This letter shall serve as my formal endorsement of the Crossroads of America Workforce Training project. The Town of Four Oaks set out on a journey of collaborating with our neighbors to address the recent shortcomings we suffered in attracting good, quality industry. As you know, good quality industry lifts people up by providing them competitive wages as well as additional educational opportunities. Four Oaks, as well as Benson and Dunn have median household incomes about half the County and State level. Therefore, the leadership of all three took it upon themselves to do something about it. This project has garnered support from other local and state organizations such as Johnston Community College, Central Carolina Community College, NC Dept. of Commerce, and the General Assembly of North Carolina. We are proud of our record of collaborations and hope to add you to the list of agencies and organizations who have supported us in this endeavor. Thank you for consideration and we look forward to hearing back.

Vic Medlin  
Mayor – Town of Four Oaks
