**Summary Tabulation of Mass Communications
Distributed by Each Member of the U.S. House of Representatives
October 1, 2012 – January 2, 2013 – Amended**

In accordance with Public Law 104-197 §311 and Resolution 110-10 of the Committee on House Administration, this table summarizes the number and costs incurred of mass communication mailings distributed by each Member during the period October 1, 2012 – January 2, 2013. The summary includes the total number and costs of the communications distributed, as well as the average number and cost of such distributions per household address in each Member's district.

A mass communication is any unsolicited communication of substantially identical content distributed to 500 or more persons, regardless of media, over the course of the Legislative Year (January 3 of one year through January 2 of the following year).

MEMBERS' REPRESENTATIONAL ALLOWANCE

Because the House is operating under a continuing resolution at FY 2012 levels, the total amount of funds available for MRAs remains unchanged.* However, to account for redistricting and other factors, individual MRAs have been recalculated using the sum of the following components adjusted proportionally to ensure the total is consistent with 2012 funding levels:

1. Staffing – Base amount of \$944,671 – This amount is the same for all Members and was designed to cover personnel compensation.
2. Official expenses – This amount is the total of the following two subcomponents:
 - A base amount of \$256,574 to cover office expenditures
 - The dollar equivalent of 64 (32 rounds trips) multiplied by the rate per mile, multiplied by the mileage between the District of Columbia and the furthest point in the Member's district, according to the Rand McNally Standard Highway Mileage Guide, plus ten percent. The following rates per mile apply:

Under 500 miles	\$0.96
At least 500 but less than 750 miles	.86
At least 750 but less than 1,000 miles	.71
At least 1,000 but less than 1,750 miles	.61
At least 1,750 but less than 2,250 miles	.51
At least 2,250 but less than 2,500 miles	.48
At least 2,500 but less than 3,000 miles	.43
3,000 miles or more	.32

In no case, shall this amount be less than \$6,200.

3. District Office Rent – The dollar equivalent of 2,500 square feet multiplied by the applicable General Services Administration (GSA) rental rate.
4. Official Mail – The amount of this component varies for each Member based on the following formula:
 - 3 times the sum of the first class rate for mail (as determined by the Postmaster General) and the number of addresses (other than business delivery stops) in the Member's congressional district.

The Committee has set the amount at 45% of this calculation.

**This amount was reduced on March 4, 2013, by 8.2% to comply with sequestration orders issued pursuant to the Budget Control Act of 2011.*
