Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for **HVAC Replacement** in fiscal year 2023.

The entity to receive funding for this project is the City of Berkley, located at 3338 Coolidge Highway, Berkley, Michigan 48072.

The funding would be used to replace outdated and underperforming HVAC equipment with new state-of-the-art, energy-efficient equipment, and will ensure Berkley can continue to provide services and programs to residents. This project is a valuable use of taxpayer funds because installing new, energy efficient systems will allow Berkley to reinvest the accumulated resources from energy savings into additional energy efficiency projects as outlined in their Energy Plan, which was added as an appendix to the city's Comprehensive Master Plan in 2020.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

ANDY LEVIN
Member of Congress
