PUBLICATION OF THE RULES OF THE COMMITTEE ON EDUCATION AND LABOR, 111TH CONGRESS

Mr. GEORGE MILLER of California. Madam Speaker, pursuant to Rule XI, Clause 2(a)(2) of Rules of the House of Representatives, I respectfully submit the rules for the 111th Congress for the Committee on Education and Labor for publication in the CONGRESSIONAL RECORD. The Committee adopted these rules by voice vote, with a quorum being present, at our organizational meeting on January 21, 2009.

THE RULES OF THE COMMITTEE ON EDUCATION AND LABOR FOR THE 111TH CONGRESS

RULE 1. REGULAR, ADDITIONAL, AND SPECIAL MEETINGS

(a) Regular meetings of the Committee shall be held on the second Wednesday of each month at 9:30 a.m., while the House is in session. When the Chair determines that the Committee will not consider any bill or resolution before the Committee and that there is no other business to be transacted at a regular meeting, he or she will give each member of the Committee, as far in advance of the day of the regular meeting as the circumstances make practicable, written notice to that effect, and no regular Committee meeting shall be held on that day.

(b) The Chair may call and convene, as he or she considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business.

(c) If at least three members of the Committee desire that a special meeting of the Committee be called by the Chair, those members may file in the offices of the Committee their written request to the Chair for that special meeting. Immediately upon the filing of the request, the staff director of the Committee shall notify the Chair of the filing of the request. If, within three calendar days after the filing of the request, the Chair does not call the requested special meeting to be held within seven calendar days after the filing of the request, a majority of the members of the Committee may file in the offices of the Committee their written notice that a special meeting of the Committee will be held, specifying the date and hour thereof, and the measure or matter to be considered at that special meeting. Immediately upon the filing of the notice, the staff director of the Committee shall notify all members of the Committee that such meeting will be held and inform them of its date and hour and the measure or matter to be considered. The Committee shall meet on that date and hour and only the measure or matter specified in that notice may be considered at that special meeting.

(d) Legislative meetings of the Committee and its subcommittees shall be open to the public, including radio, television and still photography coverage, unless such meetings are closed pursuant to the requirements of the Rules of the House. RULE 3. EX OFFICIO MEMBERSHIP

The Chair of the Committee and the ranking minority party member shall be ex officio members, but not voting members, of each subcommittee to which such Chair or ranking minority party member has not been assigned.

RULE 4. SUBCOMMITTEE SCHEDULING

(a) Subcommittee chair shall set meeting or hearing dates after consultation with the Chair and other subcommittee chair with a view toward avoiding simultaneous scheduling of Committee and subcommittee meetings or hearings, wherever possible. No such meetings or hearings, however, shall be held outside of Washington, D.C., or during a recess or adjournment of the House of Representatives without the prior authorization of the Committee Chair. Where practicable, 14 days' notice will be given of such meeting or hearing.

(b) Available dates for subcommittee meetings during the session shall be assigned by the Chair to the subcommittees as nearly as practicable in rotation and in accordance with their workloads. As far as practicable, the Chair shall not schedule simultaneous subcommittee markups, a subcommittee markup during a full Committee markup or any hearing during a markup.

RULE 5. SUBCOMMITTEE RULES

The rules of the Committee shall be the rules of its subcommittees.

RULE 6. SPECIAL ASSIGNMENT OF MEMBERS

To facilitate the oversight and other legislative and investigative activities of the committee, the Chair of the Committee may, at the request of a subcommittee Chair, make a temporary assignment of any member of the Committee to such subcommittee for the purpose of constituting a quorum and of enabling such member to participate in any public hearing, investigation, or study by such subcommittee to be held outside of Washington, D.C. Any member of the Committee may attend public hearings of any subcommittee and any member of the Committee may question witnesses only when they have been recognized by the Chair for that purpose.

