Congress of the United States
House of Representatives

April 27, 2022

The Honorable Rosa DeLauro
Chair
House Appropriations Committee
Washington, DC 20515

The Honorable Kay Granger
Ranking Member
House Appropriations Committee
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for an Arts Outreach and Engagement Initiative to help provide services to more neighborhoods and families in Milwaukee and foster greater engagement with more small arts groups as part of efforts to promote greater multicultural awareness and harmony through the production of outstanding theatre performances in fiscal year 2023. The entity to receive funding for this project is Capita Productions, Inc. located at 4141 N 64th St, Milwaukee, WI 53216.

The funding would be used to hire staff to expand services for this non-profit community theater program that helps underserved Milwaukee students and families improve literacy and communication skills, nurture mutual trust, build confidence in themselves and their communities. Capital Productions professionals coach approximately 100 participants (ages 5-75) in all aspects of musical theater performance with services targeted in some of the most vulnerable Milwaukee zip codes (53206, 53210, 53212, 53216 and 53218)

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Gwen Moore". The signature is fluid and cursive, with the first name "Gwen" being larger and more prominent than the last name "Moore".
