Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for **9 Mile Rebuild** project in fiscal year 2023.

The entity to receive funding for this project is the City of Eastpointe, located at 23200 Gratiot Avenue, Eastpointe, MI 48021.

The funding would be used for the complete reconstruction of 9 Mile Road from Tuscany Street to I-94, which is a major commercial artery located through the center of the city. The project entails the complete removal and reconstruction of the existing road with a new concrete road, upgrades to the existing storm drainage system, new driveway approaches and new sidewalk ramps upgraded to current ADA regulations. This project is a valuable use of taxpayer funds because it will allow Eastpointe to continue to improve its major street infrastructure, utilized by residents and traveling commuters, so that all streets are in good or fair condition as well as provide opportunities for economic growth along this commercial corridor.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

ANDY LEVIN
Member of Congress