RULE 7. HEARING PROCEDURE

(a) The Chair, in the case of hearings to be conducted by the Committee, and the appropriate subcommittee chair, in the case of hearings to be conducted by a subcommittee, shall make public announcement of the date, place, and subject matter of any hearing to be conducted on any measure or matter at least one week before the commencement of that hearing unless the Committee or subcommittee determines that there is good cause to begin such hearing at an earlier date. In the latter event, the Chair or the subcommittee chair, as the case may be, shall make such public announcement at the earliest possible date. To the extent practicable, the Chair or the subcommittee chair

shall make public announcement of the final list of witnesses scheduled to testify at least 48 hours before the commencement of the hearing. The staff director of the Committee shall promptly notify the Daily Digest Clerk of the Congressional Record as soon as practicable after such public announcement is made.

(b) Subcommittees are authorized to hold hearings, receive exhibits, hear witnesses, and report to the Committee for final action, together with such recommendations as may be agreed upon by the subcommittee.

(c) All opening statements at hearings conducted by the Committee or any subcommittee will be made part of the permanent written record. Opening statements by members may not be presented orally, unless the Chair of the Committee or any subcommittee determines that one statement from the Chair or a designee will be presented, in which case the ranking minority party member or a designee may also make a statement. If a witness scheduled to testify at any hearing of the Committee or any subcommittee is a constituent of a member of the Committee or subcommittee, such member shall be entitled to briefly introduce such witness at the hearing.

(d) To the extent practicable, witnesses who are to appear before the Committee or a subcommittee shall file with the staff director of the Committee, at least 48 hours in advance of their appearance, a written statement of their proposed testimony, together with a brief summary thereof, and shall limit their oral presentation to a summary thereof. The staff director of the Committee shall promptly furnish to the staff director of the minority a copy of such testimony submitted to the Committee pursuant to this rule.

(e) When any hearing is conducted by the Committee or any subcommittee upon any measure or matter, the minority party members on the Committee shall be entitled, upon request to the Chair by a majority of those minority party members before the completion of such hearing, to call witnesses selected by the minority to testify with respect to that measure or matter during at least one day of hearing thereon. The minority party may waive this right by calling at least one witness during a Committee hearing or subcommittee hearing.

(f) In the conduct of hearings of subcommittees sitting jointly, the rules otherwise applicable to all subcommittees shall likewise apply to joint subcommittee hearings for purposes of such shared consideration.

#### RULE 8. QUESTIONING OF HEARING WITNESSES

(a) Subject to clauses (b), (c) and (d), a Committee member may question hearing witnesses only when the member has been recognized by the Chair for that purpose, and only for a 5-minute period until all members present have had an opportunity to question a witness. The questioning of witnesses in both Committee and subcommittee hearings shall be initiated by the Chair, followed by the ranking minority party member and all other members alternating between the majority and minority party. The Chair shall exercise discretion in determining the order in which members will be recognized. In recognizing members to question witnesses in this fashion, the Chair shall take into consideration the ratio of the majority to minority party members present and shall establish the order of recognition for questioning in such a manner as not to place the members of the majority party in a disadvantageous position.

(b) The Chair may permit a specified number of members to question a witness for longer than five minutes. The time for ex-

tended questioning of a witness under this clause shall be equal for the majority party and the minority party and may not exceed one hour in the aggregate.

(c) The Chair may permit Committee staff for the majority and the minority party members to question a witness for equal specified periods. The time for extended questioning of a witness under this clause shall be equal for the majority party and the minority party and may not exceed one hour in the aggregate.

(d) In an investigative hearing or in an executive session, the Chair's authority to extend questioning under subsection (b) and (c) of this rule shall be equal for the majority and the minority party and may not exceed one hour in the aggregate, and shall only be conducted by counsel for the majority and the minority party when authorized under subsection (c) of this rule.

#### RULE 9. SUBPOENA AUTHORITY

The power to authorize and issue subpoenas is delegated to the Chair of the full Committee, as provided for under clause 2(m)(3)(A)(i) of Rule XI of the Rules of the House of Representatives. The Chair shall notify the ranking minority member prior to issuing any subpoena under such authority. To the extent practicable, the Chair shall consult with the ranking minority member at least 24 hours in advance of a subpoena being issued under such authority, excluding Saturdays, Sundays, and federal holidays. As soon as practicable after issuing any subpoena under such authority, the Chair shall notify in writing all members of the Committee of the issuance of the subpoena.

