Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Last Mile Delivery Program for fiscal year 2023. The entity to receive funding for this project is One Nation Dream Makers, 1617 College Avenue, Livermore, CA 94550.

The funding would be used to increase services for their "last mile" delivery program that recovers and brings nutritious food to those in need, primarily but not limited to low-income residents and veterans in Alameda County. The Last Mile Delivery model allows recipients to be able to receive the food without the need of transportation. The organization is helping to meet the growing food and nutritional needs of home-bound seniors, youth, medically vulnerable individuals, and individuals and families that are experiencing food insecurity.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Eric Swalwell
Member of Congress
