Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the U.S. Army Corps of Engineers (USACE) for the Indiana Shoreline, IN in Fiscal Year 2023.

The entity to receive funding for this project is the U.S. Army Corps of Engineers (USACE) – Chicago District, 231 South LaSalle Street, Chicago, Illinois, 60604.

This funding would be used to support sand nourishment activities at Mount Baldy. Funding allocated to Indiana Shoreline provides the USACE the opportunity to fulfill its mission to address erosion within the project area. Supporting the sustainability of this resource helps promote tourism and economic activity within Northwest Indiana.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Frank J. Mrvan".