#### RULE 10. DEPOSITION PROCEDURE

(a) In accordance with the Committee receiving authorization by the House of Representatives for the taking of depositions in furtherance of a Committee investigation, the Chair, upon consultation with the ranking minority member, may order the taking of depositions pursuant to notice or subpoena as contemplated by this rule.

(b) The Chair or majority staff shall consult with the ranking minority member or minority staff no less than three business days before any notice or subpoena for a deposition is issued. After such consultation, all members shall receive written notice that a notice or subpoena for a deposition will be issued.

(c) A notice or subpoena issued under this rule shall specify the date, time, and place of the deposition and the method or methods by which the deposition will be recorded. Prior to testifying, a deponent shall be provided with a copy of the Committee's rules, the House Resolution authorizing the taking of the deposition, and Rule X of the Rules of the House of Representatives.

(d)(1) A deposition shall be conducted by one or more members or Committee counsel as designated by the Chair or ranking minority member.

(2) A deposition shall be taken under oath or affirmation administered by a member or a person otherwise authorized to administer oaths and affirmations.

(e) A deponent may be accompanied at a deposition by counsel to advise the deponent of the deponent's rights. Only members and Committee counsel, however, may examine the deponent. No one may be present at a deposition other than members, Committee staff designated by the Chair or ranking minority member, such individuals as may be required to administer the oath or affirmation and transcribe or record the proceedings, the deponent, and the deponent's counsel (including personal counsel and counsel for the entity employing the deponent if the scope of the deposition is expected to cover actions taken as part of the

deponent's employment). Observers or counsel for other persons or entities may not attend.

(f)(1) Unless the majority, minority, and deponent agree otherwise, questions in a deposition shall be propounded in rounds, alternating between the majority and minority. A single round shall not exceed 60 minutes per side, unless the members or counsel conducting the deposition agree to a different length of questioning. In each round, a member or Committee counsel designated by the Chair shall ask questions first, and the member or Committee counsel designated by the ranking minority member shall ask questions second.

(2) Any objection made during a deposition must be stated concisely and in a non-argumentative and non-suggestive manner. Deponent may refuse to answer a question only to preserve a privilege. When the deponent has objected and refused to answer a question to preserve a privilege, the Chair may rule on any such objection after the deposition has adjourned. If the Chair overrules any such objection and thereby orders a deponent to answer any question to which a privilege objection was lodged, such ruling shall be filed with the clerk of the Committee and shall be provided to members and the deponent no less than three days before the ruling is enforced at a reconvened deposition. If a member of the Committee appeals in writing the ruling of the Chair, the appeal shall be preserved for Committee consideration. A deponent who refuses to answer a question after being directed to answer by the Chair in writing may be subject to sanction, except that no sanctions may be imposed if the ruling of the Chair is reversed on appeal. In all cases, when deposition testimony for which an objection has been made is offered for admission in evidence before the Committee, all properly lodged objections then made shall be timely and shall be considered by the Committee prior to admission in evidence before the Committee.

(g) Deposition testimony shall be transcribed by stenographic means and may also be video recorded. The clerk of the Committee shall receive the transcript and any video recording and promptly forward such to minority staff at the same time the clerk distributes such to other majority staff.

(h) The individual administering the oath shall certify on the transcript that the deponent was duly sworn. The transcriber shall certify that the transcript is a true, verbatim record of the testimony, and the transcript and any exhibits shall be filed, as shall any video recording, with the clerk of the Committee. In no case shall any video recording be considered the official transcript of a deposition or otherwise supersede the certified written transcript.

(i) After receiving the transcript, majority staff shall make available the transcript for review by the deponent or deponent's counsel. No later than ten business days thereafter, the deponent may submit suggested changes to the Chair. Committee majority staff may direct the clerk of the Committee to note any typographical errors, including any requested by the deponent or minority staff, via an errata sheet appended to the transcript. Any proposed substantive changes, modifications, clarifications, or amendments to the deposition testimony must be submitted by the deponent as an affidavit that includes the deponent's reasons therefore. Any substantive changes, modifications, clarifications, or amendments shall be included as an appendix to the transcript, a copy of which shall be promptly forwarded to minority staff.

