Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Whiting Police Department for Law Enforcement Equipment Acquisition in Fiscal Year 2023.

The entity to receive funding for this project is the Whiting Police Department - 1914 Schrage Avenue, Whiting, 46394.

This funding would be used for License Plate Reader Technology and Video Surveillance Cameras. These technologies will increase public safety through the deterrence of crime, assist in the investigation of criminal activity and allow for the speedy apprehension of offenders. The implementation of these technologies will assist the Whiting Police Department in its efforts to increase public safety and will positively benefit children attending Whiting Public Schools, the residents of Whiting, the businesses of Whiting, the MARSEC-designated area of the BP Whiting Refinery, and the hundreds of thousands of visitors hosted by the community each year.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Frank J. Mrvan". The signature is fluid and cursive.
