Chair DeLauro and Ranking Member Granger:

I am requesting \$1,010,000 in funding for Charter Oak Landing park infrastructure in fiscal year 2023. The entity to receive funding for this project is the City of Hartford at 550 Main Street, Hartford, CT 06103.

Charter Oak Landing is a heavily used riverfront park that is a favorite spot for families from Hartford and the region. Several decades have passed since the park was renovated. Significant wear and tear on the park due to seasonal flooding and year round use requires that several important infrastructure elements in the park be repaired or restored.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

John B. Larson