(j) The Chair and ranking minority member shall consult regarding the release of

deposition transcript or electronic recordings. If either objects in writing to a proposed release of a deposition transcript or electronic recording or a portion thereof, the matter shall be promptly referred to the Committee for resolution.

#### RULE 11. QUORUMS

One-third of the members of the Committee or subcommittee shall constitute a quorum for taking any action other than amending Committee rules, closing a meeting from the public, reporting a measure or recommendation, or in the case of the Committee or a subcommittee authorizing a subpoena. For the enumerated actions, a majority of the Committee or subcommittee shall constitute a quorum. Any two members shall constitute a quorum for the purpose of taking testimony and receiving evidence.

#### RULE 12. REFERRAL OF BILLS, RESOLUTIONS, AND OTHER MATTERS

(a) The Chair shall consult with subcommittee chair regarding referral to the appropriate subcommittees, of such bills, resolutions, and other matters, which have been referred to the Committee. Once printed copies of a bill, resolution, or other matter are available to the Committee, the Chair shall, within three weeks of such availability, provide notice of referral, if any, to the appropriate subcommittee.

(b) Referral to a subcommittee shall not be made until three days shall have elapsed after written notification of such proposed referral to all subcommittee chair, at which time such proposed referral shall be made unless one or more subcommittee chair shall have given written notice to the Chair of the full Committee and to the chair of each subcommittee that he or she intends to question such proposed referral at the next regularly scheduled meeting of the Committee, or at a special meeting of the Committee called for that purpose, at which time referral shall be made by the majority members of the Committee. All bills shall be referred under this rule to the subcommittee of proper jurisdiction without regard to whether the author is or is not a member of the subcommittee. Upon a majority vote of the Committee, a bill, resolution, or other matter referred to a subcommittee in accordance with this rule may be recalled at any time for the Committee's direct consideration or for reference to another subcommittee.

(c) All members of the Committee shall be given at least 24 hours' notice prior to the direct consideration of any bill, resolution, or other matter by the Committee; but this requirement may be waived upon determination, by a majority of the members voting, that emergency or urgent circumstances require immediate consideration thereof.

(d) When a bill or resolution is being considered by the Committee or a subcommittee, members shall provide the clerk in a timely manner a sufficient number of written copies of any amendment offered, so as to enable each member present to receive a copy thereof prior to taking action. A point of order may be made against any amendment not reduced to writing. A copy of each such amendment shall be maintained in the public records of the Committee or subcommittee, as the case may be.

(e) In determining the order in which amendments to a matter pending before the Committee or a subcommittee will be considered, the Chair may give priority to:

- (1) The Chair's mark, and
- (2) Amendments, otherwise in order, that have been filed with the Committee at least 24 hours prior to the Committee or Subcommittee business meeting on said measure or matter.

#### RULE 13. VOTES

(a) With respect to each roll call vote on a motion to report any bill, resolution or mat-

ter of a public character, and on any amendment offered thereto, the total number of votes cast for and against, and the names of those members voting for and against, shall be included in the Committee report on the measure or matter.

(b) In accordance with clause 2(h) of Rule XI of the House of Representatives, the Chair of the Committee or a Subcommittee is authorized to postpone further proceedings when a record vote is ordered on the question of approving a measure or matter or on adopting an amendment. Such Chair may resume proceedings on a postponed request at any time after reasonable notice. When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

#### RULE 14. RECORDS AND ROLL CALLS

(a) Written records shall be kept of the proceedings of the Committee and of each subcommittee, including a record of the votes on any question on which a roll call is demanded. The result of each such roll call vote shall be made available by the Committee or subcommittee for inspection by the public at reasonable times in the offices of the Committee or subcommittee and shall be made available on the Committee's website not later than 3 business days after conclusion of the markup. Information so available for public inspection and on the Committee's website shall include a description of the amendment, motion, order, or other proposition and the name of each member voting for and each member voting against such amendment, motion, order, or proposition, and the names of those members present but not voting. A record vote may be demanded by one-fifth of the members present or, in the apparent absence of a quorum, by any one member.

