Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Pennsylvania Route 21 (PA 21) Improvement Plan in Fayette and Greene Counties for Fiscal Year 2023.

The entity to receive funding for this project is PennDOT Engineering District 12 located at 825 N. Gallatin Ave Ext, Uniontown, PA 15401.

The funding, totaling \$2,500,000, would be used to complete an in-depth and complex study for development and analysis of possible concepts to meet PA 21 corridors Purpose and Needs.

The project is an appropriate use of taxpayer dollars because PA 21 is a regionally significant corridor that serves Waynesburg, Masontown, and Uniontown, along with numerous smaller communities. Safety updates are needed to meet current traffic conditions, and the road requires updates to support economic growth for Greene and Fayette Counties and the region. The project is listed on the Southwestern Pennsylvania Commission's (the Metropolitan Planning Organization) Long Range Transportation Plan.

I certify that neither I nor my immediate family has any financial interest in this project.

Very respectfully,

Guy Reschenthaler
Member of Congress
