RE: Member Certification for City of Fairfield Project

Dear Chairman DeLauro and Ranking Member Granger:

I respectfully request funding (\$4,000,000) for the Jepson Parkway Phase 2B (Access to Travis AFB and Canon Road Safety Improvements) project in fiscal year 2023. The entity to receive funding for this project is the City of Fairfield, located at 1000 Webster Street, Fairfield, California 945339.

The proposed project would construct a four-lane arterial roadway at the intersection of Vanden Road that includes a future grade separation to replace the existing two lane at-grade crossing. The project would also include the installation of complete street improvements consisting of sidewalks, Class II bike lanes, landscaping, and streetlights.

The Community Project Funding would allow the City of Fairfield, with the Solano Transportation Authority, to improve the at-grade crossing thereby reducing train-involved accidents and to provide safe truck access to 286 acres of planned development in northeast Fairfield to support a proposed 4.6 million square feet of new industrial sites and jobs. It is a responsible use of taxpayer funds for the aforementioned reasons.

Pursuant to Clause, 17 of Rule XXIII of the U.S. House of Representatives, I certify that neither I nor my immediate family has any financial interest in this project or request. Thank you for your leadership and consideration.

Sincerely,

A handwritten signature in blue ink that reads "John Garamendi".
