Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Plant 42 Access and Safety Enhancements Project in surface transportation reauthorization legislation.

The project sponsor for this project is the City of Palmdale, California and the project is located at the intersection of Rancho Vista Blvd. and Sierra Highway in Palmdale, CA 93550. The funding is designated for the implementation of improvements that will enhance traffic operations and reduce existing traffic on Rancho Vista Blvd/Avenue P by improving the Level of Service (LOS).

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: enhanced safety, reduced congestion, and improved operations of vehicular, bicycle, pedestrian, and train traffic.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mike Garcia", with a stylized, cursive script.
