Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Combined Sewer System Critical Rehabilitation Program in fiscal year 2023.

The entity to receive funding for this project is the City of Birmingham, located at 151 Martin Street, Birmingham, MI 48009.

The funding would be utilized for the rehabilitation of existing sewers with the removal of accumulated debris, damaged sewer lining, root masses, and mineral deposits along with the excavation and replacement of severely deteriorated sections.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Haley Stevens
Member of Congress
