Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for a **Public Library Addition** in fiscal year 2023.

The entity to receive funding for this project is the City of St Clair Shores, located at 27600 Jefferson Avenue, St. Clair Shores, MI 48081.

The funding would be used to construct an addition to the St. Clair Shores Public Library to house the youth services program, create a makerspace for residents to develop new skills, act as an incubator for new business ideas and update the technology located within this space.

This project is a valuable use of taxpayer funds because it would be a tremendous investment in America's youth. The public library addition will help children from ages 2 to 18 years learn to read, help them explore the world around them through books and research, provide technology to them to learn new skills and develop creative ideas that can help them become entrepreneurs within the community.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

ANDY LEVIN
Member of Congress
