Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Exmore Sewage Collection System in fiscal year 2023. The entity to receive funding for this project is Northampton County located at PO Box 66, Eastville, VA 23347.

The funding would be used to rebuild the sanitary sewer collection system as well as expanding the system to provide service for affordable housing units, apartments, and commercial buildings. It will provide for the installation of approximately 85,000 linear feet of service lines and force mains throughout the Town. This will help provide additional commercial and residential growth without impacting open space and environmentally sensitive areas of the County.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Elaine G. Luria  
Member of Congress
