Honorable Chairwoman Rosa DeLauro
Honorable Ranking Member Kay Granger
Committee on Appropriations
U.S. House of Representatives
H-307 The Capitol
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Industry 4.0 Training @ Schoolcraft College's Manufacturing & Engineering Center Project in fiscal year 2023.

The entity to receive funding for this project is Schoolcraft College, located at 18600 Haggerty Road Livonia, Michigan 48152.

The funding would be utilized to acquire training equipment that will expand Schoolcraft College's Mechatronics Technology program. This will allow them to provide higher level certifications to skill and upskill workers in transformative technology occupations such as mechatronics, industrial engineering, robotics, and supply chain management.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Haley Stevens
Member of Congress