(b) In accordance with Rule VII of the Rules of the House of Representatives, any official permanent record of the Committee (including any record of a legislative, oversight, or other activity of the Committee or any subcommittee) shall be made available for public use if such record has been in existence for 30 years, except that—

(1) any record that the Committee (or a subcommittee) makes available for public use before such record is delivered to the Archivist under clause 2 of Rule VII of the Rules of the House of Representatives shall be made available immediately, including any record described in subsection (a) of this Rule;

(2) any investigative record that contains personal data relating to a specific living individual (the disclosure of which would be an unwarranted invasion of personal privacy), any administrative record with respect to personnel, and any record with respect to a hearing closed pursuant to clause 2(g)(2) of Rule XI of the Rules of the House of Representatives shall be available if such record has been in existence for 50 years; or

(3) except as otherwise provided by order of the House of Representatives, any record of the Committee for which a time, schedule, or condition for availability is specified by order of the Committee (entered during the Congress in which the record is made or acquired by the Committee) shall be made available in accordance with the order of the Committee.

(c) The official permanent records of the Committee include noncurrent records of the Committee (including subcommittees) delivered by the Clerk of the House of Representatives to the Archivist of the United States for preservation at the National Archives and Records Administration, which are the

property of and remain subject to the rules and orders of the House of Representatives.

(d)(1) Any order of the Committee with respect to any matter described in paragraph (2) of this subsection shall be adopted only if the notice requirements of Committee Rule 15(a)(2) have been met, a quorum consisting of a majority of the members of the Committee is present at the time of the vote, and a majority of those present and voting approve the adoption of the order, which shall be submitted to the Clerk of the House of Representatives, together with any accompanying report.

(2) This subsection applies to any order of the Committee which—

(A) provides for the non-availability of any record subject to subsection (b) of this rule for a period longer than the period otherwise applicable; or

(B) is subsequent to, and constitutes a later order under clause 4(b) of Rule VII of the Rules of the House of Representatives, regarding a determination of the Clerk of the House of Representatives with respect to authorizing the Archivist of the United States to make available for public use the records delivered to the Archivist under clause 2 of Rule VII of the Rules of the House of Representatives; or

(C) specifies a time, schedule, or condition for availability pursuant to subsection (b) (3) of this Rule.

#### RULE 15. REPORTS

(a) Reports of the Committee: All Committee reports on bills or resolutions shall comply with the provisions of clause 2 of Rule XI and clauses 2, 3, and 4 of Rule XIII of the Rules of the House of Representatives.

(1) No such report shall be filed until copies of the proposed report have been available to all members at least 36 hours prior to such filing in the House of Representatives. No material change shall be made in the report distributed to members unless agreed to by the ranking minority member; but any member or members of the Committee may file, as part of the printed report, individual, minority, or dissenting views, without regard to the preceding provisions of this rule.

(2) Such 36-hour period shall not conclude earlier than the end of the period provided under clause 4 of Rule XIII of the Rules of the House of Representatives after the Committee approves a measure or matter if a member, at the time of such approval, gives notice of intention to file supplemental, minority, or additional views for inclusion as part of the printed report.

(3) To the extent practicable, any report prepared pursuant to a Committee or subcommittee study or investigation shall be available to members no later than 48 hours prior to consideration of any such report by the Committee or subcommittee, as the case may be.

(b) Disclaimers: (1) The report on activities of the Committee required under clause 1 of Rule XI of the Rules of the House of Representatives shall include the following disclaimer in the document transmitting the report to the Clerk of the House of Representatives:

This report has not been officially adopted by the Committee on Education and Labor or any subcommittee thereof and therefore may not necessarily reflect the views of its members.

Such disclaimer need not be included if the report was circulated to all members of the Committee at least 7 days prior to its submission to the House of Representatives and provision is made for the filing by any member, as part of the printed report, of individual, minority, or dissenting views.

(2) All Committee or subcommittee reports printed pursuant to legislative study or investigation and not approved by a majority

vote of the Committee or subcommittee, as appropriate, shall contain the following disclaimer on the cover of such report:

This report has not been officially adopted by the Committee on Education and Labor (or pertinent subcommittee thereof) and therefore may not necessarily reflect the views of its members.

