To make in order and provide the appropriate waivers to amendment # 6, offered by Rep. Pallone Jr. (NJ), which extends funding for critically important healthcare programs such as the Children’s Health Insurance Program (CHIP) and Community Health Centers that were last authorized in the bipartisan Medicare Access and CHIP Reauthorization Act of 2015. The amendment does so without making it harder for people to keep their health insurance or gutting funding for public health programs supported by the Prevention Fund. Instead, it fully pays for these policies with a commonsense offset.

To make in order and provide the appropriate waivers to amendment # 22, offered by Rep. Doggett (TX) and Rep. Davis (IL) and Rep. Thompson (CA) and Rep. DelBene (WA) and Rep. Crowley (NY), #22, which would strike section 1204 of the bill (which repealed the above-and-line deductions for interest payments on qualified education loans and tuition and related expenses, and repealed the exclusions for interest on United States savings bonds used to pay for tuition, qualified tuition reductions, and employer-provided education assistance), and reinstates the \$250 above the line deduction for out-of-pocket teacher expense. Expands the American Opportunity Act to increase the credit to a lifetime limit of \$15,000, triples the refundable portion of the credit (from \$500 to \$1,500), adds flexibility in the credit for part-time students, and addresses an inconsistency in the code that currently effects students who receive Pell Grants by allowing the AOTC to go towards the costs of education that the Pell Grant does not cover.
