Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for **Golf Drive Reconstruction** in fiscal year 2023.

The entity to receive funding for this project is the City of Pontiac, located at 47450 Woodward Avenue, Pontiac, Michigan 48342.

The funding would be used for construction expenses and construction engineering and inspection (CE&I) expenses related to the reconstruction of Golf Drive and Bagley Street. These roads have experienced a significant rise in traffic, with new businesses in the area leaving the road pavement and drainage in poor condition. This project is a valuable use of taxpayer funds because it will make critical updates to infrastructure in Pontiac, including the addition of safety improvements, like protected bike lanes, for non-motorized traffic.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

ANDY LEVIN
Member of Congress
