Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Laurel Highlands Workforce and Opportunity Center for Fiscal Year 2023.

The entity to receive funding for this project is the Laurel Highlands Workforce and Opportunity Center located at 310 Donohoe Road, Greensburg, PA 15601.

The funding, totaling \$446,930, will be used to hire staff and provide supplies, childcare, and transportation for students in the adult workforce training program. This program trains individuals who are unemployed, underemployed, or in the transition of employment.

The project is an appropriate use of taxpayer dollars because it will help build a skilled workforce that meets the region's needs for in-demand health care jobs and will foster economic growth. This project targets underserved populations, unemployed, non-college-bound high school graduates, veterans, and those displaced from jobs due to the pandemic.

I certify that neither I nor my immediate family has any financial interest in this project.

Very respectfully,
