Congress of the United States
House of Representatives

April 29, 2022

The Honorable Rosa DeLauro
Chair
House Appropriations Committee
Washington, DC 20515

The Honorable Kay Granger
Ranking Member
House Appropriations Committee
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Milwaukee Clean Water Initiative to help address the need to update and upgrade critical water infrastructure to protect public's health and the environment. The entity to receive funding for this project is the City of Milwaukee's Department of Public Works, located at 841 N. Broadway, RM 409, Milwaukee, WI 53212.

In conjunction with the Milwaukee Metropolitan Sewerage District, funding would be used to replace outdated equipment at the Howard Avenue Water Treatment Plant and the South Shore Water Reclamation Facility to help provide clean drinking water and protect Great Lakes water quality by improving equipment used to remove pollutants from treated water. Funding would also be used to conduct a study to identify solutions for flooding at the airport during storm events that impacts operations, including the Wisconsin Air National Guard's 128th Air Refueling Wing.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Gwen Moore
Member of Congress
