Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Eastside Community Hub Revitalization Project in fiscal year 2022.

The entity to receive funding for this project is Advancing Macomb Foundation, Inc., a 501(c)(3) non-profit organization, located at 25 North Main Street, Mount Clemens, MI 48043. The funding would be used for improving public facilities and services for programming that will empower at-risk youth and their families in two economically disadvantaged communities in Macomb County: Mount Clemens and Eastpointe. This project is a valuable use of taxpayer funds because youth in these communities have experienced greater hardships because of the pandemic and continued disinvestments into public facilities, which limits their potential for economic mobility. This funding will be used to support afterschool programming focused on economic mobility.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

ANDY LEVIN  
Member of Congress
