Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Arnold Palmer Regional Airport Terminal Expansion Project in Westmoreland County, PA for Fiscal Year 2023.

The entity to receive funding for this project is the Westmoreland County Airport Authority located at 148 Aviation Lane, Suite 103, Latrobe, Pennsylvania 15650.

The funding, totaling \$7,000,000, would be used to expand the existing terminal to provide more than 14,000 square feet of new usable space on each floor and reconfigure the floor plan. This new space would accommodate a second Transportation Security Administration (TSA) screening line, as well two new passenger boarding bridges.

This project is an appropriate use of taxpayer dollars because it increases the safety of the TSA screening area. Further, the project would drive business and recreational travel to southwestern Pennsylvania through increased aircraft boarding capacity and increased secure passenger holding capacity, fostering economic growth in the region.

I certify that neither I nor my immediate family has any financial interest in this project.

Very respectfully,

Guy Reschenthaler
Member of Congress
