Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Milford Water Infrastructure Upgrade Project in fiscal year 2022.

The entity to receive funding for this project is the Village of Milford, located at 1100 Atlantic Street Milford, MI 48381.

The funding would be used for installation of a new water transmission line from the new water source well to the existing water treatment plant. This project will allow the Village of Milford to meet their long-term water supply needs.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Haley Stevens  
Member of Congress
