The Honorable Kay Granger  
Ranking Member  
House Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Hickory, Southview, and Westland Sanitary Sewer Project in Washington County, PA for Fiscal Year 2023.

The entity to receive funding for this project is the Mount Pleasant Township Municipal Authority located at 31 McCarrell Road, Hickory, PA 15340.

The funding, totaling \$3,500,000, would be used to begin construction on 110,000 feet of sewer, four pump stations and a treatment plant to provide public sanitary sewer service to approximately 1,350 residents.

This project is an appropriate use of taxpayer dollars because it will eliminate the use of aging, on-lot septic systems, thereby reducing the risk of bacterial and viral diseases often associated with sanitary sewer discharges. The project will safeguard the public against a potential health hazard while allowing for development of the region.

I certify that neither I nor my immediate family has any financial interest in this project.

Very respectfully,
