Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Toepfer Drive Reconstruction – Kelly Road to Beaconsfield Avenue in surface transportation reauthorization legislation.

The project sponsor for this project is the City of Eastpointe and the project is located at Toepfer Drive (8 ½ Mile Road) from Kelly Road to Beaconsfield Avenue in Eastpointe, MI 48021.

The funding is designated for the complete reconstruction of Toepfer Drive from Kelly Road to Beaconsfield Avenue.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: it would provide for the complete removal of the existing concrete road and replacing it with a new concrete road with an integral concrete curb and gutter, new aggregate base, new storm drainage system within the right-of-way, new driveway approaches for residential properties to accommodate adjustments to new roadway elevations, and replacement sidewalk ramps at intersections to comply with ADA requirements.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

ANDY LEVIN  
Member of Congress
