The Honorable Kay Granger  
Ranking Member  
House Committee on Appropriations  
H-307 The Capitol  
Washington, D.C. 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Wachapreague Sewer Line & Pump Station in fiscal year 2023. The entity to receive funding for this project is the Accomack-Northampton Planning District Commission, located at 23372 Front Street, Accomac, VA 23301.

The funding would be used to bring public sewer service to the Town of Wachapreague. The project includes construction of a sewer line connecting to the Hampton Roads Sanitation District system, construction of a pump station on property donated to the town, and installation of a collection system. The project will allow the Town of Wachapreague to meet current and future wastewater management needs, where no public service connection is currently available.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Elaine G. Luria  
Member of Congress
