Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for Vernal City's infrastructure enhancement project in fiscal year 2022.

The entity to receive funding for this project is Vernal City, located at 374 East Main Street, Vernal, Utah 84078.

Funding would be used to improve historic Vernal downtown with much needed enhancements to pedestrian safety, mobility, drainage, transit access, bike lanes, streetscape, lighting, and business district aesthetics. The project will provide an economic boost to an economically distressed area.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Blake Moore
Member of Congress
