## **A BILL**

To amend the Iran Sanctions Act of 1996 to enhance United States diplomatic efforts with respect to Iran by expanding economic sanctions against Iran.

1 **SECTION 1. SHORT TITLE.**

2 *This Act may be cited as the “Iran Refined Petroleum*  
3 *Sanctions Act of 2009”.*

4 **SEC. 2. FINDINGS; SENSE OF CONGRESS; STATEMENT OF**  
5 **POLICY.**

6 *(a) FINDINGS.—Congress finds the following:*

7 *(1) The illicit nuclear activities of the Govern-*  
8 *ment of Iran—combined with its development of un-*  
9 *conventional weapons and ballistic missiles, and sup-*  
10 *port for international terrorism—represent a serious*  
11 *threat to the security of the United States and U.S.*  
12 *allies in Europe, the Middle East, and around the*  
13 *world.*

14 *(2) The United States and other responsible na-*  
15 *tions have a vital interest in working together to pre-*  
16 *vent the Government of Iran from acquiring a nu-*  
17 *clear weapons capability.*

18 *(3) The International Atomic Energy Agency has*  
19 *repeatedly called attention to Iran’s unlawful nuclear*  
20 *activities, and, as a result, the United Nations Secu-*  
21 *rity Council has adopted a range of sanctions de-*  
22 *signed to encourage the Government of Iran to sus-*  
23 *pend those activities and comply with its obligations*  
24 *under the Treaty on the Non-Proliferation of Nuclear*  
25 *Weapons (commonly known as the “Nuclear Non-Pro-*  
26 *liferation Treaty”).*

1           (4) *As a presidential candidate, then-Senator*  
2 *Obama stated that additional sanctions, especially*  
3 *those targeting Iran’s dependence on imported refined*  
4 *petroleum, may help to persuade the Government of*  
5 *Iran to abandon its illicit nuclear activities.*

6           (5) *On October 7, 2008, then-Senator Obama*  
7 *stated, “Iran right now imports gasoline, even though*  
8 *it’s an oil producer, because its oil infrastructure has*  
9 *broken down. If we can prevent them from importing*  
10 *the gasoline that they need and the refined petroleum*  
11 *products, that starts changing their cost-benefit anal-*  
12 *ysis. That starts putting the squeeze on them.”.*

13           (6) *On June 4, 2008, then-Senator Obama stat-*  
14 *ed, “We should work with Europe, Japan, and the*  
15 *Gulf states to find every avenue outside the U.N. to*  
16 *isolate the Iranian regime—from cutting off loan*  
17 *guarantees and expanding financial sanctions, to*  
18 *banning the export of refined petroleum to Iran.”.*

19           (7) *Major European allies, including the United*  
20 *Kingdom, France, and Germany, have advocated that*  
21 *sanctions be significantly toughened should inter-*  
22 *national diplomatic efforts fail to achieve verifiable*  
23 *suspension of Iran’s uranium enrichment program*  
24 *and an end to its nuclear weapons program and other*  
25 *illicit nuclear activities.*

1           (8) *The serious and urgent nature of the threat*  
2 *from Iran demands that the United States work to-*  
3 *gether with U.S. allies to do everything possible—dip-*  
4 *lomatically, politically, and economically—to prevent*  
5 *Iran from acquiring a nuclear weapons capability.*

6           (9) *The human rights situation in Iran has*  
7 *steadily deteriorated in 2009, as punctuated by the*  
8 *transparent fraud that occurred on June 12, the bru-*  
9 *tal repression and murder, arbitrary arrests, and*  
10 *show trials of peaceful dissidents, and ongoing sup-*  
11 *pression of freedom of expression.*

12           (b) *SENSE OF CONGRESS.—It is the sense of the Con-*  
13 *gress that—*

14           (1) *international diplomatic efforts to address*  
15 *Iran’s illicit nuclear efforts, unconventional and bal-*  
16 *listic missile development programs, and support for*  
17 *international terrorism are more likely to be effective*  
18 *if the President is empowered with the explicit au-*  
19 *thority to impose additional sanctions on the Govern-*  
20 *ment of Iran;*

