Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the renovation of the historic Lincoln National Bank building in Independence Township, Pennsylvania for Fiscal Year 2023.

The entity to receive funding for this project is the Independence Township Board of Supervisors located at 34 Campbell Street, PO Box E, Avella, PA 15312.

The funding, totaling \$900,000, would be used to renovate the historic Lincoln National Bank building to house a business incubator, community library, community meeting rooms, and office space for the township.

The project is an appropriate use of taxpayer dollars and will serve as an essential community facility to house the township services and diversify the local economy by encouraging growth of small businesses and allow for the expansion of the community library.

I certify that neither I nor my immediate family has any financial interest in this project.

Very respectfully,

Guy Reschenthaler
Member of Congress