The minority party members of the Committee or subcommittee shall have three calendar days, excluding weekends and holidays, to file, as part of the printed report, supplemental, minority, or additional views.

(c) Reports of Subcommittees. Whenever a subcommittee has ordered a bill, resolution, or other matter to be reported to the Committee, the chair of the subcommittee reporting the bill, resolution, or matter to the Committee, or any member authorized by the subcommittee to do so, may report such bill, resolution, or matter to the Committee. It shall be the duty of the chair of the subcommittee to report or cause to be reported promptly such bill, resolution, or matter, and to take or cause to be taken the necessary steps to bring such bill, resolution, or matter to a vote.

(1) In any event, the report, described in the proviso in subsection (c) (2) of this rule, of any subcommittee on a measure which has been approved by the subcommittee shall be filed within seven calendar days (exclusive of days on which the House is not in session) after the day on which there has been filed with the staff director of the Committee a written request, signed by a majority of the members of the subcommittee, for the reporting of that measure. Upon the filing of any such request, the staff director of the Committee shall transmit immediately to the chair of the subcommittee a notice of the filing of that request.

(2) Bills, resolutions, or other matters favorably reported by a subcommittee shall automatically be placed upon the agenda of the Committee as of the time they are reported. No bill or resolution or other matter reported by a subcommittee shall be considered by the full Committee unless it has been delivered or electronically sent to all members and notice of its prior transmission has been in the hands of all members at least 48 hours prior to such consideration. A member of the Committee shall receive, upon his or her request, a paper copy of such bill, resolution, or other matter reported. When a bill is reported from a subcommittee, such measure shall be accompanied by a section-by-section analysis; and, if the Chair of the Committee so requires (in response to a request from the ranking minority member of the Committee or for other reasons), a comparison showing proposed changes in existing law.

#### RULE 16. APPOINTMENT OF CONFEREES, NOTICE OF CONFERENCE MEETINGS AND CONFERENCE MOTION

(a) Whenever in the legislative process it becomes necessary to appoint conferees, the Chair shall recommend to the Speaker as conferees the names of those members of the subcommittee which handled the legislation in the order of their seniority upon such subcommittee and such other Committee members as the Chair may designate with the approval of the majority party members. Recommendations of the Chair to the Speaker shall provide a ratio of majority party members to minority party members no less favorable to the majority party than the ratio of majority members to minority party members on the full committee. In making assignments of minority party members as conferees, the Chair shall consult with the ranking minority party member of the committee.

(b) After the appointment of conferees pursuant to clause 11 of Rule I of the Rules of

# EXTENSIONS OF REMARKS

DISAPPROVAL OF OBLIGATIONS UNDER THE EMERGENCY ECONOMIC STABILIZATION ACT OF 2008

SPEECH OF

**HON. CHRIS VAN HOLLEN**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Thursday, January 22, 2009*

Mr. VAN HOLLEN. Mr. Speaker, I rise in opposition to this resolution of disapproval and will vote no today so that Congress can continue working proactively with President Obama to get our fragile economy back on track.

Earlier this week, the House passed the TARP Reform and Accountability Act, which reflects criticism I share over how the first tranche of TARP funds has been administered and imposes significant transparency and accountability reforms on the use of TARP funds going forward.

However, if there is one thing economists across the country and political spectrum are now telling us, it is that inaction in the face of our current financial crisis is not an option. The Obama administration, and the reforms outlined in the TARP Reform and Accountability Act, now give us the opportunity to deploy this second tranche of TARP funds more wisely. We should do so.

PERSONAL EXPLANATION

**HON. KURT SCHRADER**

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Friday, January 23, 2009*

Mr. SCHRADER. Madam Speaker, my vote against the Republican Motion to Recommit reflected my commitment to maintaining a solid record of representation for my Congressional District, unclouded by political gamesmanship. This Motion stood in the way of passing a necessary accountability measure. I took this vote with the full knowledge that I would have the opportunity the next day to vote against releasing the second half of the bailout money for the financial industry.
