‘conflict mineral’ have the meaning given those terms under section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.”.
