Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Center Point Fair Oaks Re-entry Workforce Development project in fiscal year 2022.

The entity to receive funding for this project is Center Point, Inc. and the project is located at 11228 Fair Oaks Blvd, Fair Oaks, CA 95628

The funding would be used to expand Center Point's Substance Use Disorder (SUD) treatment program to include workforce development and job training and placement services. Center Point currently provides residential SUD treatment services at their Fair Oaks location which offers an alternative to incarceration and provides both health care and shelter during treatment. Recent parolees face barriers to obtaining and maintaining stable employment. Providing workforce training to these individuals as part of their treatment offers the opportunity of job stability and a more stable living situation after the program.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Ami Bera".