21           (2) *the concerns of the United States regarding*  
22 *Iran are strictly the result of the actions of the Gov-*  
23 *ernment of Iran;*

24           (3) *the revelation in September 2009 that Iran*  
25 *is developing a secret uranium enrichment site on an*

1 *Islamic Revolutionary Guard Corps base near Qom,*  
2 *which appears to have no civilian application, high-*  
3 *lights the urgency for Iran to fully disclose the full*  
4 *nature of its nuclear program, including any other*  
5 *secret locations, and provide the International Atomic*  
6 *Energy Agency (IAEA) unfettered access to its facili-*  
7 *ties pursuant to Iran's legal obligations under the*  
8 *Treaty on the Non-Proliferation of Nuclear Weapons*  
9 *and Iran's Safeguards Agreement with the IAEA;*

10 *(4) because of its involvement in Iran's nuclear*  
11 *program and other destabilizing activities, the Presi-*  
12 *dent should impose sanctions, including the full range*  
13 *of sanctions otherwise applicable to Iran, on any in-*  
14 *dividual or entity that is an agent, alias, front, in-*  
15 *strumentality, representative, official, or affiliate of*  
16 *the Islamic Revolutionary Guard Corps or is an indi-*  
17 *vidual serving as a representative of the Islamic Rev-*  
18 *olutionary Guard Corps, or on any person that has*  
19 *conducted any commercial transaction or financial*  
20 *transaction with such entities;*

21 *(5) Government to Government agreements with*  
22 *Iran to provide the regime with refined petroleum*  
23 *products, such as the September 2009 agreement*  
24 *under which the Government of Venezuela committed*  
25 *to provide 20,000 barrels of gasoline per day to Iran,*

1 *undermine efforts to pressure Iran to suspend its nu-*  
2 *clear weapons program and cease all enrichment ac-*  
3 *tivities; and*

4 *(6) the people of the United States—*

5 *(A) have feelings of friendship for the people*  
6 *of Iran; and*

7 *(B) hold the people of Iran, their culture,*  
8 *and their ancient and rich history in the highest*  
9 *esteem.*

10 *(c) STATEMENT OF POLICY.—It shall be the policy of*  
11 *the United States—*

12 *(1) to prevent Iran from achieving the capability*  
13 *to make nuclear weapons, including by supporting*  
14 *international diplomatic efforts to halt Iran’s ura-*  
15 *nium enrichment program;*

16 *(2) to fully implement and enforce the Iran*  
17 *Sanctions Act of 1996 as a means of encouraging for-*  
18 *eign governments to—*

19 *(A) direct state-owned entities to cease all*  
20 *investment in, and support of, Iran’s energy sec-*  
21 *tor and all exports of refined petroleum products*  
22 *to Iran; and*

23 *(B) require private entities based in their*  
24 *territories to cease all investment in, and sup-*

1 *port of, Iran's energy sector and all exports of*  
2 *refined petroleum products to Iran;*

3 *(3) to impose sanctions on—*

4 *(A) the Central Bank of Iran, and any*  
5 *other financial institution in Iran that is en-*  
6 *gaged in proliferation activities or support of*  
7 *terrorist groups, and*

8 *(B) any other financial institution that*  
9 *conducts financial transactions with the Central*  
10 *Bank of Iran or with another financial institu-*  
11 *tion described in subparagraph (A),*

12 *including through the use of Executive Orders 13224,*  
13 *13382, and 13438 and United Nations Security*  
14 *Council Resolutions 1737, 1747, 1803, and 1835;*

15 *(4) to persuade the allies of the United States*  
16 *and other countries to take appropriate measures to*  
17 *deny access to the international financial system by*  
18 *Iranian banks and financial institutions involved in*  
19 *proliferation activities or support of terrorist groups;*

20 *(5) to support all Iranian citizens who embrace*  
21 *the values of freedom, human rights, civil liberties,*  
22 *and the rule of law; and*

23 *(6) for the Secretary of State to make every effort*  
24 *to assist United States citizens held hostage in Iran*  
25 *at any time during the period beginning on November*

1       4, 1979 and ending on January 20, 1981, and their  
2       survivors in matters of compensation related to such  
3       citizens' detention.
