Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Fresno County Stream Group's Fancher and Redbank Creek Projects for fiscal year 2023.

The entity to receive this funding is located at Fresno Irrigation District at 2901 S. Maple Avenue, Fresno, California 93720. This funding would help complete required study and evaluation of this project, which would increase water and groundwater recharge capacity in Fresno County.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

JIM COSTA
Member of Congress
