Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for **Road Reconstruction on Redruth Ave.** in fiscal year 2023.

The entity to receive funding for this project is the City of Clawson, located at 425 North Main Street, Clawson, MI 48017.

The funding would be used to reconstruct a local road that is located next to one of Clawson's school buildings, which is currently used as an elementary school and will be a preschool childcare center and administrative building in the future after school consolidation. This project is a valuable use of taxpayer funds because the city and school district will be able to provide safer transportation to a childcare facility thus contributing to improved community vitality.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

ANDY LEVIN
Member of Congress
