Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Library Accessibility and Training Area in fiscal year 2022.

The entity to receive funding for this project is City of Madison Heights, located at 300 West 13 Mile Road, Madison Heights, MI 48071. The funding would be used for renovating and expanding Madison Heights' public library. The City is planning to build a new Active Adult Center at Civic Center Plaza connecting the existing library and City Hall. Funding is needed to include a complete renovation and expansion of the library. This project is a valuable use of taxpayer funds because the renovation will ensure this key public service remains accessible for residents who depend on the library for tutoring, job hunting, computer use and social programs.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

ANDY LEVIN
Member of Congress
