Dear Chair DeFazio and Ranking Member Graves:

The funding is designated for alleviating current backup traffic condition at the SR-14 off-ramps onto Avenue N and Upgrade Avenue N to be consistent with City of Palmdale's General Plan

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: improve mobility and safety for all user types from vehicles, pedestrians, and bicyclists, incorporates active transportation measures, including bicycle lanes and sidewalks, in accordance with Americans with Disabilities Act (ADA) requirements

I certify that neither I nor my immediate family has any financial interest in this project.
