The Honorable Kay Granger

Appropriations Committee

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Housing, Healthcare, and Hope Renovation Project in fiscal year 2022.

The entity to receive funding for this project is the Will-Grundy Medical Clinic, located at 213 East Cass Street, Joliet, IL 60432.

The funding would be used on facilitating comprehensive healthcare access for individuals who are experiencing housing insecurity/homelessness. They are requesting funds to renovate a 120-year old facility for a program that provides access to comprehensive, quality health care services including behavioral health services coupled with targeted and intensive housing and case management services.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Bill Foster  
Member of Congress
