Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Building Construction Pre-Apprenticeship Program for fiscal year 2023. The entity to receive funding for this project is Construction Trade Workforce Initiative, 7750 Pardee Lane, Suite 100, Oakland, CA 94621.

The funding would be used to develop a Career Technical Education (CTE) Capstone course, in partnership with Livermore Valley Joint Unified School District, designed to educate, train and connect Tri-Valley Residents and High school graduates to career opportunities in the unionized construction trades through designing and implementing the union endorsed Multi Craft Core Curriculum Apprenticeship Readiness Program (ARPs).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Eric Swalwell  
Member of Congress
