The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger,

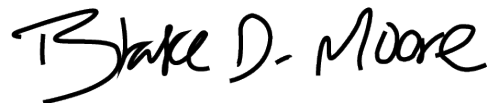

I am requesting funding for the Town of Manila's sewage system project in fiscal year 2022.

The entity to receive funding for this project is the Town of Manila, Utah, located at 145 UT-43, Manila, Utah 84046.

Funding would be used to extend the Town's sewage system to the area of Yincheta Lane, just outside of Manila. The local tri-county health department has stopped approving new private septic systems, so expansion is the only way to provide essential sewage service to residents and to ensure the area can continue to grow.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Blake Moore  
Member of Congress
