Dear Chairwoman DeLauro and Ranking Member Graves:

I am requesting funding for the Roosevelt Special Hospital expansion in fiscal year 2022.

The entity to receive funding for this project is Roosevelt Special Hospital, located at 42121 W. Hwy 70 in Portales, NM 88130.

The funding would be used for purchasing land and funding construction of a clinic expansion. This would allow Roosevelt General Hospital and Clinics to expand primary and specialty care services in the rural and underserved area of Clovis, New Mexico. It would also include constructing a facility to house lab and X-ray diagnostics. Funding would also support monthly visits for behavioral health and pediatric services from the Portales, New Mexico clinic into Clovis, New Mexico.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Teresa Leger Fernández  
Member of Congress
