RE: CPF Member Certification for Sacramento Area Flood Control Agency Project

Dear Chairman DeLauro and Ranking Member Granger:

I respectfully request funding (\$750,000) for the Comprehensive Study of the Yolo Bypass (Sacramento River, California) in fiscal year 2022. The entity to receive funding for this project is the U.S. Army Corps of Engineers (SPK). The non-federal sponsor (Sacramento Area Flood Control Agency) is located at 1007 7<sup>th</sup> Street, 7<sup>th</sup> Floor, Sacramento, CA, 95814. The Yolo Bypass and study area is located within my Congressional district.

Section 209 of WRDA 2020 (Division AA of Public Law 116-260) directed the Army Corps to undertake a comprehensive study of the Yolo Bypass in coordination with the State of California, Yolo Bypass Cache-Slough Partnership, and other local stakeholders. The Community Project Funding requested would fulfill the federal share of the study in fiscal year 2022. California's Department of Water Resources and the Sacramento Area Flood Control Agency are the non-federal sponsors for this Congressionally authorized comprehensive study and have secured the non-federal cost share for fiscal year 2022. It is a responsible use of taxpayer funds for the aforementioned reasons.

Pursuant to Clause 17 of Rule XXIII of the U.S. House of Representatives, I certify that neither I nor my immediate family has any financial interest in this project or request. Thank you for your leadership and consideration.

Sincerely,

A handwritten signature in blue ink that reads "John Garamendi".
