Chair DeLauro and Ranking Member Granger:

I am requesting \$3,000,000 in funding for Laurel Marsh/Hockanum River Linear Park Improvements in fiscal year 2023. The entity to receive funding for this project is the 41 Center St. Manchester CT 06040.

The funding would be used to remove and replace approximately 1,300 linear feet of elevated timber boardwalk structures and provide surface improvements to existing trails and boardwalks throughout Laurel Marsh Park in Manchester. Additionally, it would formalize a connection between the Laurel Marsh Park and the Hockanum River Linear Park Trail in East Hartford.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

John B. Larson
