Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Rostraver Township Pedestrian Bridge Improvements in Westmoreland County, PA for Fiscal Year 2023.

The entity to receive funding for this project is PennDOT Engineering District 12 located at 825 N. Gallatin Ave Ext, Uniontown, PA 15401.

The funding, totaling \$1,800,000, would be used to improve the pedestrian structure that spans Interstate 70 and connects Ross Street with Carson Street in Rostraver Township, Pennsylvania.

The project is an appropriate use of taxpayer dollars because the bridge, which does not meet Americans with Disabilities Act criteria, serves a low-income area that was severed from vital community services and locations due to the construction of Interstate 70 in the 1950s. The project is listed on Pennsylvania's State Transportation Improvement Plan (ID #115909).

I certify that neither I nor my immediate family has any financial interest in this project.

Very respectfully,

Guy Reschenthaler
Member of Congress
